The Ravenous Undertaker William Wilson,2020-12-22 The story begins as a couple from Europe sails to America to begin a new life It is a brief look into the trials and tribulations as they strived to reestablish themselves in their new world Kris VanStecklenburg was highly disappointment in finding work in New York He was forced after a year in relocating with wife Helga to Detroit Michigan where their dreams and aspirations ultimately came to fruition It was not until Hans their son s arrival that their dream was complete Hans as he grew up always felt different He did not act like most boys his age Upon reaching high school his whole character changed The feelings he struggled with growing up finally emerged His life changed drastically as he began to follow his emotions and not his heart After meeting Isaac he felt his life whole But soon after their relationship hit a snag and started to decline It was not long that Isaac changed and treated him as just another sex toy One day Isaac up and left without explanation A sad day for Hans but at the same time gave him reason to live His ambition going forward was find Isaac and end his evil ways with what he referred to as sweet revenge Hans eventually enrolled in a local college and earned his postsecondary certificate and bachelor s degree in the mortuary science After graduating began working in a local funeral home on the south side which housed a modern crematory Here he felt he could carry out his dream of good versus evil his own interpretation of sweet revenge on his nemesis Isaac The lab was the perfect setup for disposing of his archenemy without a trace But how was he going to trick or entice Isaac once he located him back to the south side and his domain in the lab After years of planning the elimination of Isaac he and a new partner by the name of Winslow had a plan But at the last moment all the planning and preparation things could not have been more macabre or chilling as the story takes on a life of its own not at all what Hans envisioned quite the opposite
