Owens, 2020-09-01 Over the past decade the popularity of cocktails has returned with gusto Amateur and professional mixologists alike have set about recovering not just the craft of the cocktail but also its history philosophy and culture The Shaken and the Stirred features essays written by distillers bartenders and amateur mixologists as well as scholars all examining the so called Cocktail Revival and cocktail culture Why has the cocktail returned with such force Why has the cocktail always acted as a cultural indicator of class race sexuality and politics in both the real and the fictional world Why has the cocktail revival produced a host of professional organizations blogs and conferences devoted to examining and reviving both the drinks and habits of these earlier cultures *P.G. Wodehouse and Hollywood* Brian Taves, 2015-01-24

Beloved British humorist P G Wodehouse produced a wealth of literature in his lengthy career contributing novels short stories plays lyrics and essays to the canon of comic writing His work in film and television included two stints as a screenwriter in Hollywood in the 1930s and his stories have been the basis for more than 150 film and television productions He also wrote 20 stories and essays about Hollywood satirizing the city and its entertainment magnates This book studies P G

Wodehouse's extensive but often overlooked relationship with Tinsel Town. The book is arranged chronologically covering Wodehouse's Hollywood career from his early efforts in silent film to his later contributions in television to his work adapted posthumously for the screen. Radio is covered as well including a discussion of his internment in occupied France and his brief appearances on German radio. Reflecting Wodehouse's international appeal, the book covers Wodehouse films and television in England, Germany, Sweden, and India. Also included are a comprehensive detailed list of Wodehouse's stories and articles about Hollywood and a complete filmography of motion picture and television works to which he contributed or which were based on his stories.

Inimitable Jeeves P. G. Wodehouse, 2024-11-24 Inimitable Jeeves is a semi novel collecting Jeeves stories by P. G. Wodehouse. The novel combined 11 previously published stories of which the first six and the last were split in two to make a book of 18 chapters. It is now often printed in 11 chapters mirroring the original stories. All the stories had previously appeared in The Strand Magazine in the UK between December 1921 and November 1922 except for one Jeeves and the Chump Cyril which had appeared in the Strand in August 1918. That story had appeared in the Saturday Evening Post US in June 1918. All the other stories appeared in Cosmopolitan in the US between December 1921 and December 1922. This was the second collection of Jeeves stories after My Man Jeeves 1919; the next collection would be Carry On Jeeves in 1925. All of the short stories are connected and most of them involve Bertie's friend Bingo Little who is always falling in love.

P.G. Wodehouse: A Portrait of a Master Davida Jasen, 2012-02-02 The definitive and authorized biography of one of the greatest literary humorists of all time first published in 1974 now appears in a revised updated edition.

P.G. Wodehouse in His Own Words Barry Day, Tony Ring, 2012-08-07 This unorthodox biography of the greatest comic writer ever collects Wodehouse's witty and revealing commentary on his own life story. Douglas Adams As creator of memorable comic characters including the immortal Jeeves and Wooster P. G. Wodehouse was one of the most beloved and influential authors of the 20th century. This sparkling volume draws on Wodehouse's autobiographical writings as well as personal letters and interview transcripts to present the author's life story as only he could tell it. Quotations from a literary career spanning more than seventy years are arranged in chapters that move from childhood to school years and on to various preoccupations of the grown man. A linking narrative skillfully supplied by Wodehouse aficionado Barry Day and former President of the International Wodehouse Society Tony Ring ties all the material together. Full of Wodehouse's scintillating wordplay and comedy P. G. Wodehouse in His Own Words is essential reading for any Wodehouse fan.

The Routledge Companion to Literature and Religion Mark Knight, 2016-04-28 This unique and comprehensive volume looks at the study of literature and religion from a contemporary critical perspective. Including discussion of global literature and world religions this Companion looks at key moments in the story of religion and literary studies from Matthew Arnold through to the impact of 9/11. A variety of theoretical approaches to the study of religion and literature. Different ways that religion and literature are connected from overtly religious writing to subtle religious readings. Analysis of key sacred texts.

and the way they have been studied re written and questioned by literature Political implications of work on religion and literature Thoroughly introduced and contextualised this volume is an engaging introduction to this huge and complex field

Triggered Literature John Sutherland, 2023-10-05 Amid the flames of the culture wars politicians have taken up arms over controls on literary culture spurred on in part by universities triggering canonical texts Jonathan Swift's *Battle of the Books* has flared up again But is triggering utter wokery or responsible pedagogic practice Through dozens of case studies of triggered works from *Romeo and Juliet* to *Gender Queer* John Sutherland explores the recent phenomenon of triggering and its consequences for university English departments and literature itself He maintains that what is routinely overlooked in the heat of polemic is that triggering is categorically different from traditional institutional religious educational dictatorial controls on literature Triggering is in essence an alert Done responsibly it does not erase or meddle it stimulates curiosity and thought It honours the fact that great literature is great because it is as Franz Kafka says powerful In this characteristically nuanced and calmly objective study the witty literary critic guides us through the increasingly rocky terrain of triggering His advice rings clear literature matters to us and what we make of our world and it must be handled with critical care

11th Conference on British and American Studies Marinela Burada, Raluca Sinu, Oana Tatu, 2015-01-12 The present volume includes a selection of twenty nine papers by academics and senior and junior researchers who came together within the framework of the 11th Conference on British and American Studies Structured into three sections the contributions included here display a wide array of topics and methodologies illustrating a variety of scholarly pursuits and approaches These in their turn reflect the issues which constitute the complex nature of language and culture and their mutual relationship The authors interests encompass aspects related to the structural and rhetorical organization of languages approached both individually and cross linguistically first and second language acquisition issues of translation and rendering considered from linguistic and cultural perspectives and the cultural construction of meaning and identity as reflected in literature and art

Parody Margaret A. Rose, 1993-09-09 In this definitive work Margaret Rose presents an analysis and history of theories and uses of parody from ancient to contemporary times and offers a new approach to the analysis and classification of modern late modern and post modern theories of the subject The author's *Parody Meta Fiction* 1979 was influential in broadening awareness of parody as a double coded device which could be used for more than mere ridicule In the present study she both expands and revises the introductory section of her 1979 text and adds substantial new sections on modern and post modern theories and uses of parody and pastiche which also discuss the work of theorists and writers including the Russian formalists Mikhail Bakhtin Hans Robert Jauss Wolfgang Iser Julia Kristeva Roland Barthes Michel Foucault Jacques Derrida Ihab Hassan Jean Baudrillard Fredric Jameson A S Byatt Martin Amis Charles Jencks Umberto Eco David Lodge Malcolm Bradbury and others
