Rites Of Alienation:

Rites of Alienation George Fetherling,1996-09-30 **Liberating Rites** Tom F. Driver,2019-03-13 This book shows how necessary ritual is to human freedom and to social processes of liberation It aims to reflect upon the deep human longing for ritual and to interpret it in the light of our physical social political sexual moral aesthetic and religious existence

Revisiting Rituals in a Changing Tibetan World Katia Buffetrille,2012-08-03 Through ten contributions written by specialists this book examines the changes rituals have undergone in Tibet Nepal and Mongolia in the wake of political and socio cultural upheavals

Towards a Christian Theology of African Ancestors Thomas Ochieng Otanga,2023-04-21 This book examines the similarities and relationship between Christian saints and African ancestors Further it analyzes the deep cultural roots of African peoples and the ancestral frame as a point of departure for developing an indigenous African theology Questions dealt with include Does the conversion of Africans to Christianity require a break with their African cultural heritage Who is an African ancestor Is syncretism a good thing for an African Christian What contribution can the African church make to the universal church The author argues that rather than being antithetical to formal Christianity an African Christian theology of ancestors is an example of how an indigenous African tradition can best express Christianity as well as make considerable impact on world Christianity

Dictionary of Feminist Theology Russell,Russell, David,2004-01-01 Providing a tool for all who wish to learn about the growing fields of womanist mujerista Asian feminist and white Euroamerican feminist studies in religion this dictionary furnishes a pluralistic approach to feminist theologies guiding readers who are interested in all areas of Christian theology as they relate to feminism

In gods we trust Thomas Robbins, *Deeply Into the Bone* Ronald L. Grimes,2002-12 Providing a personal informed and cultural perspective on rites of passage for general readers this text illustrates the power of rites to help us navigate life s troublesome transitions

Ritual and Religion in the Xunzi T. C. Kline III,Justin Tiwald,2014-06-17 Challenges traditional views to consider Xunzi as a religious thinker Xunzi a founding figure in the Confucian tradition is one of the world s great philosophers and theorists of religion For much of the last century his work has been seen largely as critical of religion particularly the popular beliefs and invocations of supernatural forces that underpin so many religious rituals Contributors to this volume challenge this view and offer a more sophisticated picture of Xunzi He emerges not as critic but rather as an adherent of religion who seeks to give religious practices meaning even though many religious beliefs are mistaken or self serving Each essay offers a powerful illustration of Xunzi as both a religious devotee and as a philosopher of religion drawing on a wide array of disciplines and methodologies

Sufi Ritual Ian Richard Netton,2014-03-18 This study reveals the world of Sufi ritual with particular reference to two major Sufi orders It examines the ritual and practices of these orders and surveys their organisation and hierarchy initiation ceremonies and aspects of their liturgy such as dhikr litany and sama mystical concert Comparisons are made with the five pillars of Islam arkan and the Sufi rituals together with the arkan are examined from the perspective of

theology phenomenology anthropology and semiotics The work concludes with an examination of the Sufi in the context of alienation This is a major work which highlights the importance of Sufi ritual and locates it within the broader domain of the Islamic world

Rebaptism Calmly Considered Sharon J. Grant, 2019-09-10 This book describes the sociocultural context that shaped Christian initiation for many early Jamaican congregants within the African Methodist Episcopal AME Church Christian initiation in early twentieth century Jamaican AME churches included the practice of two water rituals for children within most of its congregations first the christening or sprinkling of water on infants and second immersion when the child reached the age of consent and made a public confession of faith The ambiguity of John Wesley's doctrine and practice of the sacrament of baptism are provided with the cultural milieu of nineteenth and early twentieth century Jamaica to allow the reader to calmly consider the spectrum of evidence and consider how the use of two water rituals became normative for many disciples of Christ to become full members within the early AME Church in Jamaica

Return Migrants in Hong Kong, Singapore and Israel Kwok-bun Chan, Wai-wan Vivien Chan, 2021-01-07 This insightful volume explores the experiences of ethnic migrants returning to Hong Kong Singapore and Israel Return migrants who were exposed to the western culture and society undergo personal transformations that significantly impact their views on values such as gender individualism democracy tradition and individual autonomy To evaluate how well these individuals are able to reintegrate back into their native countries the authors conducted a thorough comparative study between returnees in the three research sites through in depth interviews ethnographic fieldwork and analyses of government policies Among the topics discussed Family as a strategic middle ground between the individual and society The social psychology of coping and adaptation Public outer historical and macro forces that shape returnees experiences Comparisons and contrasts between two primarily Chinese societies along with one racially and culturally different Western society Cost and benefit analyses of decision making in migration Return Migrants in Hong Kong Singapore and Israel is a compelling new perspective on the migrant experience drawn from in depth research on returnees across three countries and a variety of circumstances

Psychodrama with Children Hanna Kende, 2016-12-08 In this book Hanna Kende uses her wealth of experience to explain how psychodrama can allow psychotherapists to fundamentally change their relationships with children presenting with psychosocial mental or behavioral problems Based on Kende's extensive and wide ranging knowledge Psychodrama with Children explores the origins and roots of psychodrama and uses detailed case studies to show how psychodramatists can encourage groups of children to draw upon their natural creativity as a force for healing The method draws on a rich theoretical base starting from the foundational work of Moreno and Adler The method is applicable to a wide range of children with varied symptoms psychosomatic problems distractibility hyperactivity inhibition capable children performing poorly at school etc By creating a warm climate of reciprocal tolerance and acceptance psychodramatists allow children to express themselves freely in a group of their peers and to reshape their negative self image Psychodrama lets children use their natural language of play to

mobilize their creative imagination and to express their anxieties conflicts and problems in a symbolic mode This approach helps children heal through their own creativity Psychodrama with Children will be of interest to psychodramatists dramatherapists and child psychotherapists as well as psychologists psychiatrists and other child and adolescent mental health professionals **The Rites of People** Gerard A. Pottebaum,1992 **Ritual Ground** Douglas C. Comer,1996-12-23 From about 1830 to 1849 Bent s Old Fort located in present day Colorado was the largest trading post in the Southwest and the mountain plains region Although the raw enterprise and improvisation that characterized the American westward movement seem to have little to do with ritual Douglas Comer argues that the fort grew and prospered because of ritual and that ritual shaped the subsequent history of the region to an astonishing extent *The Will to Arise* Mercy A. Oduyoye,Musimbi R. A. Kanyoro,2005-12-05 What is the reality of being African woman and Christian In this collection of original essays African women theologians write about the life and dreams the sorrows and joys of African women in a continent where religion shapes the whole of life The first two parts of the book describe the role of women in terms of culture rites of passage and daily life Attitudes toward birthing and naming marriage and widowhood polygamy prostitution and death are all explored The third part focuses on the church reviewing biblical attitudes toward women and showing how African women can and should contribute to the life of the Christian church Contributors Musimbi R A Kanyoro Mercy Amba Oduyoye Rosemary N Edet Anne Nasimiyu Wasike Daisy N Nwachuku Rabiatsu Ammah Judith Mbula Bahemuka Lloyd Fanusie Bernadette Mbuy Beya Teresa M Hinga Anne Nachisale Musopole R Modupe Owanikin Teresa Okure The themes in *The Will to Arise* constitute the base of contemporary African women s theological scholarship At their most creative these theologians affirm cultural traditions and criticize their failings in order to lead the reader to new visions that can renew religious life in our various contexts from the Foreword by Katie G Cannon **Filmurbia** David Forrest,Graeme Harper,Jonathan Rayner,2017-04-22 In this book scholars from across the world explore the appearance portrayal and significance of the suburb on film By the mid 20th Century supported by changes in transportation suburbs became the primary location of entire national populations and films about the suburbs began to concertedly reflect those suburbs significance as well as their increasingly lively cultures Suburbia very soon became filmurbia as films of the suburbs and those made in the suburbs reflected both the positive and the negative aspects of burgeoning suburban life Film makers explored the existences of new suburbanites their interests their newly emerging neighbourhood practices their foibles their fantasies and their hopes Whether depicting love ambition commerce family home or horror whether traveling to or living in suburban spaces whether exhibiting beauty brazenness or brutality the films of suburbia capture human life in all its diverse guises **Practical Sacramental Theology** Bruce T. Morrill,2021-09-09 What motivates practice of the liturgy and sacramental rites of the church Does the worship of God begin and end within each ritual enactment or does the truth and value of sacramental celebration reside in the broader context of Christian life in church and society For more than two

decades prominent Jesuit sacramental liturgical theologian Bruce Morrill has explored the promise and problems inherent in the Second Vatican Council's call to renew liturgy's basic purpose namely the glorification of God and the sanctification of people Morrill's fundamental argument is that this ancient Christian principle is of a piece that divine glory and human holiness are so to speak two sides of a single coin The value of liturgy and sacraments is depleted if not lost unless they function within a holistic practice of faith that seeks the upbuilding of ethical lives personal and social With numerous real life examples plus references to current sociological studies the chapters address both modern challenges to and biblical and traditional resources for the celebration of sacramental rites today Reconciling Embrace Robert J. Kennedy, 1998 How do we think about sacramental reconciliation at this time in history How do we minister to alienated and inactive Catholics who wish to be reconciled to the church To begin to answer these questions from back cover **The Rites of Passage of Jean Genet** Gene A. Plunka, 1992 In this book Gene A Plunka argues that the most important single element that solidifies all of Genet's work is the concept of metamorphosis Genet's plays and prose demonstrate the transition from game playing to the establishment of one's identity through a state of risk taking that develops from solitude However risk taking per se is not as important as the rite of passage Anthropologist Victor Turner's work in ethnography is used as a focal point for the examination of rites of passage in Genet's dramas Rejecting society Genet has allied himself with peripheral groups marginal men and outcasts scapegoats who lack power in society Much of their effort is spent in revolt or direct opposition in mainstream society that sees them as objects to be abused As an outcast or marginal man Genet solved his problem of identity through artistic creation and metamorphosis Likewise Genet's protagonists are outcasts searching for positive value in a society over which they have no control they always appear to be the victims or scapegoats As outcasts Genet's protagonists establish their identities by first willing their actions and being proud to do so Unfortunately man's sense of Being is constantly undermined by society and the way individuals react to roles norms and values Roles are the products of carefully defined and codified years of positively sanctioned institutional behavior According to Genet role playing limits individual freedom stifles creativity and impedes differentiation Genet equates role playing with stagnant bourgeois society that imitates rather than invents the latter is a word Genet often uses to urge his protagonists into a state of productive metamorphosis Imitation versus invention is the underlying dialectic between bourgeois society and outcasts that is omnipresent in virtually all of Genet's works Faced with rejection poverty oppression and degradation Genet's outcasts often escape their horrible predicaments by living in a world of illusion that consists of ceremony game playing narcissism sexual and secret rites or political charades Like children Genet's ostracized individuals play games to imitate a world that they can not enter Essentially the play acting becomes catharsis for an oppressed group that is otherwise confined to the lower stratum of society Role players and outcasts who try to find an identity through cathartic game playing never realize their potential in Genet's world Instead Genet is interested in outcasts who immerse themselves in solitude and create their own

sense of dignity free from external control Most important these isolated individuals may initially play games yet they ultimately experience metamorphosis from a world of rites charades and rituals to a type of sainthood where dignity and nobility reign The apotheosis is achieved through a distinct act of conscious revolt designed to condemn the risk taker to a degraded life of solitude totally distinct from society s norms and values Book Jacket **Introduction to New and**

Alternative Religions in America William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital

Rites Of Alienation Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rites Of Alienation has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rites Of Alienation has opened up a world of possibilities. Downloading Rites Of Alienation provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rites Of Alienation has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rites Of Alienation. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rites Of Alienation. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rites Of Alienation, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable

antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rites Of Alienation has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
