**Serving God and Country** Lyle W. Dorsett, 2013-05-07 In World War II more than twelve thousand Protestant ministers Catholic priests and Jewish rabbis joined the Chaplain Corps They were men of faith under fire And they would charge straight into Hell to save the soul of a single soldier Representing America s three major religious traditions volunteers from across the country enlisted as noncombatant commissioned officers to provide spiritual strength and guidance for those fighting men who never knew if they were going to survive Armed only with Bibles Torahs and the tools of their holy trade these men of God went wherever the troops went They prayed over men about to go into combat on land at sea and in the air And most important and difficult of all they guided fallen fighting men of every faith as they breathed their last and gave up their lives in the fight against tyranny These are the personal stories of some of the bravest and most selfless men who served with the armed forces Many lost their lives or suffered debilitating wounds as they strived to keep the military personnel spiritually awake morally fit and prepared to make the journey from this world to the next without fear or despair and with the trust of the Almighty in their hearts INCLUDES PHOTOGRAPHS History of the Chaplain Corps, United States Navy United States.
