Scott, Birds in North-East Scotland Then and Now Adam Watson, Ian Francis, 2012 Field observations mainly in the 1940s and comparison with recent records Adam Watson as a schoolboy made field observations on birds in north east Scotland during the 1940s and early 1950s These are of special interest because hardly any local ornithologists lived there and his main set of observations is published here for the first time As well as accounts for all species seen there is detailed information on several species whose status has changed greatly since declines of breeding greenshanks and ring ouzels and rapid increases in the proportions of feral doves and carrion crows These and other observations form a useful baseline for comparison with what is now being seen and recorded by hundreds of ornithologists

living in and visiting the area Ian Francis came to north east Scotland in the early 1990s and has taken part in many aspects of local ornithology He was first editor of a major book The Breeding Birds of North East Scotland published in 2011 which documents the current breeding distributions of birds and assesses changes over 40 years allowing a modern perspective on Adam Watson s observations from the mid 1900s The current book by Adam Watson and Ian Francis Birds in north east Scotland then and now also includes a previously unpublished account of long term research by Adam Watson Rik Smith and Mick Marquiss on summering snow buntings one of the UK s rarest regularly breeding birds **Place names in much of**

north-east Scotland Adam Watson,2013-03 A study of Celtic Scots and English place names across large sections of north east Scotland based on interviews with indigenous residents working the land and the sea along with historical sources and maps *Scottish Mountaineering Club Journal* Scottish Mountaineering Club,1920 Includes section Mountaineering literature

50 Classic Routes on Scottish Mountains Ralph Storer,2020-04-24 If you enjoy walks in the countryside Scotland should be on your list of places to visit and you should bring this book as your guide Anyone who has ever visited Scotland will mention the Highlands with its rolling hills and unspoiled landscape and this book will guide you along some of the best routes the area has to offer The routes are graded according to difficulty so walkers can easily choose a suitable route from the 50 included in the book Put on your hiking shoes and head for the hills with 50 Classic Routes on Scottish Mountains **Sailing Directions for the West Coast of Scotland** Great Britain. Hydrographic Department,1877

Mammals in north-east Highlands Adam Watson,2013 Timings of antler shedding by red deer were noted as well as deer beds and winter deaths of red deer The author recounts some old published statements about sheep deer and vegetation in the Highlands and uses old sources to estimate the numbers of red deer in Scotland at low ebb in the 1780s Next he collates field observations by several colleagues and himself on vertebrate animals in the Cairngorms He documents the abundance of mountain hares amongst different areas and changes in their numbers within study areas and across years This leads to a chapter on recent reductions of mountain hares by heavy killing on grouse moor estates **Scottish Bird Report**,1997
