What do the disembodied head of Buffalo Bill Cody Annie Oakley Frankenstein the Tin Man Captain Nemo the Flying Dutchman and the inestimable Ned the Seal have in common Find out as they embark upon a spectacular set of nonstop steampunk adventures For the first time two epic chronicles Zeppelins West and Flaming London inscribed by a courageous young seal on his trusty notepad are collected together in one volume Leap from a flaming zeppelin with the stars of the Wild West Show in a desperate escape from an imperial Japanese enclave Wash up upon the island of Doctor Moreau in mortal danger from his unnatural experiments and ignorant that Dracula approaches by sea Unite with Jules Verne Passpartout and Mark Twain on a desperate voyage to the burning streets of London which are infested with killer squid from outer space courtesy of H G Wells s time machine It s a raucous steam powered locomotive of shoot em up Westerns dime novels comic books and pulp fiction as only Lansdale the high priest of Texan weirdness could tell      **Rip Current** Jill Sanders, 2015-07-14 Cole is used to fame and has had his fill of women who fall at his feet but the one woman he s desired the most shows nothing but discontent for him and his reckless ways Wendy can t stand Cole at least not in her head Her body and heart on the other hand desire him beyond any else      The Ups and Downs of a Pioneer Preacher E. E. Shelhamer, 1915      *songs stuck between my rip cage. Life is a Story - story.one* Skylar C. R. Wolf, 2025-03-24 They a person with no face or name guides you through things they should ve accepted and simply felt from the beginning It s hard to come to terms with everything which has happened and yet they re wanting to move one and fix a few of their scars While doing this they created a little book filled with things It s somewhat a journal somewhat a safe haven This is the journey intertwining short stories and poetry of an attempt to heal and feel all the things they denied themselves to accept  
*Proceedings* , 1923      *Henry Ford* Vincent Curcio, 2013-04-12 Most great figures in American history reveal great contradictions and Henry Ford is no exception He championed his workers offering unprecedented wages yet crushed their attempts to organize Virulently anti Semitic he never employed fewer than 3 000 Jews An outspoken pacifist he made millions producing war materials He urbanized the modern world and then tried to drag it back into a romanticized rural past he d helped to destroy As the American auto industry struggles to reinvent itself Vincent Curcio s timely biography offers a wealth of new insight into the man who started it all Henry Ford not only founded Ford Motor Company but institutionalized assembly line production and some would argue created the American middle class By constantly improving his product and increasing sales Ford was able to lower the price of the automobile until it became a universal commodity He paid his workers so well that for the first time in history the people who manufactured a complex industrial product could own one This was Fordism social engineering on a vast scale But as Curcio displays Ford s anti Semitism would forever stain his reputation Hitler admired him greatly both for his anti Semitism and his autocratic leadership displaying Ford s picture in his

bedroom and keeping a copy of Ford's *My Life and Work* by his bedside Nevertheless Ford's economic and social initiatives as well as his deft handling of his public image kept his popularity high among Americans He offered good pay good benefits English language classes and employment for those who struggled to find jobs handicapped African American and female workers Such was his popularity that in 1923 the homespun clean living xenophobic Henry Ford nearly won the Republican presidential nomination This new volume in the *Lives and Legacies* series explores the full impact of Ford's indisputable greatness the deep flaws that complicate his legacy and what he means for our own time **'Way Out Yonder** William Lightfoot Visscher, 1898 **Reports to the Evolution Committee** Royal Society (Great Britain).
