Shakespeare's Curse Björn Quiring,2013-10-15 Conceptualizing the curse as the representation of a foundational mythical violence that is embedded within juridical discourse Shakespeare s Curse The Aporias of Ritual Exclusion in Early Modern Royal Drama pursues a reading of Richard III King John and King Lear in order to analyse the persistence of imprecations in the discourses of modernity Shakespeare wrote during a period that was transformative in the development of juridical thinking However taking up the relationship between theater theology and law Bj rn Quiring argues that the curse was not eliminated from legal discourses during this modernization of jurisprudence rather it persisted and to this day continues to haunt numerous speech acts Drawing on the work of Derrida Lacan Walter Benjamin and Giorgio Agamben among others Quiring analyses the performativity of the curse and tracks its power through the juristic themes that are pursued within Shakespeare s plays such as sovereignty legitimacy succession obligation exception and natural law Thus this book provides an original and important insight into early modern legal developments as well as a fresh perspective on some of Shakespeare s best known works A fascinating interdisciplinary study this book will interest students and scholars of Law Literature and History Judy, Or the London Serio-comic Journal ,1876 *Rousseau's Social Contract* David Lay

Williams, 2014-01-13 Rousseau's Social Contract An Introduction offers a thorough and systematic tour of this notoriously paradoxical and challenging text

Maria de Zayas Tells Baroque Tales of Love and the Cruelty of Men Margaret Greer, 2011-11-30

Maria de Zayas y Sotomayor 1590-1650 published two collections of novellas *Novelas amorosas y exemplares* 1637 and *Desengaños amorosos* 1647 which were immensely popular in her day. During the nineteenth and early twentieth centuries Victorian and bourgeois sensibilities exiled her scandalous works to the outer fringes of serious literature. Over the last two decades however she has gained an enthusiastic and ever expanding readership drawing intense critical attention and achieving canonical status as a major figure of the Spanish Golden Age. In this first comprehensive study of Zayas's prose Margaret R. Greer explores the relationship between narration and desire analyzing both the desire for readers displayed by Zayas in her Prologue and the sexual desire that drives the telling within the novellas themselves. Greer examines Zayas's narrative strategies through the twin lenses of feminist and psychoanalytic theory. She devotes close attention to the weight of Renaissance literary traditions and the role of Zayas's own cultural context in shaping her work. She discusses Zayas's biography and the reception of her publications her advocacy of women's rights her conflictive loyalty to an aristocratic patriarchal order her crafting of feminine tales of desire and her erasure of the frontiers between the natural and supernatural indeed between love and death itself. In so doing Greer offers an expansive analysis of this recently rediscovered Golden Age writer.

The Harbinger, 1966

Enjoying the Track of Appearance: An Psychological Symphony within **Rites Of Passions Second Chance At Love No 258**

In a global eaten by screens and the ceaseless chatter of quick conversation, the melodic splendor and emotional symphony created by the written word usually disappear into the background, eclipsed by the relentless noise and distractions that permeate our lives. However, situated within the pages of **Rites Of Passions Second Chance At Love No 258** a stunning literary value full of raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, this charming masterpiece conducts viewers on a mental trip, well unraveling the hidden tunes and profound influence resonating within each carefully constructed phrase. Within the depths of the touching assessment, we will examine the book is main harmonies, analyze their enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
