From the moment firefighter Nick Martin enters schoolteacher Miriam Zorga's life, he awakens buried passions and sets her body ablaze with need. *The Sixteenth Street Chronicles* Jim Aziere, 2022-05-02

Here Missouri Hall of Famer and sports educator Jim Aziere has crafted a remarkable true story, a classically American story about an essential part of his youthful struggles and our own, featuring a one-of-a-kind Kansas City parochial high school called De La Salle Academy that flourished in the years between wars, 1941-1959, a time of great social strife in our city. It's an eye-opening tale of the seismic shifts in America in the 1960s about a unique group of Christian educators who managed to integrate a high school before Brown v Board of Education but could not keep the dream alive beyond Watergate. You're sure to find Jim's story about his years at De La Salle where he was first a student and later faculty, highly affecting and personal as he recounts his many life lessons, survives a learning disability, and uses athletic skill and determination to excel despite everything. It's bound to touch and inspire anyone who's ever felt more at home on AstroTurf than in a classroom.

Facsimile of the original 1929 book. From the original 1929 promotion, Robert Ripley describes the land where rain has fallen for a million years; here he talks with you about the Ever Standing Men and the Upside Down Men. Of Benares, sport enthusiasts will prick up their ears at the queer tales told by the man who it is said can answer more questions on sports than any other living man. All these stories, all these marvelous adventures into the countries of the fantastically true, are lavishly illustrated with a multitude of those vivid cartoons which are followed eagerly every night in the New York Evening Post and more than 100 other newspapers. You will find your old favorites and some new puzzlers which Mr. Ripley has uncorked now for the first time.
