Initiation Samael Aun Weor, 2025-02-01 Love is the highest religion Samael Aun Weor The First Public Revelation of the Sexual Teachings in Every Religion All religions have symbols myths and cryptic scriptures that point towards sex but their real meanings were kept secret The Perfect Matrimony was the first book to reveal those secrets to the public The Western religions say that our suffering began when Adam and Eve ate the forbidden fruit an obviously sexual symbol that was never before explained to the public We are suffering today because we are still eating that forbidden fruit When we stop repeating that mistake we can return to Eden a Hebrew word that literally means bliss pleasure delight The forbidden fruit is related to sex Sex is a terrific power that can create or destroy Everything that lives was created through sex Sex is the source of all life even spiritual life Even the soul is created through sex but not the sexual act of the common person To create something divine requires divine sacred sexuality which is very different from the common sexual act To create spiritually we need sexuality that is pure divine holy This is not a book of theories or beliefs but a practical handbook that empowers you to experience the truth for yourself It is filled with practical exercises of sacred sexuality for singles and couples meditation astral projection mantras awakening kundalini and chakras and much more After putting these teachings into daily practice the scriptures of all religions become radiantly clear your spiritual practices become truly effective and powerful and the empty feeling in your heart is replaced by something magical and alive You will then know that real religion is not found in organizations buildings or books it is found in the heart that is inflamed with divine love If you only want one book about real spiritual practice The Perfect Matrimony has everything you need Are you ready for a spiritual and sexual revolution

Jacques Ellul have brought him into the first rank as theologian and social critic Martin Marty commented that if he had to introduce one man from the Protestant world to tell the church what its agenda should be that man would be Ellul The eminent Frenchman now brings us his most profound most moving theological statement For years Jacques Ellul tells us in his preface he had wanted to write a book on The Age of Abandonment for it seemed to him that both society and the church had reached that point described in Scripture when God turns his back and is silent But when he came to elaborate this theme Ellul found himself inexplicably writing on the theme of hope despite the fact that his analysis of society remained unchanged Hope was now no longer a matter of intellect but a word asked by God of the heart for its salvation More than ever before in this book Jacques Ellul shares with readers not only the darkest forebodings of contemporary man s soul but also his own struggle to emerge from despair to a stronger level of Christian faith and hope He writes of hope not in the vein of Moltmann and Metz but in a highly original and penetrating manner
