## **Riding Windhorses A Journey Into The Heart Of Mongolian Shamanism:**

**Riding Windhorses** Sarangerel, 2000-03-01 The first book written about Mongolian and Siberian shamanism by a shaman trained in that tradition A thorough introduction to Mongolian and Siberian shamanic beliefs and practices which until the collapse of the Soviet Union were banned from being practiced Includes rituals for healing and divination techniques In traditional Mongolian Buryat culture shamans play an important role maintaining the tegsh the balance of the community They counsel a path of moderation in one's actions and reverence for the natural world which they view as mother to humanity Mongolians believe that if natural resources are taken without thanking the spirits for what they have given those resources will not be replaced Unlike many other cultures whose shamanic traditions were undermined by modern civilization shamans in the remote areas of southern Siberia and Mongolia are still the guardians of the environment the community and the natural order *Riding Windhorses* is the first book written on Mongolian and Siberian shamanism by a shaman trained in that tradition A thorough introduction to Mongolian Siberian shamanic beliefs and practices it includes working knowledge of the basic rituals and various healing and divination techniques Many of the rituals and beliefs described here have never been published and are the direct teachings of the author's own shaman mentors **The Magic**

**in Your Genes** Cairelle Crow, 2023 Have you been searching for a way to find deeper connection with your ancestors Or would you like to learn how to reach your spirit guides This book offers a route to becoming more in tune with your personal genealogical background so that you can begin to understand more about your ancestors It has a primer on the basics of DNA and genetic genealogy practices so no prior knowledge is required to put the book to use Magical tips and techniques are placed throughout to help the reader utilize both technical and magical resources as appropriate to the content in each chapter It is geared to those with a known recent genealogical history parents grandparents but is also appropriate for those who are adopted or who have other situations such as a misattributed parentage event *Spirit Voices* David J.

Shi, 2023-05-01 Provides a clear and accessible guide to the many different North Asian shamanic traditions past and present What is shamanism Where is it from How does one become a shaman What are the requirements to become one Anthropologists tell us that the word shaman derives from the Tungus language and traditions but few people understand the full scope of what that means In his groundbreaking book *Spirit Voices* David Shi answers all these questions and more Drawing upon his own ancestral traditions Shi explores the history and practice of shamanism He guides readers through what may be the unfamiliar landscapes of North Asia the place where shamanism was born as well as the largely hidden and unfamiliar traditions of Turkic Mongolic and Tungus shamanism exploring the subtle and unique aspects of each tradition Shi provides a clear and accessible guide that explores the many different North Asian shamanic traditions So what exactly is shamanism David Shi suggests that the most accurate definition derives from shamanologist Nicholas Breeze Wood who writes A shaman is someone chosen by the spirits typically at or before birth and who can go into a controlled and repeatable

deliberate trance state during which they A experience spirit flight where they go to the spirit worlds and meet spirits who they either fight with negotiate with or trick in order to create change in this physical world or B are often taken over possessed by the spirits normally ancestral shaman spirits or local land spirits while in this physical world the spirits using the shaman s voice and body to heal or give advice to members of the shaman s community Without the spirits and their blessing a shaman cannot exist or function Without the trance state it is not shamanism Featuring history firsthand experiential reports mythology and folklore Spirit Voices explores the spirits spirituality tools and practices of true shamanism past and present Shi also provides practical information for those readers seeking to implement shamanic practices including those that are appropriate to noninitiates and outsiders to the culture As the author points out the purpose of shamanism can be summed up in two words coexistence and balance coexistence with our spirits and our communities and the balance that must be preserved between all of us and within ourselves *The Esoteric Symbolism of Shamanic Trance and Altered States Phenomena* Ratka Relic,2020-06-01 Bringing together extensive research on psychology psychophysiology and phenomenology of the shamanic trance and altered states of consciousness this book represents a cross cultural approach to the study of shamanism It discusses Buryat shamanism in Siberia in comparison with Buddhist and Hindu Yogic techniques as well as other esoteric traditions The phenomenon of the shamanic trance is here investigated from the esoteric point of view as a form of mystical or religious experience The book explores the inner feelings and psychic states of the shaman during the trance describing the inner psychic processes and referring to the systems of chakras and subtle channels in shamanism and classical Buddhist and Hindu yoga as well as other cultural traditions In addition to its adoption of psychoanalytic and transpersonal approaches it also uses phenomenological methods in its investigation representing works from scholars in Oriental studies as they provide deeper insight into the research of shamanism and mystical experiences **The Complete Idiot's Guide to Shamanism** Gini Graham Scott,2002-06-01 You re no idiot of course You know that shamans are also known as medicine men and women who use the power of the mind and call on spiritual helpers to heal the afflicted However this ancient art has been put to more modern uses including problem solving empowerment and personal mastery But you don t have to trek through steamy Amazonian jungles or frigid Siberian tundra to become enlightened in the ways of shamanism The Complete Idiot s Guide to Shamanism will show exactly how to discover your own shamanic power and how that power will guide you in your everyday life In this Complete Idiot s Guide you get Shamanic history from its origins in Paleolithic times to its spreading influence today Power animals where to locate them and how they communicate with you How to take a shamanic journey traveling through the Lower Upper and Middle Worlds and exploring your past or future Shamanic healing techniques in use with modern medicine Shamanism Mariko Namba Walter,Eva Jane Neumann Fridman,2004-12-15 A guide to worldwide shamanism and shamanistic practices emphasizing historical and current cultural adaptations This two volume reference is the first international survey of shamanistic beliefs

from prehistory to the present day In nearly 200 detailed readable entries leading ethnographers psychologists archaeologists historians and scholars of religion and folk literature explain the general principles of shamanism as well as the details of widely varied practices What is it like to be a shaman Entries describe region by region the traits such as sicknesses and dreams that mark a person as a shaman as well as the training undertaken by initiates They detail the costumes music rituals artifacts and drugs that shamans use to achieve altered states of consciousness communicate with spirits travel in the spirit world and retrieve souls Unlike most Western books on shamanism which focus narrowly on the individual s experience of healing and trance Shamanism also examines the function of shamanism in society from social political and historical perspectives and identifies the ancient continuous thread that connects shamanistic beliefs and rituals across cultures and millennia
