

Scipio Aemilianus

Kathryn Welch

Scipio Aemilianus:

Scipio Aemilianus A. E. Astin, 1967 **Scipio Aemilianus** Alan E. Astin, 1971 Warfare in the Roman Republic Lee L. Brice, 2014-04-21 This easy to use reference book covers the most important people places events and technologies of Roman warfare during the republic 400 31 BCE providing a wealth of reference material and invaluable primary source documents The study of ancient Rome remains both a high interest topic and a staple of high school and university curricula while recent Hollywood movies continue to heighten popular interest in Rome This multi format handbook examines warfare in ancient Rome during the republic period from approximately 400 BCE to 31 BCE Presenting ready reference primary source documents statistical information and a chronology the title explore all aspects of conflict during this time period including key military leaders pivotal battles and sieges new weapons and technologies and the intersections of warfare and society in the ancient world The reference entries provide detailed snapshots of key people events groups places weapons systems and strategies that enable readers to easily understand the critical issues during 400 years of the Roman Republic while various overview causes and consequences essays offer engaging in depth coverage of the most important wars By providing students with in depth information about how the Roman Army operated they develop a fuller understanding Roman ancient and world history *The Hellenistic World and the Coming of Rome* Erich S. Gruen, 1986-09-25 In this revisionist study of Roman imperialism in the Greek world Gruen considers the Hellenistic context within which Roman expansion took place The evidence discloses a preponderance of Greek rather than Roman ideas a noteworthy readiness on the part of Roman policymakers to adjust to Hellenistic practices rather than to impose a system of their own De Foenore Et Usuris Libri Tres Gerard Noodt, 2009 Memorable Deeds and Sayings Valerius Maximus, 2004-03-01 Popular in its day both as a sourcebook for writers and orators and as a guidebook for living a moral life this remarkably rich document serves as an engaging introduction to the cultural and moral history of ancient Rome Valerius thousand tales are arranged thematically in ninety one chapters that cover nearly every aspect of life in the ancient world including such wide ranging topics as military discipline child rearing and women lawyers As a whole the work gives the reader fascinating insights into what it felt like to be an ancient Roman what the ancient Romans really believed what their private world was like how they related to one another and what they did when nobody was watching **Adoption in the Roman World** Hugh Lindsay, 2009-10-29 Full account of the practice including the procedures and adoption s use as a mode of succession especially in political circles *Of Beards and Men* Christopher Oldstone-Moore, 2015-12-02 Beards they re all the rage these days Take a look around from hip urbanites to rustic outdoorsmen well groomed metrosexuals to post season hockey players facial hair is everywhere The New York Times traces this hairy trend to Big Apple hipsters circa 2005 and reports that today some New Yorkers pay thousands of dollars for facial hair transplants to disguise patchy juvenile beards And in 2014 blogger Nicki Daniels excoriated bearded hipsters for turning a symbol of manliness and power into a flimsy fashion

statement The beard she said has turned into the padded bra of masculinity Of Beards and Men makes the case that today's bearded renaissance is part of a centuries long cycle in which facial hairstyles have varied in response to changing ideals of masculinity Christopher Oldstone Moore explains that the clean shaven face has been the default style throughout Western history see Alexander the Great's beardless face for example as the Greek heroic ideal But the primacy of razors has been challenged over the years by four great bearded movements beginning with Hadrian in the second century and stretching to today's bristled resurgence The clean shaven face today Oldstone Moore says has come to signify a virtuous and sociable man whereas the beard marks someone as self-reliant and unconventional History then has established specific meanings for facial hair which both inspire and constrain a man's choices in how he presents himself to the world This fascinating and erudite history of facial hair cracks the masculine hair code shedding light on the choices men make as they shape the hair on their faces

The Ambivalence of Imperial Discourse Aaron M. Kahn, 2008 A new reading of Miguel de Cervantes play *La Destrucción de Numancia* c 1583 analysing the work in relation to theories of empire in 16th century Spain in the context of plays written immediately before the rise in popularity of Lope de Vega and the *comedia nueva* and the playwright's innovative use of dramatic techniques

Rank and Participation in the Republican Senate Francis X. Ryan, 1998 This work examines the status privileges and functions of each division of the republican Roman senate the consular grade especially the *principes senatus* and the junior senators especially the tribunician and quaestorian grades The author's analysis focuses on the level of participation in senate debates by each rank of senator

From the Gracchi to Nero , Ancient Rome Matthew Dillon, Lynda Garland, 2015-06-26 In this second edition *Ancient Rome* presents an extensive range of material from the early Republic to the death of Augustus with two new chapters on the Second Triumvirate and The Age of Augustus Dillon and Garland have also included more extensive late Republican and Augustan sources on social developments as well as further information on the Gold Age of Roman literature Providing comprehensive coverage of all important documents pertaining to the Roman Republic and the Augustan age *Ancient Rome* includes source material on political and military developments in the Roman Republic and Augustan age 509 BC AD 14 detailed chapters on social phenomena such as Roman religion slavery and freedmen women and the family and the public face of Rome clear precise translations of documents taken not only from historical sources but also from inscriptions laws and decrees epitaphs graffiti public speeches poetry private letters and drama concise up to date bibliographies and commentaries for each document and chapter a definitive collection of source material on the Roman Republic and early empire Students of ancient Rome and classical studies will find this new edition invaluable at all levels of study

Political Autobiographies and Memoirs in Antiquity Gabriele Marasco, 2015-11-24 Ancient autobiography has been the object of several studies and meetings However these have focused

chiefly on the philosophical and literary aspects This book aims to examine the development of political autobiography and memoirs in the Greek and Roman world stressing instead the relation of a single work with the traditions of the genre and also the influence of the respective aims of the authors on the composition of autobiographies At times these works were written as a means of propaganda in a political struggle or to defend a past action and often to furnish material to historians Nonetheless they still preserve the personal viewpoint and voice of the protagonists in all their vividness even if distorted by the aim of defending their record Political Autobiographies and Memoirs in Antiquity will be a highly valuable and useful reference tool for both scholars and students of Greek and Roman history and literature **Rome's Sicilian Slave Wars**

Natale Barca, 2020-10-19 A study of the two Late Republic slave revolts exploring their social context the nature of slavery at the time and the causes of the conflicts In 136 BC in Sicily which was then a Roman province some four hundred slaves of Syrian origin rebelled against their masters and seized the city of Henna with much bloodshed Their leader a fortune teller named Eunus was declared king taking the Syrian royal name Antiochus and tens of thousands of runaway slaves as well as poor native Sicilians soon flocked to join his fledgling kingdom Antiochus ambition was to drive the Romans from the whole of Sicily The Romans responded with characteristic unwillingness and relentlessness leading to years of brutal warfare and suppression Antiochus Kingdom of the Western Syrians was extinguished by 132 but his agenda was revived in 105 BC when rebelling slaves proclaimed Salvius as King Tryphon with similarly bitter and bloody results Natale Barca narrates and analyses these events in unprecedented detail with thorough research into the surviving ancient sources The author also reveals the long term legacy of the slaves defiance contributing to the crises that led to the seismic Social War and setting a precedent for the more famous rebellion of Spartacus in 73 71 BC Praise for Rome's Sicilian Slave Wars An interesting read and a good account of these large scale and very significant slave uprisings giving us an idea of what the rebels were attempting to achieve the methods they chose and each revolt managed to survive for so long before being crushed History of War The Roman Occupation of Iberia J J Herrero Giménez, 2025-03-30 The area of Hispania this being the Roman name for the Iberian Peninsula and its provinces had a great influence on the development of the history of Ancient Rome In part this was because some of Rome's main emperors such as Trajan or Hadrian politicians including Lucius Cornelius Balbus the first consul of the Republic born outside of Italy writers and poets like Martial or Lucanus and philosophers like Seneca came from the Iberian Peninsula It was also a consequence of the enormous commercial flow that existed between the colony and the metropolis and because some of the events that took place in Hispania deeply marked Rome For this reason many of the main protagonists of its history at some point in their lives lived and fought in Hispania including such individuals as Sulla Pompey Julius Caesar and Augustus among many others Iberia became a battleground between Rome and Carthage in the Second Punic War followed by the endless bloody struggle against the Iberian and Celtic tribes that turned Hispania into a kind of Vietnam for the Romans It was also the scene of bitter fighting during the Civil Wars that led to the end of the

Republic and the beginning of the Empire with the great battles between Julius Caesar and the sons of Pompey as well as the final defeat of Quintus Sertorius who had held out in Spain for over a decade There was also three years of struggle by the Emperor Augustus trying to quell the revolts of the Cantabrian tribes Lastly Spain as with other parts of the Empire had to battle the barbarian incursions Those by the Mauri came from the south while from the north poured the Goths At first they became foederati of the Romans fighting for the Empire in exchange for land but when Rome ended up collapsing the Goths occupied the space of power left by the Romans This though did not mean the disappearance of the Hispano Romans but rather that they began to collaborate with the new occupiers of Hispania and their influence and legacy can still be felt today This is seen not only through its language and culture but also through a multitude of public works and an enormous amount of historical heritage that we can still enjoy

Rome's Economic Revolution Philip Kay, 2014-01-23 In this volume Philip Kay examines economic change in Rome and Italy between the Second Punic War and the middle of the first century BC He argues that increased inflows of bullion in particular silver combined with an expansion of the availability of credit to produce significant growth in monetary liquidity This in turn stimulated market developments such as investment farming trade construction and manufacturing and radically changed the composition and scale of the Roman economy Using a wide range of evidence and scholarly investigation Kay demonstrates how Rome in the second and first centuries BC became a coherent economic entity experiencing real per capita economic growth Without an understanding of this economic revolution the contemporaneous political and cultural changes in Roman society cannot be fully comprehended or explained

Philip V of Macedon in Polybius' Histories Emma Nicholson, 2023 Philip V of Macedon in Polybius Histories Politics History and Fiction offers a historiographical and literary study of Polybius portrait of Philip V and aims to advance our knowledge of both the Macedonian king and the historian It takes a chronological and thematic approach exploring how Polybius political historiographical and didactic aims impact the king's depiction from beginning to end The first half focuses on political and rhetorical aspects it highlights the embedded Achaean perspective of the narrative and how this fundamentally shapes Philip's image it re-evaluates key character defining episodes such as the sack of Thermum and the attempt on Messene and it problematizes Polybius claim that Philip became increasingly treacherous and tyrannical towards the Greeks after 215 BC The second half explores how Polybius develops his interpretation of the king through ideological and literary means it investigates how Polybius uses cultural politics to blacken Philip's image and justify the exchange of Macedon and Rome as hegemonic powers in the Greek world it rationalizes his use of a tragic mode for Philip's last years examining the implications this styling has for our historical understanding of the king and it considers how tensions between Polybius narrative and commentary on Philip may be the result of his combination of historiographical and biographical modes of presentation It finishes by resituating Philip in the broader context of the Histories drawing comparisons between his portrait and that of other kings and leaders and discussing how kings are shaped by and contribute to the arguments in

the Histories Appian's Roman History Kathryn Welch, 2015-08-31 Appian of Alexandria lived in the early to mid second century AD a time when the pax Romana flourished His Roman History traced through a series of ethnographic histories the growth of Roman power throughout Italy and the Mediterranean World But Appian also told the story of the civil wars which beset Rome from the time of Tiberius Gracchus to the death of Sextus Pompeius Magnus The standing of his work in modern times is paradoxical Consigned to the third rank by nineteenth century historiographers and poorly served by translators Appian s Roman History profoundly shapes our knowledge of Republican Rome its empire and its internal politics We need to know him better This collection of 15 new papers from a distinguished international team studies both what Appian had to say and how he said it The papers engage in a dialogue about the value of Appian s text as a source of history the relationship between that history and his own times and the impact on his narrative of the author s own opinions most notably that Rome enjoyed divinely ordained good fortune Some authors demonstrate that Appian s text and even his mistakes can yield significant new information others re open the question of Appian s use of source material in the light of recent studies showing him to be far more than a transmitter of other people s work *Eschatology in Antiquity* Hilary Marlow, Karla Pollmann, Helen Van Noorden, 2021-09-29 This collection of essays explores the rhetoric and practices surrounding views on life after death and the end of the world including the fate of the individual apocalyptic speculation and hope for cosmological renewal in a wide range of societies from Ancient Mesopotamia to the Byzantine era The 42 essays by leading scholars in each field explore the rich spectrum of ways in which eschatological understanding can be expressed and for which purposes it can be used Readers will gain new insight into the historical contexts details functions and impact of eschatological ideas and imagery in ancient texts and material culture from the twenty fifth century BCE to the ninth century CE Traditionally the study of eschatology and related concepts has been pursued mainly by scholars of Jewish and Christian scripture By broadening the disciplinary scope but remaining within the clearly defined geographical milieu of the Mediterranean this volume enables its readers to note comparisons and contrasts as well as exchanges of thought and transmission of eschatological ideas across Antiquity Cross referencing high quality illustrations and extensive indexing contribute to a rich resource on a topic of contemporary interest and relevance *Eschatology in Antiquity* is aimed at readers from a wide range of academic disciplines as well as non specialists including seminary students and religious leaders The primary audience will comprise researchers in relevant fields including Biblical Studies Classics and Ancient History Ancient Philosophy Ancient Near Eastern Studies Art History Late Antiquity Byzantine Studies and Cultural Studies Care has been taken to ensure that the essays are accessible to undergraduates and those without specialist knowledge of particular subject areas

Dictionary of World Biography Frank Northen Magill, Alison Aves, 2003-01-23 Containing 250 entries each volume of the Dictionary of World Biography contains examines the lives of the individuals who shaped their times and left their mark on world history Much more than a Who s Who each entry provides an in depth essay on the life and career of the individual

concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements and conclude with a fully annotated bibliography The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history Any student in the field will want to have one of these as a handy reference companion

Scipio Aemilianus Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Scipio Aemilianus free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Scipio Aemilianus free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a

specific topic. While downloading Scipio Aemilianus free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Scipio Aemilianus. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Scipio Aemilianus any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Scipio Aemilianus Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
