Scriptural Allusions In New:

Scriptural Allusions and Exegesis in the Hodayot Julie Hughes, 2018-11-01 It has long been noted that the Thanksgiving Hymns Hodayot from Qumran make extensive use of biblical language A premise of this study of their use of scripture is that these compositions can best be understood by reading them as poetry Using insights from the fields of comparative literature and biblical studies it establishes a method for analysis of the poems and for identification and analysis of scriptural allusions Five poems have been chosen for detailed study The question is asked how would a reader familiar with the scriptural traditions of the period interpret these poems and why The first chapter gives a useful overview of the scholarship to date and indicates the new avenues explored by this study

The Use of Scripture in the Markan Passion Narrative Kelli S. O'Brien, 2010-05-27 The Library of New Testament Studies LNTS is a premier book series that offers cutting edge work for a readership of scholars teachers in the field of New Testament studies postgraduate students and advanced undergraduates All the many and diverse aspects of New Testament study are represented and promoted including innovative work from historical perspectives studies using social scientific and literary theory and developing theological cultural and contextual approaches Kelli S O'Brien examines the use of scripture in the Markan passion narrative O'Brien begins by laying firm methodological foundations providing an incisive definition of the term allusion and the criteria by which the presence of allusions may be established She then tests the plethora of allusions that previous scholars have discerned within Mark 14-15 arguing that only sixteen references have sufficient support to be considered as allusions out of approximately 270 references suggested O'Brien then moves to assess the interpretive impact of the most likely allusions on the Markan passion narrative Some allusions make bold statements with regard to Christology including Jesus' ultimate vindication and exaltation Many however have little Christological content and function as literary devices to interpret the narrative Allusions illuminate the significance of events from the flight of the disciples to the offer of vinegary wine The presence of allusions provides a window to the evangelist's understanding of Jesus' death in eschatological and redemptive terms As such this study is of immense importance in furthering comprehension of the Second Gospel's interpretation of the passion

A Scriptural Theology of Eucharistic Blessings Susan I. Bubbers, 2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers' focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers' interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif

describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters

Biblical Echo and Allusion in the Poetry of W.B. Yeats Dwight Hilliard Purdy, 1994 This book treats the poetics of biblical allusion in the lyric poetry of William Butler Yeats and the ways in which the King James Bible became for Yeats a model for poetry as a communal voice shaping a culture The introduction analyzes the critical history of what Eleanor Cook has termed the poetics of allusion emphasizing the work of the Italian rhetorician Gian Biagio Conte and the American critic and poet John Hollander The major topics considered here are allusions as the intersections of texts as figures of speech and as structural signifiers the centrality of the reader in the study of allusion the quality of allusions their placement and varying degrees of clarity and the centrality of the study of allusion to cultural criticism The first chapter is concerned with the development of the Bible as a model for secular poetry from the late eighteenth century to Yeats surveying Bishop Lowth Blake Coleridge Wordsworth Shelley and Matthew Arnold as well as Yeats's references in his prose works to the Bible as a model for art and the artist and his desire to restore the Bible as sacred text yet write his own Bible Chapters 2 through 5 take up in detail the poetics of biblical allusion and echo in the poems Chapter 2 treats the poetry of the nineties here Yeats usually engages the Bible as an antagonist subverting it for the sake of a Celtic consciousness denying its exclusive claim to spiritual truth But many biblical echoes show Yeats's dependence upon the Bible as a guide to poetic language Chapter 3 concerns the poetry from *In the Seven Worlds* to *The Wild Swans at Coole* Yeats looks on Scripture with an ironic eye often replacing it with what he calls haughtier texts the parables prayers visions and private revelations that mirror biblical models and make biblical texts into warrants for his own theory of rebirth Chapter 4 is a close reading of biblical intertextuality in seven poems *The Second Coming* *Sailing to Byzantium* *Meditations in Time of Civil War* *Nineteen Hundred and Nineteen* *Prayer for My Son* *Dialogue of Self and Soul* and *Vacillation* In these major poems Yeats displays his antitheticality as Hazard Adams calls it putting into dramatic tension biblical texts and his own heterodox ideas about birth death and resurrection Chapter 5 examines the poetry after *Vacillation* where Yeats gives biblical texts often text used before a new sensual gloss but also admits the limits of a high talk derived from scriptural language Chapter 6 places Yeats in the broad context of biblical intertextuality working backward from modernism to Romanticism First the study

contrasts Yeats with two of his contemporaries D H Lawrence and T S Eliot for whom the Bible always asserts its religious authority in the Victorian tradition of Arnold Clough Browning and Tennyson The study concludes by comparing Yeats to Wordsworth and Shelley Although Yeats is deeply indebted to them his attitude is distinct from theirs even when rejecting the Bible Wordsworth and Shelley accept a dogmatic view of it while Yeats escapes dogmatism BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Mutual Boasting in Philippians Isaac D. Blois, 2020-07-23 Isaac Blois argues that Paul's focus in Philippians on the mutual boasting shared between himself and his converts draws on the mutual boasting shared between Israel and her covenant God as apparent in both Deuteronomy and Isaiah Using the appearance of this central theme in the pivotal passages of Phil 1:25-26 and 2:14-16 as his focus Blois stresses the integral relation between mutual boasting and the role that it plays in Paul's exhortations to the Philippian believers exploring its backdrop in both the biblical tradition and the cultures surrounding them Blois demonstrates how the mutual boasting that Paul shares with his beloved community is culturally appropriate the sharing of honor among friends and family was common in antiquity as seen through the epistolary writing of prominent Roman authors such as Cicero Seneca and Fronto In light of the Scriptural and cultural basis for this motif of shared boasting Blois argues that the apostle is able to deploy the motif in order to motivate an appropriate response from his audience in the letter Focusing on the prominence of mutual honor and its use for motivation in Philippians 1 and 2 Blois offers a fresh perspective on the exhortative function of the eschatological boasting that is to exist between Paul and his congregation on the day of Christ

The Things Accomplished Among Us Rebecca I. Denova, 1997-01-01

A Dictionary of Biblical Tradition in English Literature David Lyle Jeffrey, 1992 Over 15 years in the making an unprecedented one volume reference work Many of today's students and teachers of literature lacking a familiarity with the Bible are largely ignorant of how Biblical tradition has influenced and infused English literature

through the centuries An invaluable research tool Contains nearly 800 encyclopedic articles written by a distinguished international roster of 190 contributors Three detailed annotated bibliographies Cross references throughout *Inner Biblical Allusion in the Poetry of Wisdom and Psalms* Mark J. Boda, Kevin Chau, Beth LaNeel Tanner, 2018-09-20 The contributors to this volume discuss not merely the theoretical aspects of the phenomenon of inner biblical allusion but rather provide practical examples of scholars working with specific texts within the wisdom and psalms corpora in order to showcase the function of this phenomenon within poetic texts Closing responses from senior scholars David Clines and John Goldingay provide a critical engagement and mature reflection on the contributions **Writing With Scripture** Nathanael Vette, 2022-02-24 Nathanael Vette proposes that the Gospel of Mark like other narrative works in the Second Temple period uses the Jewish scriptures as a model to compose episodes and tell a new story Vette compares Mark's use of scripture with roughly contemporary works like Pseudo Philo the Genesis Apocryphon 1 Maccabees Judith and the Testament of Abraham diverse texts which combined support the existence of shared compositional techniques This volume identifies five scripturalized narratives in the Gospel Jesus forty day sojourn in the wilderness and call of the disciples the feeding of the multitudes the execution of John the Baptist and the Crucifixion of Jesus This fresh understanding of how the Jewish scriptures were used to compose new narratives across diverse genres in the Second Temple period holds important lessons for how scholars read the Gospel of Mark Instead of treating scriptural allusions and echoes as keys which unlock the hidden meaning of the Gospel Vette argues that Mark often uses the Jewish scriptures simply for their ability to tell a story

Characterizing Jesus Alicia D Myers, 2012-01-12 This study explores how the Fourth Gospel's use of Scripture contributes to its characterization of Jesus Utilizing literary rhetorical criticism Myers approaches the Gospel in its final form paying particular attention to how Greco Roman rhetoric can assist in understanding the ways in which Scripture is employed to support the presentation of Jesus It offers further evidence in favour of the Gospel's use of rhetoric particularly the practices of synkrisis ekphrasis and prosopopoiia and gives scholars a new way to use rhetoric to better understand the use of Scripture in the Fourth Gospel and the New Testament as a whole The book proceeds in three parts First it examines ancient Mediterranean practices of narration and characterization in relationship to the Gospel concluding with an analysis of the Johannine prologue In the second and third parts it investigates explicit appeals to Scripture that are made both in and outside of Jesus discourses Through these analyses Myers contends that the pervasive presence of Scripture in quotations allusions and references acts as corroborating evidence supporting the evangelist's presentation of Jesus The Scriptures in the Book of Revelation and Apocalyptic Literature Susan Docherty, Steve Smith, 2023-06-15 This volume addresses one of the key issues in the study of the Book of Revelation and the apocalyptic genre more broadly the re use within these texts of the Jewish Scriptures A range of expert contributors analyse specific themes and passages and also explore wider methodological questions aiming particularly to engage with the ground breaking work in this field of Steve Moyise Divided into three sections the book first focuses on hermeneutical questions such as the role of typology in interpretation and the relationship between the original meaning of a scriptural text and the sense it acquires in a new literary context In the following section a series of chapters offers detailed exegetical engagement with the Book of Revelation These probe the scriptural background of some of its major theological themes e g time sounds and silence and significant passages e g the Song of the Lamb and other hymns and highlight fresh aspects of its reception by both ancient and modern audiences The final section considers the place of scripture and its interpretation in a selection of other early Jewish and early Christian apocalyptic writings including 1 Enoch Paul's Letters and the First Apocryphal Apocalypse of John Validity in the Identification and Interpretation of Literary Allusions in the Hebrew Bible David R. Klingler, 2021-10-26 Given the present state of affairs in the area of intertextuality along with the multitude of competing interpretations of Scripture Validity in the Identification and Interpretation of a Literary Allusion in the Bible seeks to bring a measure of reason and methodological control back into the discussion With that in mind this work is heavily philosophical yet also deeply practical By defining what

The Rhetorical Role of Scripture in 1 Corinthians John Paul Heil, 2005 *The Rhetorical Role of Scripture in 1 Corinthians* an exegetical analysis of all the explicit quotations and references to the Old Testament in Paul's First Letter to the Corinthians examines the various authoritative roles that not only scriptural quotations but also other explicit references and allusions to scripture play in Paul's rhetorical strategy in the letter Through this careful examination Heil shows how each scriptural quote or reference speaks with the divine authority of the scriptures in general and affects the audience with its authority and rhetorical power The end result is an enlightening portrait of the powerful impact that the Jewish scriptures exerted on Paul's implied audience at Corinth Paperback edition is available from the Society of Biblical Literature www.sbl-site.org

The Prophet and the Sage Brian M. Koning, 2023-03-29 Job and Habakkuk represent the Bible's most focused interlocutors on the concepts of justice and theodicy Both works center upon men chosen by God who see and suffer evil Job 1:8 cf Hab 1:1 Both books record the cries of these men as they wrestled to make sense of the world in which they lived Job 3 cf Hab 1:2-4 While they have a passing similarity what if there is something more fundamental to their connection What if these books are not merely two unconnected discourses on suffering but linked in a significant way By examining the texts themselves this study explores the possibility that a textual relationship exists between portions of Habakkuk and Job and how the underlying transformation of Job's theodicy shapes Habakkuk's dialogue with God
