Riots And Pogroms:

Riots and Pogroms Paul R. Brass, 2016-07-27 *Riots and Pogroms* presents comparative studies of riots and pogroms in the twentieth century in Russia Germany Israel India and the United States with a comparative historical and analytical introduction by the editor The focus of the book is on the interpretive process which follows after the occurrence of riots and pogroms rather than on the search for their causes The concern of the editor and contributors is with the struggle for control over the meaning of riotous events for the right to represent them properly

Riots and Pogroms Paul R. Brass, 1996-10 During the Los Angeles riots of 1992 many Korean American businesses were looted and burned to the ground Although nearly half of the looters arrested were Latinos the media portrayed this aspect of the riots more in terms of the on going conflicts between Korean Americans and African Americans In another part of the world in 1984 the violence which ensued after the assassination of India's Indira Gandhi was portrayed by officials and state leaders as a spilling over of mass sentiments of grief and anger a conflict between ethnic groups instead of a pogrom against the Sikhs

Riots and Pogroms presents comparative studies of public violence in the twentieth century in the United States Russia Germany Israel and India with a comparative historical and analytical introduction by the editor The focus of the book is on the interpretive process which follows riots and pogroms rather than on the search for their causes Its emphasis is on the struggle for control over the meaning of riotous events for the right to represent them properly How do political and social forces seek to assign causes and attach labels to riots attribute motives to rioters and pogromists and explain why particular groups are selected for violent assaults To what extent are the state and its agents implicated in those assaults To what degree does organization and or spontaneity play a role in these incidents

International Handbook of Violence Research Wilhelm Heitmeyer, John Hagan, 2005-08-12 An international manual is like a world cruise a once in a lifetime experience All the more reason to consider carefully whether it is necessary This can hardly be the case if previous research in the selected field has already been the subject of an earlier review or even several competing surveys On the other hand more thorough study is necessary if the intensity and scope of research are increasing without comprehensive assessments That was the situation in Western societies when work began on this project in the summer of 1998 It was then too that the challenges emerged any manual especially an international one is a very special type of text which is anything but routine It calls for a special effort the state of the art has to be documented for selected subject areas and its presentation made as compelling as possible The editors were delighted therefore by the cooperation and commitment shown by the eighty one contributors from ten countries who were recruited to write on the sixty two different topics by the constructive way in which any requests for changes were dealt with and by the patient response to our many queries This volume is the result of a long process It began with the first drafts outlining the structure of the work which were submitted to various distinguished colleagues Friedhelm Neidhardt of Berlin Gertrud Nunner Winkler of Munich and Roland Eckert of Trier to name only a few supplied valuable comments at this

stage *Russians, Jews, and the Pogroms of 1881-1882* John Klier, 2011-03-31 Comprehensive new history of the anti Jewish pogrom crisis in the Russian Empire of 1881 2 by a leading authority in the field **The Deadly Ethnic Riot** Donald L. Horowitz, 2023-11-15 Donald L Horowitz s comprehensive consideration of the structure and dynamics of ethnic violence is the first full scale comparative study of what the author terms the deadly ethnic riot an intense sudden lethal attack by civilian members of one ethnic group on civilian members of another ethnic group Serious frequent and destabilizing these events result in large numbers of casualties Horowitz examines approximately 150 such riots in about fifty countries mainly in Asia Africa and the former Soviet Union as well as fifty control cases With its deep and thorough scholarship incisive analysis and profound insights *The Deadly Ethnic Riot* will become the definitive work on its subject Furious and sadistic the riot is nevertheless directed against a precisely specified class of targets and conducted with considerable circumspection Horowitz scrutinizes target choices participants and organization the timing and supporting conditions for the violence the nature of the events that precede the riot the prevalence of atrocities during the violence the location and diffusion of riots and the aims and effects of riot behavior He finds that the deadly ethnic riot is a highly patterned but emotional event that tends to occur during times of political uncertainty He also discusses the crucial role of rumor in triggering riots the surprisingly limited role of deliberate organization and the striking lack of remorse exhibited by participants Horowitz writes clearly and eloquently without compromising the complexity of his subject With impressive analytical skill he takes up the important challenge of explaining phenomena that are at once passionate and calculative Donald L Horowitz s comprehensive consideration of the structure and dynamics of ethnic violence is the first full scale comparative study of what the author terms the deadly ethnic riot an intense sudden lethal attack by civilian members of one ethn Pogroms John Doyle Klier, Shlomo Lambroza, 2004-02-12 Distinguished scholars of Russian Jewish history reflect on the pogroms in Tsarist and revolutionary Russia **Pogroms** Eugene M. Avrutin, Elissa Bemporad, 2021 From the 1880s to the 1940s an upsurge of explosive pogroms caused much pain and suffering across the eastern borderlands of Europe Rioters attacked Jewish property and caused physical harm to women and children During World War I and the Russian Civil War pogrom violence turned into full blown military actions In some cases pogroms wiped out of existence entire Jewish communities More generally they were part of a larger story of destruction ethnic purification and coexistence that played out in the region over a span of some six decades *Pogroms A Documentary History* surveys the complex history of anti Jewish violence by bringing together archival and published sources many appearing for the first time in English translation The documents assembled here include eyewitness testimony oral histories diary excerpts literary works trial records and press coverage They also include memos and field reports authored by army officials investigative commissions humanitarian organizations and government officials This landmark volume and its distinguished roster of scholars provides an unprecedented view of the history of pogroms The Oxford Handbook of Comparative Politics Carles Boix, Susan Carol Stokes, 2007 The Oxford

Handbooks of Political Science is a ten volume set of reference books offering authoritative and engaging critical overviews of the state of political science Each volume focuses on a particular part of the discipline with volumes on Public Policy Political Theory Political Economy Contextual Political Analysis Comparative Politics International Relations Law and Politics Political Behavior Political Institutions and Political Methodology The project as a whole is under the General Editorship of Robert E Goodin with each volume being edited by a distinguished international group of specialists in their respective fields The books set out not just to report on the discipline but to shape it The series will be an indispensable point of reference for anyone working in political science and adjacent disciplines The Oxford Handbook of Comparative Politics offers a critical survey of the field of empirical political science through the collection of a set of chapters written by 47 top scholars in the discipline of comparative politics Part I includes chapters surveying the key research methodologies employed in comparative politics the comparative method the use of history the practice and status of case study research the contributions of field research and assessing the possibility of constructing a science of comparative politics Parts II to IV examine the foundations of political order the origins of states and the extent to which they relate to war and to economic development the sources of compliance or political obligation among citizens democratic transitions the role of civic culture authoritarianism revolutions civil wars and contentious politics Parts V and VI explore the mobilization representation and coordination of political demands Part V considers why parties emerge the forms they take and the ways in which voters choose parties It then includes chapters on collective action social movements and political participation Part VI opens up with essays on the mechanisms through which political demands are aggregated and coordinated This sets the agenda to the systematic exploration of the workings and effects of particular institutions electoral systems federalism legislative executive relationships the judiciary and bureaucracy Finally Part VII is organized around the burgeoning literature on macropolitical economy of the last two decades

Russian Nationalism and Ethnic Violence Richard Arnold, 2016-06-10 Nationalism is now the dominant narrative in Russian politics and one with genuine popularity in society *Russian Nationalism and Ethnic Violence* is a theoretical and empirical study which seeks to break the concept of ethnic violence into distinguishable types examining the key question of why violence within the same conflict takes different forms at certain times and providing empirical insight into the politics of one of the most important countries in the world today Theoretically the work promises to bring the content of ethnic identity back into explanations of ethnic violence with concepts from social theory and empirical and qualitative analysis of databases newspaper reports human rights reports social media and ethnographic interviews It sets out a new typology of ethnic violence studied against examples of neo Nazi attacks Cossack violence against Meskhetian Turks and Russian race riots *Russian Nationalism and Ethnic Violence* brings hate crimes in Russia into the study of ethnic violence and examines the social undercurrents that have led to Putin's embrace of nationalism It adds to the growing body of English language scholarship on Russia's nationalist turn in the post Cold War era and will be essential

reading for anyone seeking to understand not only why different forms of ethnic violence occur but also the potential trajectory of Russian politics in the next 20 years

Fighting Armed Conflicts in Southeast Asia Shane Joshua Barter, 2020-10-08 This Element seeks to make sense of Southeast Asia's numerous armed conflicts. It makes four contributions. First, this study provides a typology distinguishing between revolutionary secessionist and communal conflicts. The first two are types of insurgencies while the latter are ethnic conflicts. Second, this study emphasizes the importance of ethnicity in shaping conflict dynamics. This is true even for revolutionary conflicts which at first glance may appear unrelated to ethnicity. A third contribution relates to broad conflict trends. Revolutionary and secessionist conflicts feature broad historical arcs with clear peaks and declines while communal conflicts occur more sporadically. The fourth contribution ties these points together by focusing on conflict management. Just as ethnicity shapes conflicts, ethnic leaders and traditions can also promote peace. Cultural mechanisms are especially important for managing communal conflicts, the lone type not declining in Southeast Asia.

Exclusionary Violence Christhard Hoffmann, Werner Bergmann, Helmut Walser Smith, 2002 A comprehensive examination of pre-Nazi violence against Jews in nineteenth and twentieth century Germany.

The Production of Hindu-Muslim Violence in Contemporary India Paul R. Brass, 2011-05-01 Chronic Hindu-Muslim rioting in India has created a situation in which communal violence is both so normal and so varied in its manifestations that it would seem to defy effective analysis. Paul R. Brass, one of the world's preeminent experts on South Asia, has tracked more than half a century's riots in the north Indian city of Aligarh. This book is the culmination of a lifetime's thinking about the dynamics of institutionalized intergroup violence in northern India, covering the last three decades of British rule as well as the entire post-Independence history of Aligarh. Brass exposes the mechanisms by which endemic communal violence is deliberately provoked and sustained. He convincingly implicates the police, criminal elements, members of Aligarh's business community, and many of its leading political actors in the continuous effort to produce communal violence. Much like a theatrical production, specific roles are played with phases for rehearsal, staging, and interpretation. In this way, riots become key historical markers in the struggle for political, economic, and social dominance of one community over another. In the course of demonstrating how riots have been produced in Aligarh, Brass offers a compelling argument for abandoning or refining a number of widely held views about the supposed causes of communal violence, not just in India but throughout the rest of the world. An important addition to the literature on Indian and South Asian politics, this book is also an invaluable contribution to our understanding of the interplay of nationalism, ethnicity, religion, and collective violence wherever it occurs.

Genocides and Xenophobia in South Asia and Beyond Rituparna Bhattacharyya, 2023-07-07 This volume foregrounds some of the unknown or lesser-known incidents of xenophobia and genocide from India, Bangladesh, Sri Lanka, South Africa, and Rwanda. It critically analyses the cultural and structural contexts triggering these various forms of genocides and xenophobia and situates them within modern histories of violence and human tribulations. The book discusses various non-Western case

studies which include the communal violence incited by anti CAA protests in Delhi the expulsion and displacement of Kashmiri Pandits xenophobic attitudes against illegal immigrants in Assam genocide in Sylhet during the Liberation War of Bangladesh the 1994 genocide in Rwanda and incidences of human rights violations across the world A comprehensive and transdisciplinary text the book will be useful for students and researchers of human geography sociology political science social work anthropology colonialism and postcolonialism nationalism imperialism human rights and history

Pogroms and Riots Sonja Weinberg, 2010 The years 1881-82 witnessed almost simultaneous waves of pogroms in eastern Germany western Prussia Pomerania and Posen and southern Russia in both countries the pogroms followed periods of reforms that improved in some way the situation of the Jews Examines the responses of four mainstream newspapers the conservative Protestant *Neue Preussische Zeitung* known as the *Kreuzzeitung* the Catholic *Germania* the semi official *Norddeutsche Allgemeine Zeitung* and the Jewish *Allgemeine Zeitung des Judentums* With the exception of the *AZJ* the papers indirectly justified and decriminalized the violence which was a type of covert expression of opposition to Jewish emancipation and to the growing role of Jews in society The *AZJ* tended to depict the pogroms both in Russia and Germany as planned and organized from above rather than as spontaneous popular outbreaks The conservative non Jewish papers while deploring collective violence discussed the extermination of the Jews as a possible option for the solution of the Jewish question Thus they prepared the transformation of the seemingly civilized pre 1918 antisemitism into the post 1918 antisemitism that included violence both in word and deed

The Dark Side of Democracy Michael Mann, 2005 Publisher Description

No Way Out Emanuel Melzer, 1997-12-31 This scholarly study sheds important new light on the politics of Polish Jewry on the eve of its destruction Drawing from sources in the Polish Jewish and non Jewish press and from archives in Europe Israel and the United States Emanuel Melzer examines the efforts of Jews in this major center of Jewish life to secure its existence and advance its interests in the late 1930s when the radicalization of antisemitism became an increasingly prominent theme in the country's political life With the death of Pilsudski the prognosis for the Polish Jews appeared increasingly bleak as hostile forces sought to abrogate their constitutional rights and force them to leave the country en masse The enmity they experienced drew in no small measure from the example of Nazi Germany which did not hesitate to portray the Jews as the common enemy of Germans and Poles alike In the face of these developments Polish Jews attempted to wage a coordinated and concerted political battle against the economic persecution hostile administrative practices discriminatory legislation and violent riots that increasingly pervaded their daily lives Melzer recounts those attempts and analyzes their failure Of the three primary groups among Polish Jewry the Zionists Agudas Yisroel and the Bund only the last was capable of carrying on effective opposition to anti Jewish forces But it was not prepared to join with nonproletarian Jewish groups in an all Jewish defense The Jewish press too was not able to forge a unified Jewish organizational framework tied as it was to the existing political parties and reflecting their attitudes and shortcomings The only official political voice of Polish Jewry was the small Jewish

parliamentary caucus Although respected by much of the Jewish public the Sejm and Senat deputies were not recognized as its legitimate spokesmen and usually acted without coordinating their interventions with one another As a result the most effective Jewish actions were undertaken on the local level notably the self defense organized during the Przytyk pogrom and the stubborn battle of Jewish students against the ghetto benches Melzer demonstrates that the vociferous Jewish public debate over questions of policy and the tenacious daily struggles against discrimination had little effect upon Polish Jewry's deteriorating situation Without charismatic leadership and an organizational framework based on common Jewish destiny and mutual identification its ability to confront the grave challenges that lay ahead was seriously impaired With the approach of war many felt they were trapped with no way out left to face the Nazi onslaught virtually alone

NATIONAL SECURITY STRATEGY: SECURING INDIA INTERNALLY AND EXTERNALLY Umesh Kumar, Team ARSu, 2020-03-08

Awareness on National Security is vital part of whole UPSC Civil Services Examination Based on the past experiences the topic of National Security starts from Preliminary Examination in the form of objective questions on various defense equipments or military exercises In Main Examination around 4 questions 50 Marks of General Studies III are directly related to the topics covered under National Security Finally in the Interview Stage at least one interview board member is more likely to ask questions related to internal and external security of India if not more So based on these needs of the examination and past experiences our book National Security Strategy Securing India Internally and Externally carries five broad chapters with some other sections to develop a holistic understanding on the internal and external security environment of India Help is taken from not just the recent National Security perspectives but also from our past with the works of Kautilya Chanakya and wise advices from Mahabharata and other Sages All of that is condensed to impart information on not just the topics of Civil Service Examination topics i.e. Linkages between development and spread of extremism Role of external state and non state actors in creating challenges to internal security Challenges to internal security through communication networks role of media and social networking sites in internal security challenges basics of cyber security money laundering and its prevention Security challenges and their management in border areas linkages of organized crime with terrorism and Various Security forces and agencies and their mandate But to give detailed perspectives on the war national security strategy and future challenges to be faced by India so that you can develop your own understanding on the whole topic of National Security and answer questions based on greater insights We would suggest our readers to first have a basic reading of the book and later segregate the topics for various stages of Civil Services Examination based on the Syllabus given at the start of book and previous year Main Examination questions given at the end of book The Chapter list of the book is as follows CHAPTER 1 Understanding National Security CHAPTER 2 Conflict Negotiations and War CHAPTER 3 Our Leadership Structure Mandate of Executive Agencies CHAPTER 4 Challenges to Internal Security of India Solutions CHAPTER 5 Challenges to External Security of India Solutions This book can also be used

by avid security learners and aspirants preparing for other competitive examinations like CAPF CDS NDA etc *American Jewish Year Book* Cyrus Adler, Henrietta Szold, 1921 Issues for 1900 01 include report of the 12th year of the Jewish Publication Society of America 1890 1900 issued also separately in some years issues for 1908 09 include Report of the American Jewish Committee for 1906 08 issued also separately in some years *Antisemitism* Richard S. Levy, Dean Phillip Bell, William Collins Donahue, Kevin Madigan, Jonathan Morse, Amy Hill Shevitz, Norman A. Stillman, 2005-05-24 Written by top scholars in an accessible manner this unique encyclopedia offers worldwide coverage of the origins forms practitioners and effects of antisemitism leading to the Holocaust and surviving to the present day The word antisemite was first used to describe a politically motivated enemy of the Jews in 1879 The subject of antisemitism has often been focused on the Holocaust however current events and history have much to add to this discussion For example in 1995 a Japanese pseudo Buddhist religious cult imagining itself to be under attack by Jews released sarin gas on the Tokyo subway killing 12 From 1881 to 1900 there were 128 public accusations of Jewish ritual murder allegedly involving the killing of Christian children to use their blood for religious purposes Entries in this encyclopedia span the period from ancient Egypt to the modern era Key theoreticians of Jew hatred and their written works its permeation of Christianity and modern Islam and its political artistic and economic manifestations are covered This is the first comprehensive work that deals with the entire history of ideas and practices that engendered the Holocaust **Images of Enmity and Hope** Lucien van Liere, Klaas Spronk, 2014 In a thought provoking and challenging enterprise to rethink inter human relationships this book brings together a range of international scholars and peace practitioners who share their expertise and knowledge about the relationship between religion conflict and violence Focusing on images of enmity they show fascinating possibilities of how these images might be transformed into perspectives of hope and peace Series ContactZone Explorations in Intercultural Theology Vol 15
