The Paradise Guest House Ellen Sussman, 2013-03-26 A riveting and poignant novel of one woman's journey to Bali in search of love, renewal, and a place to call home, perfect for readers of Elizabeth Gilbert's *Eat, Pray, Love* and Alex Garland's *The Beach*. It starts as a trip to paradise. Sent on assignment to Bali, Jamie, an American adventure guide, imagines spending weeks exploring the island's lush jungles and pristine white sand beaches. Yet three days after her arrival, she is caught in Bali's infamous nightclub bombings, which irreparably change her life and leave her with many unanswered questions. One year later, haunted by memories, Jamie returns to Bali seeking a sense of closure. Most of all, she hopes to find Gabe, the man who saved her from the attacks. She hasn't been able to forget his kindness or the spark between them as he helped her heal. Checking into a cozy guest house for her stay, Jamie meets the kindly owner who is coping with a painful past of his own and a young boy who improbably becomes crucial to her search. Jamie has never shied away from a challenge, but a second chance with Gabe presents her with the biggest dilemma of all: whether she's ready to open her heart. Look for special features inside. Join the Random House Reader's Circle for author chats and more. Praise for *The Paradise Guest House*: Two survivors of Bali's terrorist bombing find love and spiritual rebirth on an island whose inhabitants believe in reincarnation in Sussman's touching panorama of paradise. Throughout, Sussman celebrates lovers, quiet healing, and the sweetness of the island and its people. Publishers Weekly starred review: A story of healing and redemption of finding love in the most unexpected places and of the importance of moving forward. Sussman has drawn a vivid, well-balanced portrait of a woman and a country working to recover from an unimaginable event and a very personal look at a global tragedy. Booklist: Echoing Bali's difficult recovery from the 2002 terrorist bombing, the characters tread the difficult terrain of post-traumatic attachment. A respectful and earnest treatment of devastation's aftermath. Kirkus Reviews: A moving story about making sense of life after a tragedy. This touching tale will cause contemplation about what closure truly means. RT Book Reviews

**Shadow of the Titanic** Andrew Wilson,2012-03-06 From an acclaimed biographer a riveting account of what happened to the survivors of the Titanic to be published in the lead up to the 100th anniversary of the ship s sinking April 14 2012 will mark the 100th anniversary of the sinking of the Titanic While much has been written about the great ship her shocking demise and those who perished very little has been devoted to the hundreds of survivors InShadow of the Titanic Andrew Wilson offers a moving look at how their lives were affected by living through this catastrophic event For the first time ever those who lived to tell the tale reveal how they coped in the aftermath Using archival research and interviews with family members Wilson offers a unique take on this fascinating story He shows how some survivors used their experience to propel themselves on to fame and how others were wracked with guilt and refused to acknowledge they had been there Some reputations were destroyed and some survivors were so psychologically damaged that they took their own lives years later From the famous survivors like Bruce Ismay and Madeline Astor who became a bride a widow and a mother all within a year to lesser known survivors Dorothy Gibson and the Navartil brothers who were traveling under assumed names because they were being abducted by their father Shadow of the Titanicoffers a host of astonishing stories that add an important new dimension to our understanding of this legendary disaster *Chanelle Hayes - Baring My Heart* Chanelle Hayes,2015-07-02 Appearing Big Brother in 2007 Victoria Beckham lookalike Chanelle Hayes quickly became a national talking point thanks to her tears tantrums and explosive relationship with fellow housemate Ziggy Lichman But despite being one of the most successful BB housemates of all time with a flourishing modelling career and even a foray into the pop world there is so much more to Yorkshire born and bred Chanelle than showbiz ups and downs The young mum s life has been etched with tragedy right from the moment she was born in prison in 1987 Just a few months old she was orphaned when her drug addicted mother was brutally murdered With the real reason for her mother s death shrouded in secrecy Chanelle s teenage years were marked by an agonising quest for the truth which saw her go to extreme and devastating lengths for answers including attempted suicide Her rocky past has also been plagued by eating disorders while Chanelle s romantic history has been defined by heartache and despair Brutally honest and astonishingly sad Chanelle s story does not make for easy reading and she is the first to admit that she is no angel In spite of all her troubles Chanelle has emerged a stronger happier woman who has finally tackled her demons and can now embrace a brighter future with confidence **Spain, as it is** G. Hoskins,1852 **The Independent** ,1890 Inconvenient People Sarah Wise,2014-07-15 The phenomenon of false allegations of mental illness is as old as our first interactions as human beings Every one of us has described some other person as crazy or insane and most all of us have had periods moments at least of madness But it took the confluence of the law and medical science mad doctors alienists priests and barristers to raise the matter to a level of science capable of being

used by conniving relatives designing families and scheming neighbors to destroy people who found themselves in the way people whose removal could provide their survivors with money or property or other less frivolous benefits *Girl Interrupted* in only a recent example And reversing this sort of diagnosis and incarceration became increasingly more difficult as even the most temperate attempt to leave these homes or hospitals was deemed crazy Kept in a madhouse one became a little mad as Jack Nicholson and Ken Kesey explain in *One Flew Over the Cuckoos Nest* In this sadly terrifying emotionally moving and occasionally hilarious book twelve cases of contested lunacy are offered as examples of the shifting arguments regarding what constituted sanity and insanity They offer unique insight into the fears of sexuality inherited madness greed and fraud until public feeling shifted and turned against the rising alienists who would challenge liberty and freedom of people who were perhaps simply difficult but were turned into victims of this unscrupulous trade This fascinating book is filled with stories almost impossible to believe but wildly engaging a book one will not soon forget
