**Awa' An' Bile Yer Heid!** David Ross, 2017-07-05 David Ross has produced an extraordinary eclectic and hilarious collection of thematically arranged Scottish insults abuse and invective which has been wonderfully illustrated throughout by Rupert Besley The best insults according to the author occupy an indefinite space between wit and abuse containing elements of both to varying degree they must always sting the victim or else they are a failure This book is full of rich and expressive examples of insult and invective for all occasions from all over Scotland These have been passed down through the centuries or have emerged in modern times proving that clever insults are infinitely more amusing and memorable than good jokes And so happy reading If you don't like it awa an bile yer heid      *The English Catalogue of Books Published from*

*January, 1835, to January, 1863*, 1864      *Chopin in Britain* Peter Willis, 2017-12-14 In 1848 the penultimate year of his life Chopin visited England and Scotland at the instigation of his aristocratic Scots pupil Jane Stirling In the autumn of that year he returned to Paris The following autumn he was dead Despite the fascination the composer continues to hold for scholars this brief but important period and his previous visit to London in 1837 remain little known In this richly illustrated study Peter Willis draws on extensive original documentary evidence as well as cultural artefacts to tell the story of these two visits and to place them into aristocratic and artistic life in mid nineteenth century England and Scotland In addition to filling a significant hole in our knowledge of the composer's life the book adds to our understanding of a number of important figures including Jane Stirling and the painter Ary Scheffer The social and artistic milieux of London Manchester Glasgow and Edinburgh are brought to vivid life
