**Times to 2019** David Montaigne, 2013-01-09 Does the end of the Mayan Calendar start the countdown to Judgment Day Biblical and historical researcher David Montaigne concludes that this is the case He says that the end of the Mayan Long Count is the official start of the Bible's seven year tribulation both were focused on the same astronomical events that occur from 2012 to 2019 The world as we know it will be gone by 2020 Texts from ancient India tell us about great cycles of destruction The Egyptians told the same basic story with different names The Maya reveal another version of the story and were very clear about the timing of events from December 2012 to 2019 Your average American is no expert on these cultures but most people do have a Bible at home and the clearest details on what is about to happen can be found in the Bible if you don't let someone else tell you which parts you should focus on No this isn't what you were taught in Sunday school Religious leaders guide us between the raindrops of curious comments in the Bible We are discouraged from focusing on the parts they say we weren't meant to understand But if we stop glossing over these important passages we will understand a flood of details about the End Times Our leaders are not ignorant of these events The elite already know what is about to happen and they have made preparations most rational people would not believe because evidence is suppressed to avoid chaos They want us to remain ignorant or at least to believe that the details are secrets that cannot be known But the coming events and their timing are not secrets Years ago this book's publication would not have been tolerated by those in power But by now it doesn't matter much their plans are not going to be interfered with at this point Your plans however can still be formulated if you make the choice to understand Topics include Bible Prophecy Matthew 24 36 Knowing the hour and the day The Mayan Calendar and Mythology Pole Shifts Galactic Superwaves Ancient Egypt Ancient India World Mythology The Georgia Guidestones The real Star of Bethlehem and the exact birthday of Christ Calculating the Second Coming and Judgment Day more Predicting Your Future through Astrology Singh Sita Ram, Everybody wants to know his future and to know it correctly here is a book for you After elucidating the fundamental principles of Astrology the treatise has discussed the horoscopes of well known personalities Mahatma Gandhi Rabindra Nath Tagore Jawahar Lal Nehru S Radhakrishnan Indira Gandhi Shirdi Sai Baba Swami Vivekananda Ratan Tata Kumar Mangalam Birla Bill Gates B V Raman Count Louis Hamon Cheiro and many more If you want to know your future then this is the book for you *Astrology as Path to Higher Consciousness* Kurt Abraham, 2009-08 **Divagating Through the Tarot** Rebecca Fitzgerald, 2011-01-28 Tarot cards can provide answers to many everyday questions What can you expect the next six months to look like Should you explore a different career Should you begin a new relationship Is this a good time to travel Divagating through The Tarot provides information on the origin of the cards and what makes them work It also offers a detailed exploration of the symbolism and clear concise meanings for each of the seventy eight cards Author Rebecca Fitzgerald's imagination was captured by both the Tarot's obscure history and the extensive information contained in the cards Their symbolism and archetypes as well as the influence of myths and the role of the collective unconscious act as essential features in understanding the Tarot's meaning

Here she presents a compilation of information and study gathered during the course of her work with the Tarot as well as an exploration of numerology astrology and chakraall connected to the Tarot in various ways Aimed at anyone wishing to learn more about the Tarot its history and its uses Divagating through The Tarot offers both a quick reference guide and extensive examination of this fascinating art
