Doing the Right Thing Aaron Hass,2002-05-31 Psychologist Aaron Hass takes readers on a voyage of discovery in this thoughtful inspiring and insightful examination of people s moral identity in an ever changing world **Right Thing, Right Now** Ryan Holiday,2024-06-11 In his New York Times bestselling book Discipline Is Destiny Ryan Holiday made the Stoic case for a life of self discipline In this much anticipated third installment in the Stoic Virtues series he argues for the necessity of doing what s right even when it isn t easy For the ancients everything worth pursuing in life flowed from a strong sense of justice or one s commitment to doing the right thing no matter how difficult In order to be courageous wise and self disciplined one must begin with justice The influence of the modern world often tells us that acting justly is optional Holiday argues that that s simply untrue and the fact that so few people today have the strength to stand by their convictions explains much about why we re so unhappy In Right Thing Right Now Holiday draws on fascinating stories of historical figures such as Marcus Aurelius Florence Nightingale Jimmy Carter Gandhi and Frederick Douglass whose examples of kindness honesty integrity and loyalty we can emulate as pillars of upright living Through the lives of these role models readers learn the transformational power of living by a moral code and through the cautionary tales of unjust leaders the consequences of an ill formed conscience The Stoics never claimed that living justly was easy only that it was necessary And that the alternative sacrificing our principles for something lesser was considered only by cowards and fools Right Thing Right Now is a powerful antidote to the moral failures of our modern age and a manual for living virtuously **The Morality of Happiness** Julia Annas,1993-08-19 Ancient ethical theories based on the notions of virtue and happiness have struck many as an attractive alternative to modern theories But we cannot find out whether this is true until we understand ancient ethics and to do this we need to examine the basic structure of ancient ethical theory not just the details of one or two theories In this book Annas brings together the results of a wide ranging study of ancient ethical philosophy and presents it in a way that is easily accessible to anyone with an interest in ancient or modern ethics She examines the fundamental

notions of happiness and virtue the role of nature in ethical justification and the relation between concern for self and concern for others Her careful examination of the ancient debates and arguments shows that many widespread assumptions about ancient ethics are quite mistaken Ancient ethical theories are not egoistic and do not depend for their acceptance on metaphysical theories of a teleological kind Most centrally they are recognizably theories of morality and the ancient disputes about the place of virtue in happiness can be seen as akin to modern disputes about the demands of morality *The Servile Mind* Kenneth R. Minogue,2010 This is a work of meticulous logic and vast erudition It provides an invaluable resource for anyone who has wondered why European elites embarked upon their disastrous cultural revolution in pursuit of abstract internationalist idealism destroying in the process their intellectual and cultural heritage David Martin Jones Associate Professor Political Science and International Studies University of Queensland Brisbane Australia *The Right Thing* Scott Waddle,2003-02-26 When a U S nuclear submarine collided with a Japanese fishing vessel in the spring of 2001 the story made national headlines Navy Commander Scott Waddle former captain of the U S S Greeneville was at the center of the controversy This is the first hand never before published account of that fatal moment and the heart breaking avalanche of events that followed *Workplace Wisdom* Gavin Rouble,Ted Mouradian,2016-10-21 In today s workplaces one thing more than any other unites employees Everyone has a story For most these stories involve a difficult person or unpleasant situation at work such as an abusive boss a deceitful coworker or an offensive colleague Over time people continue to hold on to these stories because the conflict at the heart of their story remains unresolved because they feel they have been wronged This book examines many such stories and applies an innovative common sense approach to resolving them You will learn that by embracing 6 easy to understand principles anyone can neutralize the source of the difficulties they encounter at work and home so that they are able to let go of their stories and move on *Workplace Wisdom An Uncommon Common Sense Approach To Creating Amazing Workplace Relationships* explains how we can all significantly improve the quality of our professional and personal relationships simply by changing how we see the people and the world around us *Balanced Scorecard Strategy For Dummies* Charles Hannabarger,Frederick Buchman,Peter Economy,2011-02-09 A practical easy to understand guide to Balanced Scorecard for busy business leaders The Balanced Scorecard method is an analysis technique designed to translate an organization s mission and vision statement and overall business strategies into specific quantifiable goals and to monitor the organization s performance in achieving these goals Much less technology driven than other analysis approaches it analyzes an organization s overall performance in four regards financial analysis customer service productivity and internal analysis and employee growth and satisfaction *Balanced Scorecard Strategy For Dummies* breaks down the basics of Balanced Scorecard in simple language with practical Dummies style guidance on getting it done This book covers all the basics of Balanced Scorecard for busy executives and managers and does it without the high price tag of most professional level Balanced Scorecard guides **This Is Ethics** Jussi Suikkanen,2014-06-10 This is Ethics presents an accessible and
