## Screens Against The Sky:

On the Brightness of the Sky and the Total Amount of Starlight Lambertus Yntema, 1909      **Screens Against the Sky** Elleke Boehmer, 1992      *The Off-Screen* Eyal Peretz, 2017-03-21 From the Renaissance on a new concept of the frame becomes crucial to a range of artistic media which in turn are organized around and fascinated by this frame The frame decontextualizes cutting everything that is within it from the continuity of the world and creating a realm we understand as the realm of fiction The modern theatrical stage framed paintings the novel the cinematic screen all present us with such framed off zones Naturally the frame creates a separation between inside and out But as this book argues what is outside the frame what is offstage or off screen remains particularly mysterious It constitutes the primary enigma of the work of art in the modern age It is to the historical and conceptual significance of this off that this book is dedicated By focusing on what is outside the frame of a work of art it offers a comprehensive theory of film a concise history of American cinema from D W Griffith to Quentin Tarantino and a reflection on the place and significance of film within the arts of modernity in general
