Risk Assessment In People With Learning Disabilities:

Risk Assessment in People With Learning Disabilities Carol Sellars, 2011-09-19 Risk Assessment in People with Learning Disabilities Second Edition reflects legislative updates made over the past decade while continuing to demystify the process of assessing risk for people with intellectual impairment previously called learning disabilities Revisits techniques of risk assessment outlined in First Edition in light of the recent legislative changes most notably the 2005 Mental Capacity Act Covers methods of assessing a person's capacity to consent in a range of situations from the everyday to complex medical or psychological scenarios Covers implications of new guidelines issued in relation to the Care Programme Approach CPA

Risk Assessment in People with Learning Disabilities Carol Sellars, 2002-10-30 This book arose out of the author's awareness that there was little material relating to the assessment of risks for people with learning disabilities even though many care workers and health and social services staff are required to carry out such assessments for their clients Sellars provides a readily understood explanation of the concept of risk and an accessible discussion of the key areas where risks need to be assessed in the lives of people with learning disabilities It describes an approach to assessing risks that is systematic but relatively simple and emphasizes the need to see risk assessment as an ongoing process in which all interested parties can consider the potential risks in any situation

Good Practice in Risk Assessment and Risk

Management 2 Hazel Kemshall, Jacki Pritchard, 1997 The range of problems that arise due to violence mental health problems substance abuse and familial breakup require fast accurate risk assessment These two volumes by Kemshall and Pritchard explore the techniques needed to solve such problems
