Right And Wrong:

Right/Wrong Juan Enriquez, 2020-10-13 From the TED stage to the page Juan Enriquez author of *As the Future Catches You and Evolving Ourselves* presents a lively and engaging guide to ethics in a technological age Most people have a strong sense of right and wrong and many of us are not reluctant to argue with someone who disagrees But when we take an unyielding stand on something we regard as an eternal truth we forget that ethics evolve over time What was once broadly acceptable is now completely unacceptable For example burning heretics is no longer considered a just punishment Child marriage is not applauded as a family value Many shifts in the right vs wrong pendulum are affected by advances in technology In *Right Wrong* Juan Enriquez reflects on the evolution of ethics in a technological age *The right and wrong of compulsion by the State. Repr., with alterations from The Newcastle weekly chronicle* Auberon Edward W.M. Herbert (hon.), 1885

master and a necessary point of reference for rereading in this fresh and comprehensive perspective the Common Doctor of Catholic theology St Thomas Aquinas Msgr Livio Melina President and Professor of Moral Theology Pontifical John Paul II Institute for Studies on Marriage and Family Rome Murphy introduces Rhonheimer to Anglo American ethicists by way of judicious samples of his work astutely contextualized for ethicists of all persuasions The key to the work lies in articulating a virtue centered conception of morality from the first person perspective of the acting person who perceives goods to be pursued and acts freely through reason and will By reading Aristotle and Aquinas in critical engagement with prevailing ethical stances underlying conundrums of ethics classical and modern emerge into clearer light David B Burrell C S C Hesburgh Professor Emeritus of Philosophy and Theology University of Notre Dame Rhonheimer has taken his place as one of the more significant moralists writing in the post conciliar period His reasoning reflecting closely the rationale of the decisive paragraph 78 of Veritatis Splendor avoids weaknesses that characterize both the neo Thomistic manualists of the first half of the 20th century and more recent revisionists Murphy has done a great service

Moral Disagreement Rach Cosker-Rowland, 2020-11-25 Widespread moral disagreement raises ethical epistemological political and metaethical questions Is the best explanation of our widespread moral disagreements that there are no objective moral facts and that moral relativism is correct Or should we think that just as there is widespread disagreement about whether we have free will but there is still an objective fact about whether we have it similarly moral disagreement has no bearing on whether morality is objective More practically is it arrogant to stick to our guns in the face of moral disagreement Must we suspend belief about the morality of controversial actions such as eating meat and having an abortion And does moral disagreement affect the laws that we should have For instance does disagreement about the justice of heavily redistributive taxation affect whether such taxation is legitimate In this thorough and clearly written introduction to moral disagreement and its philosophical and practical implications Rach Cosker Rowland examines and assesses the following topics and questions How does moral disagreement affect what we should do and believe in our day to day lives Epistemic peerhood and moral disagreements with our epistemic peers Metaethics and moral disagreement Relativism moral objectivity moral realism and non cognitivism Moral disagreement and normative ethics Liberalism democracy and disagreement Moral compromise Moral uncertainty Combining clear philosophical analysis with summaries of the latest research and suggestions for further reading Moral Disagreement is ideal for students of ethics metaethics political philosophy and philosophical topics that are closely related such as relativism and scepticism It will also be of interest to those in related disciplines such as ethics and public policy and philosophy of law
