Horror Culture in the New Millennium Daniel W. Powell, 2018-11-23 Horror Culture in the New Millennium Digital Dissonance and Technohorror explores the myriad ways in which technology is altering the human experience as articulated in horrific storytelling The text surveys a variety of emerging trends and story forms in the field through both a series of critical essays and personal interviews with scholars editors authors and artists now creating and refining horror stories in the new millennium The project posits a rationale for the presence of technohorror as a defining concern in contemporary horror literature marking a departure from the monstrous and spectral traditions of the twentieth century in its depictions of frightful narratives marked by the qualities of plausibility mundanity and surprise as we tell stories about what it means to be human As our culture explores the dichotomies of the born made natural artificial and human computer all while subsumed within a paradigm shift predicated on the transition from the traditions of print to emerging digital communications practices these changes form the basis for horrific speculations in our texts and technologies Ultimately Digital Dissonance Horror Culture in the New Millennium explores that paradoxical human attraction for peering into the darkness as translated through our lived experiences in an era of rapidly evolving technologies

Riding the Tiger, trying not to fall off Stephen Michael Custins, Riding the Tiger trying not to fall off Conscripted into the South African army during Apartheid Hugh Remington finds fertile ground for his natural inclination to trick and exaggerate He quickly scores a bullseye when an unintended action spawns the luckiest of consequences transforming him into a national hero Adored by black and white alike he takes full advantage of his darling status But he goes too far Caught in flagrante delicto during official business he is kicked out of the military and advised to leave the country Banished to London he embarks on a business career that leads to China It is there that things take a turn Framed for the most heinous of crimes

he is forced to flee and through a stroke of luck bags a seat on the underground railroad a secret network that escapes North Korean defectors across China into Laos and finally the haven of Thailand Can he survive and what s more restore his dubious reputation **Riding the Dark Frontier: Tales of the Weird West** Thirteen O'Clock Press,2016-09-08 Legends abound of The American Wild West but many secrets remain The stories in this collection expose The Weird West the tales of monsters astonishing creatures and marvellous phenomenon that have not yet been told Ride the Dark Frontier in this landscape of fantasy and horror where danger and wonder await behind every turn of the trail
