Rise Of U S Grant:

The Rise of U.S. Grant Arthur Latham Conger,1931 **Grant at 200** Chris Mackowski,Frank J. Scaturro,2023-02-06 Proceeds from this volume will go to support the Ulysses S Grant Association and the Grant Monument Association Ulysses S Grant stood at the center of the American Civil War maelstrom The Ohio native answered his nation s call to service and finished the war as a lieutenant general in command of the U S Army Four years later he ascended to the presidency to better secure the peace he had helped win on the battlefield Despite his major achievements in war and peace political and sectional enemies battered his reputation For nearly a century his military and political career remained deeply misunderstood Since the Civil War centennial however Grant s reputation has blossomed into a full renaissance His military record garners new respect and more recently an appreciation for his political career particularly his strong advocacy for equal rights is quickly catching up Throughout these decades his personal memoirs marking him as a significant American Man of Letters have never gone out of print Grant at 200 Reconsidering the Life and Legacy of Ulysses S Grant celebrates the bicentennial of the birth of a man whose towering impact on American history has often been overshadowed and in many cases ignored This collection of essays by some of today s leading Grant scholars offers fresh perspectives on Grant s military career and presidency as well as underexplored personal topics such as his faith and family life *Ulysses S. Grant, 1861-1864* William Farina,2007-05-10 On May 3 1861 Illinois Governor Richard Yates appointed a Mexican War veteran with Democratic sympathies and southern ties to be chief mustering officer at Camp Yates in Springfield And so began Ulysses S Grant s reluctantly revived military career Over the next three years Grant would have a chance to display a myriad of talents few suspected including a remarkable penchant for organization decided skill at written communication and a quick understanding of military potential By March 1864 Grant had risen to lieutenant general a rank last held by George Washington This biography details the three years which saw Ulysses S Grant s extraordinary rise from mediocre shop clerk to general in chief of the U S Army Beginning with Grant s work at his family s leather shop in Galena Illinois it records his re entry into a military life as a volunteer from Illinois Grant s most spectacular campaigns including Vicksburg and Chattanooga are discussed in depth Special emphasis is placed on events such as politicking rumors and intrigue which took place between the various battles Other topics include Grant s personal qualities and background his extraordinary good fortune and the general s informal and unorthodox command style The work is indexed Great Military Leaders William T. Worthington,2002 Great Military Leaders A Bibliography with Vignettes **A History of American Biography, 1800-1935** Edward H. O'Neill,2015-09-30 A survey and evaluation of the whole range of American biography from the earliest important lives to book of the present day *Strategy* Richard J Bailey,James W Forsyth,Mark O Yeisley,2016-04-15 How does one engage in the study of strategy Strategy Context and Adaptation from Archidamus to Airpower argues that strategy is not just concerned with amassing knowledge it is also about recognizing our imperfect understanding of the

environment and respecting the complex nature of adaptation to the unforeseen or unexpected In essence the strongest strategists are those who commit to an education that cultivates a more holistic and adaptive way of thinking With that thought in mind the contributors to Strategy each a current or former professor at the School of Advanced Air and Space Studies widely considered the Department of Defense s premier school of strategy offer ways of thinking strategically about a variety of subject matters from classical history to cyber power Practitioners in the profession of arms perhaps more than any other profession must employ critical thinking where the application of power on land at sea in the air and in space and cyberspace are concerned Strategy examines various sub disciplines regarding the use of power and illuminates different approaches to thinking which have implications beyond the implementation of force   *U. S. Grant* Waugh,2010-07-09 Grant was the most famous person in America considered by most citizens to be equal in stature to George Washington and Abraham Lincoln Yet today his monuments are rarely visited his military reputation is overshadowed by that of Robert E Lee and his presidency is permanently mired at the bottom of historical rankings In an insightful blen   Special Bibliography - US Army Military History Research Collection US Army Military History Research Collection,1974   The Rise of U.S. Grant, Etc. [With Portraits and Maps.]. Arthur Latham CONGER,1931   **American Military Leaders** John C. Fredriksen,1999-06-18 A comprehensive collection of biographies of the most prominent military leaders in American history American Military Leaders contains over 400 A Z biographies of individuals such as Admiral Elmo Zumwalt who ended hundreds of years of tradition by allowing women to serve on Navy ships and Francis Marion the Swamp Fox whose rules of clandestine warfare are still followed by the U S Special Forces Coverage centers on the outstanding generals sergeants fighter aces militiamen theorists doctors and nurses who make up America s military history This volume presents their backgrounds contributions and significance to America s fortunes in war This title also cites works for further research includes a list of leaders organized by their military titles and a comprehensive index   **Whip the Rebellion** George Walsh,2013-05-21 How the unprepossessing Ulysses S Grant whose military genius ultimately preserved the Union came to the forefront in the Civil War is a story as surprising as it is compelling Forced to resign his commission in the peacetime army for drinking and thereafter reduced to eking out a living for himself and his family with hardscrabble jobs at the outbreak of hostilities he suddenly found himself a colonel and then a general of volunteers Grant made the most of unexpected commands what he knew best it turned out was how to wage war relentlessly and with irresistible force Early in 1862 with the conflict a year old and both sides in the West relunctant to fight Grant seized the iniative and took Forts Henry and Donelson capturing an entire rebel army Later in Mississippi he conducted the ardous campaign against Vicksbug cutting the confederacy in half and capturing a second army All the time Grant was forced to cope with jealous superiors like General Henry Halleck while finding staunch allies in General William Sherman and Admiral David Dixon Porter and dealing with disloyalty like that of General John McClernard who actually came close to replacing him But for his many victories

Grant was named commander in the West and sent to relieve the seige of Chattanooga which earned him his promotion to general in chief Whip the Rebellion was Grant s watchword every day of the war This dramatic narrative peopled with the heroics of hundreds of officers and enlisted men crammed with first hand accounts of battles tactics and civilian hardships offers fresh insights into both the public and personal lives of Grant and his immediate circle At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Life of Ulysses S. Grant** William August Crafts,1868 Innovative Law and Business in the Digital Era Hashem Alshurafat,2025-07-22 This book offers a comprehensive exploration of the intersection of such critical areas of knowledge as law business and technological innovation As the digital revolution transforms industries this book provides scholars professionals and students with critical insights into how legal frameworks and business strategies can adapt to foster sustainable growth With a focus on improving financial technological and legal literacy the book explores the challenges and opportunities in the business environment that can lead to a sustainable education for future generations The book covers a wide range of topics essential to navigating the complexities of today s digital landscape from regulatory compliance in emerging technologies to sustainable business models and innovation driven markets Written by leading experts this book offers theoretical and practical perspectives on integrating sustainability innovation and legal expertise into business practices This book is essential for readers who want to understand how law and business can work together to shape a future driven by innovation and ethical principles

Biography by Americans, 1658-1936 Edward H. O'Neill,2016-11-11 This volume is the most comprehensive bibliography of purely biographical material written by Americans It covers every possible field of life but by design excludes autobiographies diaries and journals *The Tennessee Campaign of 1864* Steven E. Woodworth,Charles D. Grear,2016-01-05 Featuring the longlost diary of Major General Patrick R Cleburne Few American Civil War operations matched the controversy intensity and bloodshed of Confederate general John Bell Hood s illfated 1864 campaign against Union forces in Tennessee In the firstever anthology on the subject The Tennessee Campaign of 1864 edited by Steven E Woodworth and Charles D Grear fourteen prominent historians and emerging scholars examine this operation covering the battles of Allatoona Spring Hill and Franklin as well as the decimation of Hood s army at Nashville Essays focus on the high casualty rates among the Army of Tennessee s officer corps the emotional and psychological impact of killing on the battlefield and military figures such as generals Ulysses S Grant and George H Thomas among others The U S Colored Troops fought courageously in the Battle of Nashville and the book explores their lasting impact on the African American community The volume includes the transcript of Confederate major general Patrick R Cleburne s revealing lost diary which he kept until his death at Franklin and provides a rare glimpse of civilian experiences in Franklin Nashville and the TransMississippi West Two essays on Civil War battlefield preservation round out the collection Canvassing both military and social history this wellresearched volume offers new illuminating perspectives while furthering longrunning debates on more

familiar topics These indepth essays provide an insider s view into one of the most brutal and notorious campaigns in Civil War history   *General John A. Rawlins* Allen J. Ottens,2021-08-03 No one succeeds alone and Ulysses S Grant was no exception From the earliest days of the Civil War to the heights of Grant s power in the White House John A Rawlins was ever at Grant s side Yet Rawlins s role in Grant s career is often overlooked and he barely received mention in Grant s own two volume Memoirs General John A Rawlins No Ordinary Man by Allen J Ottens is the first major biography of Rawlins in over a century and traces his rise to assistant adjutant general and ultimately Grant s secretary of war Ottens presents the portrait of a man who teamed with Grant who submerged his needs and ambition in the service of Grant and who at times served as the doubter who questioned whether Grant possessed the background to tackle the great responsibilities of the job Rawlins played a pivotal role in Grant s relatively small staff acting as administrator counselor and defender of Grant s burgeoning popularity Rawlins qualifies as a true patriot a man devoted to the Union and devoted to Grant His is the story of a man who persevered in wartime and during the tumultuous years of Reconstruction and who despite a ravaging disease that would cut short his blossoming career grew to become a proponent of the personal and citizenship rights of those formerly enslaved General John A Rawlins will prove to be a fascinating and essential read for all who have an interest in leadership the Civil War or Ulysses S Grant   **The Sea and the Easter Rising** John de Courcy Ireland,1996   **The Rise of the Federal Colossus** Peter Zavodnyik,2011-01-04 This challenging book explores the debates over the scope of the enumerated powers of Congress and the Fourteenth Amendment that accompanied the expansion of federal authority during the period between the beginning of the Civil War and the inauguration of Franklin Delano Roosevelt The Rise of the Federal Colossus The Growth of Federal Power from Lincoln to F D R offers readers a front row seat for the critical phases of a debate that is at the very center of American history exploring such controversial issues as what powers are bestowed on the federal government what its role should be and how the Constitution should be interpreted The book argues that the critical period in the growth of federal power was not the New Deal and the three decades that followed but the preceding 72 years when important precedents establishing the national government s authority to aid citizens in distress regulate labor and take steps to foster economic growth were established The author explores newspaper and magazine articles as well as congressional debates and court opinions to determine how Americans perceived the growing authority of their national government and examine arguments over whether novel federal activities had any constitutional basis Responses of government to the enormous changes that took place during this period are also surveyed   Generalship, Historical Perspectives ,2008 After World War I J F C Fuller stated that the three pillars of generalship meaning good generalship of course are courage creative intelligence and physical fitness and the attributes of youth rather than middle age The study of character traits and leadership principles dominated our thought and leadership teaching methodology during and after World War II with role playing and case studies used extensively Current leadership doctrine for the entire Army is prescribed in Field Manual 6 22

Army Leadership a publication that relies heavily on historical examples for its message Since the foundations of Army leadership are firmly grounded in history senior leaders must have a core of historical knowledge to give them the perspective necessary to solve the leadership and command challenges of today   **The Rise of U.S. Grant** Arthur Latham Conger,1931
