historic struggle for social justice in America Events have a permanent effect on characters like the white girl in Spring Is Now who must sort through her feelings about the only black boy in her school or the black preacher in The Convert who tells a friend This thing of being a man The Supreme Court can t make you a man The NAACP can t do it God Almighty can do a lot but even He can t do it Ain t nobody can do it but you If a character survives and some do not the event can become a turning point a vision for a better world The sections into which the stories are grouped parallel the news headlines of the day School Desegregation 1954 on Sit ins 1960 on Marches and Demonstrations 1963 on and Acts of Violence In the last section Retrospective characters look back on their personal involvement with the movement Twenty writers eleven black and nine white are represented in the collection Ten stories were written during the 1960s That the others were written long after the movement s heyday suggests the potency of that time as a continuing source of creative inspiration **Stories**
