Choosing the Right Thing to Do David A. Shapiro,1999-09-01 We all want to do the right thing But determining the right thing to do isn t always easy Everytime we pick up a newspaper or turn on the TV someone tells us how we ought to behave Rarely however do we get much assistance in deciding what to do for ourselves Meanwhile technological developments and rapid social changes make the right decisions especially about the BIG issues life death sex justice and so on harder and harder to identify Choosing the Right Thing to Do responds to the growing need that people of all ages have for moral guidance without moralizing It contains a rich palette of principles and strategies stories and examples ideas and insights that offer real world help for intelligently addressing the often quite troubling choices we face every day in our personal relationships jobs and lifestyles What's the Right Thing to Do? Selma Wassermann,2019-05-24 Making choices is one of the more pervasive acts of life Almost every action we take demands that choices be made Knowing how to choose wisely to choose after reflection to be aware of what motivates that choice to see the consequences of that choice on others enables us to live healthier more productive and more responsible lives We now live in a world in which our traditional moral

exemplars have been less than honorable in their public behavior With fewer heroes and flawed role models how are children to come to an understanding of what's right what's good decent and socially responsible Do as I say not as I do is hardly a viable tenet to guide children's choices This book offers important tools for carrying out effective strategies that build caring environments in the classroom and home for teaching children to weigh decisions in the face of potential consequences examine rationales for their choices and study the effects of their choices on others i.e. to think more carefully about ethical problems in the presence of the moral freedom to determine for themselves what it means to lead a good and virtuous life

INSTANT 1 NEW YORK TIMES BESTSELLER In his New York Times bestselling book Discipline Is Destiny Ryan Holiday made the Stoic case for a life of self discipline In this much anticipated third installment in the Stoic Virtues series he argues for the necessity of doing what s right even when it isn t easy For the ancients everything worth pursuing in life flowed from a strong sense of justice or one s commitment to doing the right thing no matter how difficult In order to be courageous wise and self disciplined one must begin with justice The influence of the modern world often tells us that acting justly is optional Holiday argues that that s simply untrue and the fact that so few people today have the strength to stand by their convictions explains much about why we re so unhappy In Right Thing Right Now Holiday draws on fascinating stories of historical figures such as Marcus Aurelius Florence Nightingale Jimmy Carter Gandhi and Frederick Douglass whose examples of kindness honesty integrity and loyalty we can emulate as pillars of upright living Through the lives of these role models readers learn the transformational power of living by a moral code and through the cautionary tales of unjust leaders the consequences of an ill formed conscience The Stoics never claimed that living justly was easy only that it was necessary And that the alternative sacrificing our principles for something lesser was considered only by cowards and fools Right Thing Right Now is a powerful antidote to the moral failures of our modern age and a manual for living virtuously Say the Right Thing Carolyn Lacey,2023-04-01 How the gospel can help you speak in a positive constructive way Words are powerful They sink deep into our minds and our spirits They can build others up or put others down Many of us want to say the right thing

and make a difference to others with our words but we don't know how to. Others of us struggle to control our speech and want help to be more godly in this area of our lives. This positive constructive book delves into the Bible to show us how to overcome specific temptations such as gossip or angry words. But it also goes much further. It shows us how we can use our speech to bring beauty, hope, truth and comfort into the lives of those around us and to give glory to God. Full of gracious words and practical help, this book will help readers to find out how to let the gospel shape their speech and enjoy the blessings that flow from this.
