Asylum Policy, Boat People and Political Discourse Irial Glynn, 2016-06-11 This book compares the policies of Australia and Italy towards boat people who have arrived in the two countries since the early 1990s While the regular and varied inflow of immigrants arriving at national airports ferry terminals and train stations is seldom witnessed by the public the arrival of boat people is often played out in the media and consequently attracts disproportionate political and public attention Both Australia and Italy faced similar dilemmas but the nature of political debate on the issue the types of strategies introduced and the effects that policy changes had on boat people diverged considerably This book argues that contrasting migration path dependencies disparate political values within the Left and varying international obligations best explain the different approaches taken by the two countries to boat people      **Ubiquitous Citizens of Europe** Oxana Golyunker, 2006 Focuses on economically active persons resident in one country while working in another which traditionally embraced frontier and posted workers but nowadays takes new forms Outlines the correlations between citizenship bona fide residence labour migration and socio economic rights of partial migrants in the European Union with particular reference to Union citizenship and examines problems associated with rights in the areas of social security taxation and housing Scrutinizes the latest case law of the European Court of Justice      **Aftermath** Daniel Kanstroom, 2012-06-07 Since 1996

when new harsher deportation laws went into effect the United States has deported millions of noncitizens back to their countries of origin While the rights of immigrants with or without legal status as well as the appropriate pathway to legal status are the subject of much debate hardly any attention has been paid to what actually happens to deportees once they pass beyond our aid In fact we have fostered a new diaspora of deportees many of whom are alone and isolated with strong ties to their former communities in the United States Daniel Kanstroom author of the authoritative history of deportation *Deportation Nation* turns his attention here to the current deportation system of the United States and especially deportation s aftermath the actual effects on individuals families U S communities and the countries that must process and repatriate ever increasing numbers of U S deportees Few know that once deportees have been expelled to places like Guatemala Cambodia Haiti and El Salvador many face severe hardship persecution and in extreme instances even death Addressing a wide range of political social and legal issues Kanstroom considers whether our deportation system works in any meaningful

sense He also asks a number of under examined legal and philosophical questions What is the relationship between the rule of law and the border Where do rights begin and end Do or should deportees ever have a right to return After demonstrating that deportation in the U S remains an anachronistic ad hoc legally questionable affair the book concludes with specific reform proposals for a more humane and rational deportation system      **Latinos and Citizenship** S.
