Righteous Riches The Word Of Faith Movement In Contemporary African American Religion

Katie G. Cannon, Anthony B. Pinn

Righteous Riches The Word Of Faith Movement In Contemporary African American Religion:

Righteous Riches Milmon F. Harrison,2005 The author examines the Word of Faith movement an American non denominational movement that preaches the so called health wealth gospel In particular the study focuses on the response to the movement from the African American community

Righteous Riches Milmon F. Harrison,2005-03-03 The author examines the Word of Faith movement an American non denominational movement that preaches the so called health wealth gospel In particular the study focuses on the response to the movement from the African American community

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar,2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden s authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and Eden s perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism

JESUS Inc. : Deprogramming from the Word of Faith Movement T. Dexter Collingsworth,2010-10-17 T Dexter Collingsworth s Jesus Inc Deprogramming from the Word of Faith Movement documents the events that led a Word of Faith Church Deacon from the movement to a place of healing It is a certainty that there are good preachers pastors and churches to be found I believe I may be accurate when I say that for every good one there are probably ten churches where the dollar reigns supreme I am sure most believers don t own the type of homes or automobiles or jet planes that these preachers do and they call milking the poor for money they can t afford a love offering but I never have seen a single scripture where Jesus had His hand out for a love offering before He would heal someone not afterward either Man has placed himself on the throne of God and frankly I am incredibly perplexed that He puts up with this Maybe He knows some of these false prophets will repent and return to righteousness Maybe this book will help

Word of Faith Preachers Joseph T. . Bachota Jr,2010-06-16 Have you ever wondered about the correctness of the messages and teachings of preachers behind the pulpits and on TV today Who holds them accountable for explanations and outlines of the truth Who questions them or anything they say With sound biblical exegesis this book challenges you to keep an open mind and determine for yourself what is true or false As an ordained Word of Faith preacher Joe Bachota has firsthand knowledge of the doctrines being preached Word of Faith Preachers isnt meant to be an exhaustive discussion of every doctrinal position taken by the movement Instead it explores a few of the major heresies the Word of Faith churches are teaching with the goal

of preventing you from being led astray if you are exposed to them Even though Bachota once believed preached and taught most of these doctrines the Lord has led him in another direction opening his eyes to the heresies contained in some of the Word of Faith doctrine Hopefully this book will lead you in the same way and enable you to come to the same conclusion he did the teachings of many churches today particularly Word of Faith churches are completely out of touch with sound biblical doctrine *The Journey and Promise of African American Preaching* Kenyatta R. Gilbert,2011-04-01 The Journey and Promise of African American Preaching is a constructive effort to examine the historical contributions of African American preaching the challenges it faces today and how it might become a renewed source of healing and strength for at risk communities and churches from publisher description *The Commercial Church* Mary Hinton,2011-05-19 In this new book on the rise of commercial black mega churches Mary Hinton examines the rich legacy of the historic black church from the dual perspectives of theology and religious education She explores the new religious models emerging from the tradition of the historic black church and questions whether they are continuing to operate and practice according to the wisdom of this unique form of American religion Two mega church ministries those of T D Jakes and Creflo Dollar are examined in detail with regards to how they align with black church religious history Hinton concludes by proposing that the fastest growing religious phenomenon within and outside of the black community in the United States the mega church should no longer be analyzed based on size alone Instead Hinton urges readers to consider the ecclesiastical structures of churches in making appropriate assessments in determining should and should not be classified as a commercial church *"Brand® New Theology* McGee, Paula L.,2017-03-16 McGee critiques the popular Health Wealth message so prominently targeted especially to black Christian women She examines the preaching and writing of T D Jakes as the most representative of a new phenomenon the New Black Church a new form of prosperity gospel that signifies what she calls the Wal Martization of religion **Prosperity Gospel?** Christopher Anthony,2025-08-21 This book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles Uncovering new sources the author presents a constructive theology of the Word of Faith movement offering a deeper and more precise understanding of its development and function Combining historical and theological methodologies this work makes a significant contribution to the field shedding light on previously unexplored historical roots of Word of Faith theology and revealing their profound theological implications This title is a valuable resource for scholars and practitioners alike especially those interested in the world of Faith theology and its impact on contemporary religious thought *Global Pentecostal and Charismatic Healing* Candy Gunther Brown,2011-02-24 Pentecostal and Charismatic Christianity is a global phenomenon that comprises a quarter of the world s two billion Christians and is growing rapidly This volume reveals that the primary appeal of pentecostalism worldwide is as a religion of healing Contrary to popular stereotypes of flamboyant fraudulent anti medical faith healing televangelists who preach a materialistic health and wealth

gospel handle serpents or sensationally exorcize demons this book offers a more nuanced portrait The collected essays illumine local variations hybridities and tensions in practices on six continents and depict the extent of human suffering and powerlessness experienced by people everywhere and the attractiveness to many of a global religious movement that promises material relief by invoking spiritual resources This is the first book of its kind Achieving the twin goals of thick description and comparative analysis of global practices is best achieved by bringing area experts into conversation This volume s distinguished international team of contributors includes sociologists anthropologists historians political scientists theologians and religious studies scholars from North America Europe and Africa Read together these essays set the agenda for a new program of scholarly inquiry into some of the largest forces of change at work in the world today globalization pentecostalism and healing each of which is extremely powerful in itself and which together are reshaping our world in vastly significant ways

A Short History of Global Evangelicalism Mark Hutchinson, John Wolffe, 2012-04-30 An overview of the history of evangelicalism as a global movement from its origins in the eighteenth century to the present

The Divided Mind of the Black Church Raphael G Warnock, 2013-12-06 An altar call to action from the U S senator and senior pastor at Atlanta s Ebenezer Baptist Church Publishers Weekly What is the true nature and mission of the church Is its proper Christian purpose to save souls or to transform the social order This question is especially fraught when the church is one built by an enslaved people and formed from its beginning at the center of an oppressed community s fight for personhood and freedom Such is the central tension in the identity and mission of the Black church in the United States For decades the Black church and Black theology have held each other at arm s length Black theology has emphasized the role of Christian faith in addressing racism and other forms of oppression arguing that Jesus urged his disciples to seek the freedom of all peoples Meanwhile the Black church even when focused on social concerns has often emphasized personal piety rather than social protest With the rising influence of white evangelicalism biblical fundamentalism and the prosperity gospel the divide has become even more pronounced This book traces the historical significance of the rise and development of Black theology as an important conversation partner for the Black church Calling for honest dialogue between Black and womanist theologians and Black pastors this fresh theological treatment demands a new look at the church s essential mission An informative work for historians theologians and humanities scholars interested in debating what the Black Church needs to be doing in the 21st century Journal of African American History As a person who is not Black reading this book provided a learning experience for me I could also see this book serving as a way to spark discussion involving all ethnic groups as to how we can all as fellow Christians blend the goals of saving lost people and moving the culture toward equality for everyone

Ministry Well written and meticulously researched The Christian Century

A Darkly Radiant Vision Gary Dorrien, 2023-07-25 The third and final volume in the first comprehensive history of Black social Christianity by the greatest theological ethicist of the twenty first century Michael Eric Dyson The Black social gospel is a tradition of unsurpassed and

ongoing importance in American life argues Gary Dorrien in his groundbreaking trilogy on the history of Black social Christianity This concluding volume an interpretation of the tradition since the early 1970s follows Dorrien s award winning *The New Abolition* W E B Du Bois and the Black Social Gospel and *Breaking White Supremacy* Martin Luther King Jr and the Black Social Gospel Beginning in the shadow of Martin Luther King Jr Dorrien examines the past fifty years of this intellectual and activist tradition interpreting its politics theology ethics social criticism and social justice organizing He argues that Black social Christianity is today an intersectional tradition of discourse and activist religion that interrelates liberation theology womanist theology antiracist politics LGBTQ theory cultural criticism progressive religion broad based interfaith organizing and global solidarity politics *A Darkly Radiant Vision* features in depth discussions of Andrew Young Jesse Jackson Samuel DeWitt Proctor Gayraud Wilmore James Cone Cornel West Katie Geneva Cannon Stacey Floyd Thomas Traci Blackmon William J Barber II Raphael G Warnock and many others *The Oxford Handbook of African American Theology* Katie G. Cannon,Anthony B. Pinn,2014 The Oxford Handbook of African American Theology brings together leading scholars in the field to present a critical and comprehensive analysis of African American Theology in its many forms and contexts providing an interdisciplinary examination of the nature content and meaning of this form of theology Religion in Sociological Perspective Keith A. Roberts,David Yamane,2020-07-15 Religion in Sociological Perspective introduces students to the systems of meaning structure and belonging that make up the complex social phenomena we know as religion Authors Keith A Roberts and David Yamane use an active learning approach to illustrate the central theories and methods of research in the sociology of religion and show students how to apply these analytical tools to new groups they encounter Handbook of Religion and Society David Yamane,2016-07-15 The Handbook of Religion and Society is the most comprehensive and up to date treatment of a vital force in the world today It is an indispensable resource for scholars students policy makers and other professionals seeking to understand the role of religion in society This includes both the social forces that shape religion and the social consequences of religion This handbook captures the breadth and depth of contemporary work in the field and shows readers important future directions for scholarship Among the emerging topics covered in the handbook are biological functioning organizational innovation digital religion spirituality atheism and transnationalism The relationship of religion to other significant social institutions like work and entrepreneurship science and sport is also analyzed Specific attention is paid where appropriate to international issues as well as to race class sexuality and gender differences This handbook includes 27 chapters by a distinguished diverse and international collection of experts organized into 6 major sections religion and social institutions religious organization family life course and individual change difference and inequality political and legal processes and globalization and transnationalism Critical Perspectives on Interreligious Education ,2020-03-31 The editors of Experiments in Empathy Critical Reflections on Interreligious Education have assembled a volume that spans multiple religious traditions and offers innovative methods for

teaching and designing interreligious learning This groundbreaking text includes established interreligious educators and emerging scholars who expand the vision of this field to include critical studies decolonial approaches and exciting pedagogical developments The book includes voices that are often left out of other comparative theology or interreligious education texts Scholars from evangelical Muslim Catholic Protestant Jewish religiously hybrid and other background enrich the existing models for interreligious classrooms The book is particularly relevant at a time when religion is so often harnessed for division and hatred By examining the roots of racism xenophobia sexism and their interaction with religion that contribute to inequity the volume offers real world educational interventions The content is in high demand as are the authors who contributed to the volume Contributors are Scott Alexander Judith A Berling Monica A Coleman Reuven Firestone Christine Hong Jennifer Howe Peace Munir Jiwa Nancy Fuchs Kreimer Tony Ritchie Rachel Mikva John Thatanamil Timur Yuskaev

The Routledge Handbook of Pentecostal Theology Wolfgang Vondey, 2020-03-31 Research on Pentecostal and Charismatic Christianity has increased dramatically in recent decades and a diverse array of disciplines have begun to address a range of elements of these movements Yet there exists very little understanding of Pentecostal theology and it is not uncommon to encounter stereotypes and misperceptions Addressing this gap in current research The Routledge Handbook of Pentecostal Theology is an exceptional reference source to the key topics challenges and debates in this growing field of study and is the first collection of its kind to offer a comprehensive presentation and critical discussion of this subject Comprising over forty chapters written by a team of international contributors the Handbook is divided into five parts Contextualizing Pentecostal Theology Sources Theological Method Doctrines and Practices Conversations and Challenges These sections take the reader through a comprehensive introduction to what Pentecostals believe and how they practice their faith Looking at issues such as the core teachings of Pentecostalism concerning Spirit baptism divine healing or eschatology unique practices such as spiritual warfare and worship and less discussed issues such as social justice and gender each chapter builds towards a nuanced and global picture of the theology of the Pentecostal movement The Routledge Handbook of Pentecostal Theology is essential reading for students and researchers in Pentecostal Studies World Christianity and Theology as well as scholars working in contemporary Religious Studies

The Spirit of Praise Monique M. Ingalls, Amos Yong, 2015-06-18 In The Spirit of Praise Monique Ingalls and Amos Yong bring together a multidisciplinary scholarly exploration of music and worship in global pentecostal charismatic Christianity at the beginning of the twenty first century The Spirit of Praise contends that gaining a full understanding of this influential religious movement requires close listening to its songs and careful attention to its patterns of worship The essays in this volume place ethnomusicological theological historical and sociological perspectives into dialogue By engaging with these disciplines and exploring themes of interconnection interface and identity within musical and ritual practices the essays illuminate larger social processes such as globalization sacralization and secularization as well as the role of religion in social and cultural change Aside from the

editors the contributors are Peter Althouse Will Boone Mark Evans Ryan R Gladwin Birgitta J Johnson Jean Ngoya Kidula Miranda Klaver Andrew Mall Kimberly Jenkins Marshall Andrew M McCoy Martijn Oosterbaan Dave Perkins Wen Reagan Tanya Riches Michael Webb and Michael Wilkinson **Humanism** Anthony B. Pinn, 2015-08-27 Who are the Nones What does humanism say about race religion and popular culture How do race religion and popular culture inform and affect humanism The demographics of the United States are changing marked most profoundly by the religiously unaffiliated or what we have to come to call the Nones Spread across generations in the United States this group encompasses a wide range of philosophical and ideological perspectives from some in line with various forms of theism to those who are atheistic and all sorts of combinations in between Similar changes to demographics are taking place in Europe and elsewhere Humanism Essays on Race Religion and Popular Culture provides a much needed humanities based analysis and description of humanism in relation to these cultural markers Whereas most existing analysis attempts to explain humanism through the natural and social sciences the what of life Anthony B Pinn explores humanism in relation to how life is arranged socialized ritualized and framed This ground breaking publication brings together old and new essays on a wide range of topics and themes from the African American experience to the development of humanist churches and the lyrics of Jay Z
