TOYBOYS Larissa Steel, 2018-11-13 Dating in the 21st century Strap YOU to baby it s getting hot What exactly does a woman want a real woman *Red Iron Nights* Glen Cook, 1991-09-01 Blood soaked blades have been taking their toll among the luscious lovelies in Garrett s home city of TunFaire And though Garrett can be as civic minded as the next guy unless the next guy is Captain Block of the Watch the private eye isn t sure he really wants to take on a serial killer psycho who does too good a carving job and never leaves any of the blood behind Still having Block pay him for his services with lots of ill gotten government funds and having his own partner the Dead Man strenuously urge him to take the case prove an irresistible combination for Garrett And so he begins a search that would take him from the lowest slums to the highest estates from confrontations with magic spitting enemies to run ins with the king of crime s wayward daughter to a final encounter with an ancient evil that has once again been loosed on his unsuspecting town *Beast to Beauty* Alyson Belle, The most savage beast makes for the most delicate beauty Prince Edward s peculiar carnal desires are known far and wide throughout his kingdom and the women of the nearby village live in fear that he may choose them next to join him in his castle for a night of unbridled passion But when a goddess appears on his doorstep to punish him for his cruel ways Edward s days of being the strong savage conqueror in his bedroom are over Now cursed to reside in the delicate body of exactly the type of young woman he would have once used for his entertainment Edward must show that he has learned from his past mistakes With the help of his beautiful maidservant Jessica and a strapping young man from the village named Hans he sets out to experience life on the feminine side as Lady Bella and the two of them show him how to have more fun with his new body than he ever could have imagined having as a man But time grows short when the last petal falls from a magic rose gifted to him by the goddess if he has not yet proven that he is a changed man he may be stuck as the lovely Bella forever Can he break the curse in time or will he be trapped in the form of a young helpless woman for the rest of his living days *A Playmate for Brandi* Margaret Seiders-Metz, 2017-02-16 This is a true story about the antics my dogs have put us through Some were laughable while others were unbelievable I had many dogs but never two like Brandi and Muffin I wondered if they maybe were possessed with the things that occurred No one would believe me if I told them what they did but I saw it with my own eyes How two beautiful looking dogs get into so much trouble is beyond me Being mistreated and put up for adoption we fell in love with them but were we ever fooled because they were not the little angels that we thought they were but devils in disguise *Scribner's Monthly* Josiah Gilbert Holland, Richard Watson Gilder, 1917 **Full Figured 17** Brandie Davis, Niko Michelle, 2022-09-27 Big girls deserve love too and Brandie Davis and Niko Michelle introduce readers to two women who are determined to get it Cam Girl by Brandie Davis Lots of women weighing 300 pounds would have a problem with their size and wish for a smaller frame but not Draya Phillips She s content with her weight and has no issues with her outside appearance It s the inside she s at war with Her mind is her biggest enemy and emotions her personal bully

Draya's only place of refuge where her depression is silenced lies in the world of camming where virtual viewers cheer on and instruct her sexual activities. This is her life: artist by day and cam girl by night until her heart betrays her and seeks interest in a man it won't let go of. Draya's inner self is finally evolving and learning life is not all black shadows. Now that she's learned this lesson, can her new lover accept all she comes with: camming and all Red Flags by Niko Michelle. We all have a little love-induced crazy in us. So it's no surprise Redarra Michaels' crazy is exposed when she catches the love of her life, popular college football standout Taylor Lawrence, in a prone position off the field. Redarra was warned: fluffy girls like her could never get and keep a guy like Taylor. All the flags were there, but big girls deserve love too, so she thought those flags couldn't have been waving at her. Well, they were, which causes Redarra to lose touch with reality temporarily. Now free, Redarra has dropped a few pounds and a few letters in her name: Red is curvy, dangerous, and on a mission for revenge. It's not her fault; everyone overlooked her red flags.

Rose Macleod Alice Brown, 2022-12-13 Rose Macleod follows the relationship between grandmother and granddaughter Madam Fulton and Electra. Madam Fulton, a writer, receives acclaim for her writing but won't pursue it further much to her granddaughter's annoyance. While granny chooses not to pursue a writing career, Electra navigates relationships and begins to work apart from her beloved grandmother. Alice Brown is an American novelist and short story writer. She is best known for her tales about New England and as a writer of local colour stories. Born in New Hampshire in 1857, Brown's stories often portray a female protagonist in a domestic setting. Her first novel, *Stratford by the Sea*, was published in 1884. It cemented Brown as part of the Boston literary scene, but by the time she died in 1948, aged 91, many of her stories had been forgotten about and were no longer being published.

Aurora the Magnificent Gertrude Hall Brownell, 2022-07-20 In *Aurora the Magnificent*, Gertrude Hall Brownell weaves a narrative resplendent with the cultural vibrancy and historical nuances of early 20th-century Florence, Italy. The protagonist, Mr. Foss, a United States consul, embarks on a journey that transcends the mere physical perambulations in the picturesque environs of Florence. Brownell's prose masterfully captures the consul's intellectual and emotional forays as his desire to pen a book grows amidst the lush backdrop of Florentine hills and the compelling presence of Michelangelo's works. The evocative descriptions and the interplay between the landscape and Foss's aspirations lend the novel a literary style that is both reflective and richly descriptive, placing it within the tradition of novels that explore the intersection of place, creativity, and personal growth. Gertrude Hall Brownell throughout her career demonstrated a keen sensitivity to the aesthetic and historical dimensions of locale, which is palpable in *Aurora the Magnificent*. It is plausible that her own experiences and observations as a well-traveled individual and a lover of the arts have deeply informed the narrative. Brownell's ability to create characters like Mr. Foss who find in their surroundings both muse and challenge suggests an intimate knowledge of the transformative power that a deep engagement with culture and heritage can wield on the human spirit. *Aurora the Magnificent* is recommended for readers who cherish novels that offer a tapestry of introspection, a portal into bygone eras.

and a celebration of humanistic pursuits against the tableau of the world's great cities Brownell's eloquent articulation of her protagonist's journey toward self-realization and artistic expression invites engagement with universal themes of aspiration and the search for beauty within life's constraints This book is especially suited for those who have ever felt the stirring of creativity within themselves inspired by the world's enduring monuments and the subtle yet powerful narratives they embody
