Right from the Start Selma Betty Greenberg, 1978 A totally new approach to bringing up children free of the stereotypes that limit their development Practical advice on discipline toys learning language play clothing and other day to day occurrences in the lives of children and parents *Right from the Start* Selma Greenberg, 1979 Examines child rearing from a feminist perspective identifies the negative effects of sex role patterning and helps women guard against inadvertently transmitting sexism to their children **Right from the Start** Selma Betty Greenberg, 1978 *Gender Equity Right from the Start: Sources and resources for education students in mathematics, science, and technology* Jo Shuchat Sanders, 1997

Gender Equity Sources and Resources for Education Students Jo Sanders, Janice Koch, Josephine Urso, 2013-12-16 What makes girls avoid math science and technology in school And what can teacher educators do to help new teachers keep this from happening so that all of our children's talents can find expression These two volumes provide teaching materials and background information on gender equity for teacher educators in mathematics science and technology education and their students A practical guide *Gender Equity Right from the Start* is usable by professors of education for preservice teachers and by staff developers for in service teachers By adapting the material for other subjects it can also be used by teacher educators in content areas other than math science and technology It consists of two volumes *Instructional Activities for Teacher Educators in Mathematics Science and Technology* contains some 200 teaching activities on the major issues in gender equity emphasizing solutions and not just problems Activities take place in out of class assignments and field experiences whenever possible to minimize demands on class time *Sources and Resources for Education Students in Mathematics Science and Technology* contains student materials needed for the activities as well as extensive print electronic organizational and other resources for further information **The Liminal Chrysalis: Imagining**

Reproduction and Parenting Futures Beyond the Binary A.J. Lowik, H. Kori Doty, 2021-12-24 *The Liminal Chrysalis* Imagining Reproduction and Parenting Futures Beyond the Binary is an edited collection that works to identify and deconstruct many of the countless binaries that operate within the realms of parenting and reproduction Weaving poetry speculative fiction and autobiography with interviews critical analysis and research the authors take as their starting place that there is magical potential and possibility in the ambiguous disorienting spaces of the in between and the beyond The collection challenges the constructedness of binaries connected to sex gender sexuality and parenting roles as well as the cis hetero repro trans and amatonormativities which pervasively circulate and inform how we think about parenting and reproductive life The collection amplifies the voices of non binary authors among others and tells stories of menstruation pregnancy abortion assisted reproductive technologies fertility preservation parenthood and activism in the face of violent binaries and reproductive injustices **Beyond Pictures and Pronouns** Myra Sadker, 1979 **Shrinking Violets and Caspar Milquetoasts** Patricia McDaniel, 2003-11 Since World War II Americans attitudes towards shyness have changed

The women's movement and the sexual revolution raised questions about communication self expression intimacy and personality leading to new concerns about shyness At the same time the growth of psychotherapy and the mental health industry brought shyness to the attention of professionals who began to regard it as an illness in need of a cure But what is shyness How is it related to gender race and class identities And what does its stigmatization say about our culture In *Shrinking Violets* and *Caspar Milquetoasts* Patricia McDaniel tells the story of shyness Using popular self help books and magazine articles she shows how prevailing attitudes toward shyness frequently work to disempower women She draws on evidence as diverse as 1950s views of shyness as a womanly virtue to contemporary views of shyness as a barrier to intimacy to highlight how cultural standards governing shyness reproduce and maintain power differences between and among women and men
