Survey of South-Eastern Scotland - Meeting of Edinburgh 8-15 Aout 1951 ,1951 Papers from the Department of Geography, Edinburgh University University of Edinburgh. Dept. of Geography,1963 *The Making of the Scottish Countryside* M. L. Parry,T. R. Slater,2021-10-12 Originally published in 1980 this book examines the evolution of the Scottish landscape from pre historic times to the mid nineteenth century It considers the way in which the structural base of agriculture and the changing farming system came to alter the Scottish rural landscape This book with its focus on the underlying landscape processes gives a developmental view of landscape change It therefore considers the crucial question of the rate and pace of landscape change and argues that the Scottish landscape was not the product of a few brief phases of quite rapid development but rather the result of a continual and gradual process of change It also looks at the regional variation of landscape change and establishes the importance of regional linkages in the diffusion of ideas especially in new technology *Regional Climates of the British Isles* Julian Mayes,Dennis Wheeler,2002-09-11 Global climate and the effects of global warming are commanding unprecedented interest as climates grow more dynamic and changeable How does global warming change patterns of climate Why is the weather and climate of the British Isles so variable *Regional Climates of the British Isles* presents a comprehensive and up to date survey of the diverse climate of the British Isles Examining the ways in which regional climates evolve from the interplay of meteorological conditions and geography of the British Isles leading climatologists provide detailed explanations of the climatic characteristics of eleven regions of the British Isles Climatic distinctiveness and local weather contrasts are described for each region together with a summary of climatic data from 1961 to the present Reviewing the history and causes of climatic change and evaluating regional models *Regional Climates of the British Isles* offers an important analysis of climatic variations Examining future climatic change and its likely consequences the authors acknowledge the need for regionally diverse responses to the greenhouse effect *Papers* University of Edinburgh. Department of Geography,1950 **Studies in Scottish Business History** Peter L. Payne,2013-11-05 This book was first published in 1967 This volume contains a number of essays looking at Scottish business history its sources and archives Section two explores domestic and enterprise organisation with examples of lead mining joint stock and he law the Glasgow savings bank and the east coast herring fishing Section three expands Scottish Enterprise overseas from 1707 to the nineteenth century *Journal of Archaeological Science* Society for Archaeological Sciences (U.S.),1998
