Scotland Decides The Devolution Issue And The 1997 Referendum:

Scotland Decides Hugh Bochel, David Denver, James Mitchell, Charles Pattie, 2013-01-11 Scotland has a parliament for the first time in almost 300 years and this book is an account of how this came about. The authors trace the origins and history of the demand for home rule in Scotland focusing particularly on developments following the failure of the first referendum on the issue in 1979 which culminated in a second referendum in September 1997. This major political event attracted national and international interest and its decisive result was a milestone in Scottish history. This work presents an analysis of the referendum campaign at both national and local levels including media coverage of the event and the outcome. The reactions of voters are explored on the basis of a large survey of the electorate and lessons to be learnt about referendums in the UK and elsewhere are discussed. The Referendum in Britain Lucy Atkinson, Andrew Blick, Matt Qvortrup, 2020 This book places the European Referendum of 2016 into a historical context that began in the late nineteenth century through to the present day. It provides a constitutional and international perspective and asks how far the original ideas lying behind the referendum were fulfilled in practice. *The Referendum that Changed a Nation* Ailsa Henderson, Robert Johns, Jac M. Larnier, Christopher J. Carman, 2022-11-28 Drawing on data from the Scottish Referendum Study and subsequent Scottish Election Studies, this book provides the first in-depth analysis of how voters engaged with the independence referendum in 2014 and what impact this has had on vote choice, polarisation and engagement in Scotland since then. The book contains eight chapters and discusses how voters engaged with the referendum campaign explains vote choice by examining reactions to the cues of parties, leaders and events and compares the importance of these to calculations about risk. **The Scottish Question** James Mitchell, 2014-06-12 Over half a century ago a leading commentator suggested that Scotland was very unusual in being a country which was in some sense at least a nation but in no sense a state. He asked whether something so anomalous could continue to exist in the modern world. The Scottish Question considers how Scotland has retained its sense of self and how the country has changed against a backdrop of fundamental changes in society, economy and the role of the state over the course of the union. The Scottish Question has been a shifting mix of linked issues and concerns including national identity, Scotland's constitutional status and structures of government, Scotland's distinctive party politics and everyday public policy. In this volume James Mitchell explores how these issues have interacted against a backdrop of these changes. He concludes that while the independence referendum may prove an important event, there can be no definitive answer to the Scottish Question. The Scottish Question offers a fresh interpretation of what has made Scotland distinctive and how this changed over time, drawing on an array of primary and secondary sources. It challenges a number of myths including how radical Scottish politics has been and suggests that an oppositional political culture was one of the most distinguishing features of Scottish politics in the twentieth century. A Scottish lobby consisting of public and private bodies became adept in making the case for more resources from the Treasury without facing up to some of Scotland

s most deep rooted problems **Britain Since 1945** Jonathan Hollowell,2008-04-15 This book offers a comprehensive overview of Britain s development since the end of the Second World War It comprises 23 contributions from leading authorities and newer scholars set in context with a foreword by Raymond Seitz A comprehensive and fascinating introduction to Britain from the end of the Second World War Draws together the themes that have dominated discussion amongst scholars and media commentators The chapters are set in context with a foreword by Raymond Seitz Covers topics such as foreign policy political parties the media race relations women and social change science and IT culture industrial relations the welfare state and political and economic issues in Scotland Wales and Northern Ireland *Takeover* Rob Johns,2016-05-31 Even before soaring to the apparently impossible challenge of an outright majority at Holyrood in 2011 the Scottish National Party had long dominated the political narrative in Scotland With the independence referendum in 2014 and their near clean sweep in the general election the following year the full force of the SNP s power was felt throughout the UK Now with the party s rivals still trailing limply in their wake this new account by two established SNP watchers explains just how they have stormed to victory changing the face of Scottish and British politics for ever Tracing the path from grassroots party of protest to professional highly centralised electoral machine Rob Johns and James Mitchell explore the differing leadership styles and often radical shifts in the party s image from tartan Tories to self styled anti austerity crusaders Along the way they analyse the internal battles between the leadership members and activists map the changing profile of the average SNP voter and outline the new challenges that have come with increased electoral success Engaging impartial and above all insightful *Takeover* charts the rise and rise of Scotland s biggest party and asks where now for the SNP in the wake of a historic third successive victory Central Debates in British Politics John Benyon,David Denver,Justin Fisher,2014-09-25 *Central Debates in British Politics* focuses on British politics in a changing social economic and institutional context The book explores issues and debates using a variety of approaches and techniques It is written and edited by a team of leading experts who analyse key issues in a highly structured and thematic manner **A Comparative Study of Referendums** Mads Qvortrup,Matt Qvortrup,2005-10-07 Combining an account of the political history and philosophy of the referendum with a thorough assessment of the practical experiences with referendums in western democracies this book has established itself as the unrivalled market leader in the field Fully revised and with new chapters on campaign spending and the administration of referendums the second edition of this book provides a thorough overview of the theory and practice of referendums The Labour Governments 1964-1970 Peter Dorey,2006-04-18 Peter Dorey here presents the most comprehensive in depth and original book of the 1964 1970 labour governments published to date This unique account examines a wide range of political issues and makes extensive use of primary sources recently released by the Public Records Office including previously unpublished cabinet papers ministerial correspondence ministers private papers and interviews with former ministers Peter Dorey analyzes the policies and intra party debates of the era and the

problems which ministers faced in the context of both external events and the growing unrest amongst labour backbenchers Providing a systematic analysis of this key period in modern British history contributions span economic policies foreign affairs social reform liberalism constitutional reform and territorial management thus ensuring that this text is essential reading for researchers and students of politics and government *Possible Scotlands* Caroline

McCracken-Flesher,2005-09-22 No thanks to Walter Scott Scotland has at last regained its parliament If this statement sounds extreme it echoes the tone that criticism of Scott and his culture has taken through the twentieth century Scott is supposed to have provided stories of the past that allowed his country no future that pushed it out of history Scotland has become a place so absorbed in nostalgia that it could not construct a politics for a changing world Possible Scotlands disagrees It argues that the tales Scott told however romanticized also provided for a national future They do not tell the story of a Scotland lost in time and lacking value Instead they open up a narrative space where the nation is always imaginable This book reads across Scott s complex characters and plots his many personae his interventions in his nation s nineteenth century politics to reveal the author as an energetic producer of literary and national culture working to prevent a simple or singular message Indeed Scott invites readers into his texts to develop multiple and forward looking interpretations of a Scotland always in formation Scott s texts and his nation are alive in their constant retelling Scott was an author for Scotland s new times **Making Thatcher's Britain** Ben Jackson,Robert Saunders,2012-08-02 This book situates the

controversial Thatcher era in the political social cultural and economic history of modern Britain Negotiating Demands

Laura Huey,2007-01-01 The relationship between policing and the governance of society is an important and complex one especially as it relates to destitute areas Through a comparative analysis of policing in skid row districts in three cities Edinburgh San Francisco and Vancouver Negotiating Demands offers an inside look at the influence of local political moral and economic issues on police practices within marginalized communities Through an analysis of various theoretical approaches and ethnographic field data Laura Huey unveils a portrait of skid row policing as a political process Police are regularly called upon to negotiate often conflicting sets of demands especially within the context of disadvantaged or troubled neighbourhoods Examining a broad spectrum of police procedures and community responses Huey offers a reconceptualization of the police as political actors who negotiate demands of different constituencies How the police meet these demands through incident and context specific uses of law enforcement peacekeeping social work and knowledge work are shown to be a product of the civic environment in which they operate and of the moral economic forces that shape public discourse Negotiating Demands is an original and thought provoking study that not only advances our knowledge of police organization and decision making strategies but also refines our understanding of how processes of social inclusion and exclusion occur in different liberal regimes and how they can be addressed *Surges in Party Membership* Lynn

Bennie,James Mitchell,Robert Johns,2024-05-03 This book presents a comprehensive analysis of a remarkable and

unexpected outcome of the 2014 referendum on Scottish independence Despite defeat in the Scottish referendum the two leading parties in the Yes campaign the Scottish National Party and Scottish Green Party experienced an extraordinary surge in membership The book explains these events examining the relationship between political parties and social movements and it assesses the long term consequences of the surge Based on surveys of members and interviews with party and movement actors since the referendum the book analyses the members involvement in the 2014 referendum their motives for joining a party their backgrounds and political attitudes and their behaviour as party members A key component of the book is how the surge changed the parties socio demographically ideologically and organisationally This book will appeal to scholars students and observers of electoral politics political participation social and political movements and political parties and their members and more broadly to those interested in the debate on Scottish independence British politics and comparative politics The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution CC BY 4.0 license

A History of the Peoples of the British Isles Thomas Heyck, 2019-06-19
 Volume III deals with the long twentieth century Its main themes are the contraction of British industrial power and the shift to a service based economy the decline of Victorianism and the rise of Modernism the climax of class society between the wars and the blurring of class lines after the 1960s the impact of two world wars the decline of British power and the empire the partition of Ireland the devolution of power to Wales and Scotland

Small Nations, High Ambitions X. Hubert Rioux, 2020-03-04
 Given the importance that entrepreneurship and start up businesses in technology intensive sectors like life sciences renewable energy artificial intelligence financial technologies software and others have come to assume in economic development the access of entrepreneurs to appropriate levels of finance has become a major focus of policymakers in recent decades Yet this prominence has led to a variety of policy models across countries and even within countries as different levels of government have adapted to new challenges by refining or transforming pre existing institutions and crafting new policy tools Small Nations High Ambitions investigates the roots of such policy diversity at the subnational level offering in depth accounts of the evolution of Quebec's and Scotland's policy strategies in the entrepreneurial finance sector and venture capital more specifically As compared to other regions and provinces in the United Kingdom and Canada Quebec and Scottish venture capital ecosystems rely on a high degree of state intervention either direct through public investment funds or indirect through government backed hybrid or tax advantaged funds These two regions can thus be described as sponsor states heavily involved in the strategic backing of innovative businesses Whereas most of the literature on venture capital has focused on economic variables to explain variations in policy models this book seeks to explain policy divergence in Quebec and Scotland through political and ideological lenses Its main argument is that the development of venture capital ecosystems in these regions was underpinned by Quebecois and Scottish nationalisms which induced preferences for policy asymmetry and state intervention

Forging Democracy Geoff

Eley,2002-04-11 Democracy in Europe has been a recent phenomenon Only in the wake of World War II were democratic frameworks secured and even then it was decades before democracy truly blanketed the continent Neither given nor granted democracy requires conflict often violent confrontations and challenges to the established political order In Europe Geoff Eley convincingly shows democracy did not evolve organically out of a natural consensus the achievement of prosperity or the negative cement of the Cold War Rather it was painstakingly crafted continually expanded and doggedly defended by varying constellations of socialist feminist Communist and other radical movements that originally blossomed in the later nineteenth century Parties of the Left championed democracy in the revolutionary crisis after World War I salvaged it against the threat of fascism and renewed its growth after 1945 They organized civil societies rooted in egalitarian ideals which came to form the very fiber of Europe s current democratic traditions The trajectories of European democracy and the history of the European Left are thus inextricably bound together Geoff Eley has given us the first truly comprehensive history of the European Left its successes and failures its high watermarks and its low tides its accomplishments insufficiencies and excesses and most importantly its formative lasting influence on the European political landscape At a time when the Left s influence and legitimacy are frequently called into question Forging Democracy passionately upholds its vital contribution

The Palgrave Handbook of European Referendums Julie Smith,2021-03-02 This handbook provides an empirically rich analysis of referendums in Europe from the end of the Second World War to the present It addresses a range of perennial theoretical and legal questions that face policy makers when they offer citizens the chance to take or influence decisions by referendum not least whether to accept the will of the people Taking a multi disciplinary approach drawing on historical philosophical and political science perspectives the book includes a contextual section on the history of referendums the theoretical questions underpinning their use and on constitutional and legal questions about the use of referendums The empirical sections are divided into those referendums that focus on domestic issues such as constitutional matters or questions of social policy and those related to the European Union including membership referendums and treaty ratification

John Major: An Unsuccessful Prime Minister? Kevin Hickson,Ben Williams,2017-05-23 This year marks the twentieth anniversary of one of the most momentous general elections this country has ever seen John Major s defeat in 1997 ended a record eighteen years of Tory government prompting accusations of failure and ignominy A controversial leader Major oversaw numerous crises in international and domestic policy Between 1990 and 1997 he presided over Britain s participations in the Gulf War the start of the Northern Ireland peace process the Maastricht Treaty negotiations and famously Black Wednesday and Britain s exit from the ERM Towards the end Major s government was split over Europe and ridden with allegations of sleaze Widely criticised by the media and politicians from all parties Major went on to be crushed by Tony Blair and New Labour in the 1997 general election An Unsuccessful Prime Minister is the first wide ranging appraisal of John Major s government in nearly two decades This book reconsiders the role of John Major as Prime Minister

and the policy achievements of his government Major's government faced many more constraints and left behind a more enduring legacy than his critics allowed at the time or since *Scottish National Party (SNP) Leaders* James Mitchell, 2016-09-15 By any measure the story of the Scottish National Party is an extraordinary one Forced to endure decades of electoral irrelevance since its creation in the 1930s during which it often found itself grappling with internal debate on strategy and rebellion from within its own ranks the SNP virtually swept the board in the 2015 general election winning all but three of Scotland's fifty nine seats in Westminster What's more under the current leadership of Nicola Sturgeon the SNP has never been a more important force in the landscape of British politics The leaders who have stood at its helm during this tumultuous eighty year history from Sir Alexander MacEwen to Nicola Sturgeon and Alex Salmond have steered the SNP vessel with varying degrees of success but there is no doubt that all have contributed to the shape purpose and ultimate goal of the party of government we see today The latest addition to the acclaimed British Political Leaders series *Scottish National Party Leaders* examines each of these senior figures for the first time and is essential reading for anyone curious about how this former fringe party evolved into a political phenomenon changing not only the face of Scottish politics but British politics as well **British Elections & Parties Review** Lyn Bennie, David Denver, Lisa Harrison, Jon Tonge, 2023-05-09 This volume contains contributions from some of the leading names in British politics covering several aspects of electoral politics

Reviewing **Scotland Decides The Devolution Issue And The 1997 Referendum**: Unlocking the Spellbinding Force of Linguistics

Scotland Decides The Devolution Issue And The 1997 Referendum Introduction

In the digital age, access to information has become easier than ever before. The ability to download Scotland Decides The Devolution Issue And The 1997 Referendum has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Scotland Decides The Devolution Issue And The 1997 Referendum has opened up a world of possibilities. Downloading Scotland Decides The Devolution Issue And The 1997 Referendum provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Scotland Decides The Devolution Issue And The 1997 Referendum has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Scotland Decides The Devolution Issue And The 1997 Referendum. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Scotland Decides The Devolution Issue And The 1997 Referendum. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Scotland Decides The Devolution Issue And The 1997 Referendum, users should also consider the potential security risks associated with online platforms. Malicious

actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Scotland Decides The Devolution Issue And The 1997 Referendum has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Scotland Decides The Devolution Issue And The 1997 Referendum Books

1. Where can I buy Scotland Decides The Devolution Issue And The 1997 Referendum books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Scotland Decides The Devolution Issue And The 1997 Referendum book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Scotland Decides The Devolution Issue And The 1997 Referendum books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
