Holmes,2021-09-28 When Ozzie Nelson died in 1975 he was no longer a household name For a guy who had created the
longest running TV sitcom in history invented the rock video and fronted one of the most successful big bands of the 1930s it
s baffling that Nelson has faded so far from American media memory Larger than life offscreen an attorney college football
star cartoonist songwriter major band leader Ozzie created a smaller than life TV persona the bumbling average Dad who
became known to the rock generation which included his teen idol son Rick Nelson as the essence of blandness But America
also saw Ozzie as their iconic Dad not a father knows best since his pontifications usually proved flawed by the end of each
episode but the father who tried his best This book is the only full length biography of Ozzie Nelson since he published his
memoirs in 1973 It treats the big band and early TV icon with affection and hints that American pop culture may owe more to
Ozzie than is generally acknowledged Heritage Auctions Sports Collectibles Auction Catalog #716, Dallas, TX Chris
