**The Guinness Book of Classic British TV** Paul Cornell, Martin Day, Keith Topping, 1996 *Video Sourcebook Supplement* Furtaw, 1994-03 **The British Sitcom Spinoff Film** Stephen Glynn, 2023-12-07 This book constitutes the first full volume dedicated to an academic analysis of theatrically released spinoff films derived from British radio and television sitcoms Regularly maligned as the nadir of British film production and marginalised as a last resort for the financially bereft industry during the 1970s this study demonstrates that the sitcom spinoff film has instead been a persistent and important presence in British cinema from the 1940s to the present day and includes occasional works with distinct artistic merit Alongside an investigation of the economic imperative underpinning these productions i e the exploitation of proven product with a ready made audience it is argued that with a longevity stretching from Arthur Askey and his wartime Band Waggon 1940 to the crew of Krupt FM and their recent People Just Do Nothing Big in Japan 2021 the British sitcom spinoff can be interpreted as following a full generic life cycle Starting with the formative stage where works from Hi Gang 1941 to I Only Arsked 1958 establish the genre s characteristics the spinoff genre moves to its classic stage where secure for form and content it enjoys considerable popular success with films like Till Death Us Do Part 1969 On the Buses 1971 The Likely Lads 1976 and Rising Damp 1980 the genre s revival since the late 1990s reveals a more parodic final stage with films like The League of Gentlemen s Apocalypse 2005 adopting a consciously self reflective mode It is also posited that the sitcom spinoff film is a viable source for social history with the often stereotypical re presentations of characters and events an often blatant ideological metonym for the concerns of wider British society notably in issues of class race gender and sexuality **The Video Source Book** David J. WEINER, 1990 **Facets Video Encyclopedia** Catherine Foley, Milos Stehlik, 1999 Calling it a virtual cinemath que on video the Telluride Film Festival gave its coveted Silver Medallion award to Facets Video Encyclopedia The Encyclopedia lists more than 35 000 rare films on video laser disc and DVD Included are foreign independent classic American silent documentary experimental cult and children s films Each is carefully described and lists director country of origin year and running time credits and is categorized and cross referenced by director and country All films are available for sale or rent from Facets Multimedia **Casting Shadows: DIY Black Magic Spells For The Modern Practitioner** www.witchcraftvibes.com, Casting Shadows DIY Black Magic Spells For The Modern Practitioner delves into the world of black magic providing a comprehensive guide for those interested in practicing the dark arts The book explores the history of black magic its modern day practice and the ethics and responsibility associated with it Readers will gain insight into harnessing negative energy working with spirits and the power of curses The author also covers essential tools and techniques such as altars magical implements candles and incense The book offers guidance on casting spells with intention as well as protection and defense against psychic attacks and negative entities Additionally it provides instructions on summoning otherworldly entities practicing dark divination crafting hexes and curses performing rituals and
