The Modern Scot Tom Normand, 2017-11-22 This title was first published in 2000 An investigation of Scottish art between 1928 and 1955 to bring into focus the multifaceted project that was Scottish modernism At the core of this work lies the contention that Scottish modernism was underpinned by a desire to express a national consciousness It was this ambition which became the defining feature of radical Scottish art setting the parameters of its relationship with the idea of a coherent and international modern movement With the foundation of the National Party of Scotland in 1928 Scottish

intellectuals began to consider the nature of national identity and the characteristics of a national art The Scottish Renaissance Movement under the voluble leadership of Hugh MacDiarmid set out to articulate these interests developing a vernacular poetry and literature For Scottish artists the way forward was harder to identify as they fought to reconcile the demands for a Scottish national art with the stylistic revolution of international modernism Tom Normand examines the competing claims of nationalism and modernism as they affected Scottish art This in depth analysis of a dynamic episode in Scottish visual culture looks at the work of among others William Johnstone William McCance and John Duncan Fergusson

Refugees and Cultural Transfer to Britain Stefan Manz, Panikos

Panayi, 2013-10-18 This book is the first to focus specifically upon the relationship between refugees and intercultural transfer over an extensive period of time Since circa 1830 a series of groups have made their way to Britain beginning with exiles from the failed European revolutions of the mid nineteenth century and ending with refugees who have increasingly come from beyond Europe The book addresses four specific questions First what roles have individuals or groups of refugees played in cultural and political transfers to Britain since 1830 Second can we identify a novel form of cultural production which differs from that in the homeland Third to what extent has dissemination within and transformation of the receiving culture occurred Fourth to what extent do refugee groups themselves undergo a process of cultural restructuring The coverage of the individual essays ranges from high culture through politics and everyday practices The volume moves away from general perceptions of refugees as problem groups and rather focuses on the way they have shaped and indeed enriched British cultural and political life This book was previously published as a special issue of *Immigrants and Minorities*
