**Scoffers** Simon Turpin, 2021-08-25 The pervasive influence of unbelievers is a force that demands an answer from the body of Christ Scoffers Responding to Those Who Deliberately Overlook Creation and the Flood offers a strong defense for biblical authority equipping believers to stand firm preach the truth and make disciples The reality of the biblical account of the Flood is that it is a horrifying account of judgment but also one of glorifying redemption The scoffers of Peter's day were very much like modern day skeptics in that they deliberately overlook the facts of biblical history The cost of their unbelief is catastrophic even within the Christian church Author Simon Turpin the executive director of Answers in Genesis in the U K prepares us to confidently counter the philosophical bias of scoffers by Revealing how the Gospel of salvation can only be understood in light of the Genesis account of a six day creation and the global Flood Providing an in depth analysis of 2 Peter 3 to defend the biblical account of Creation against the false notions propagated by scoffers Presenting a strong defense for the coming of Christ and Christianity for those who have rejected the truths found in Genesis 1:11 Scoffers gives today's Christian families and leaders a strong defense for the authority of God's Word helping the Church to withstand in the evil day and having done all to stand Ephesians 6:13

**The Contextual Abuse of the Watchtower Society** Brian Orr, 2013-12-06 The purpose of this work is to demonstrate the lack of reasoning and contextual misuse by the Jehovah's Witnesses in their use of sources and the Scriptures to support their erroneous beliefs and doctrines

of biblical truth Darrell H Hahn Hospice Chaplain Pastors and seminary students want our work even our academic writing to be beneficial to our own souls and also to our churches and families Unfortunately much of our academic work usually provides little direct benefit to those whom we care about the most To resolve this deficiency Nathan has re cast the produce of some of his best research into a more user friendly format Hes done this mainly with his family and church in his mind and on his heart I think hes done us all a great service in the process Chris Wilson Pastor of Payneville Baptist Church in Payneville KY *Book 3 Authority HC* Kurt Jurgensmeier,2012-08-22 Is Scripture really our ultimate authority Most Christians answer this question by simply saying The Bible is my final authority But as we explain here such a view forgets that there is a human being between us and the Bible which is why there are a multitude of interpretations of the Bible that people live by Reformed theologians in particular have claimed that a testimony of the Spirit or some sort of an additional revelation of the Spirit confirms to us what is true But again we can demonstrate that there is no biblical or practical support for this Accordingly we are back to our God given reason and the right and responsibility of private judgment as our ultimate subjective authority by which we live by Postmoderns are right then to assert that our own reason is the god we live by But they are wrong to ignore that our ultimate objective authority is God Who our reasoning will be judged by **Biblical Topography** George Rawlinson,2023-11-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Fight for Sola Scriptura** Matthew Cserhati,2025-01-17 Today the exclusive authority of the Bible is under heavy attack This principle is known as sola scriptura The charismatic movement pays lip service to it it is ignored by liberalism and it is attacked by the Roman Catholic church But even the evangelical world cannot adequately defend the biblical teaching of sola scriptura since even the church has been compromised with competing authorities In this book the reader will understand what sola scriptura is and what it is not and how to articulate it defend it based on the Bible and apply it to his life An overview of the historical development of scriptural authority is provided Several different philosophies will be examined in this book and will be compared with one another on how they relate to Scripture These include the charismatic movement liberal theology Roman Catholicism Eastern Orthodoxy dispensationalism Open Theism

theistic evolution and certain strains of evangelicalism We shall see that the reason extra biblical authorities are given currency is because the authority of the Scriptures themselves are cast into doubt

**Rethinking Eschatology** Jason L. Quintern,2025-01-23 In Rethinking Eschatology Jason L Quintern presents a compelling defense of postmillennialism a theological view that Christ s reign has already begun and is advancing throughout history Challenging popular end times scenarios of decline Quintern argues from a biblical and historical basis that the kingdom of God is progressively expanding through the global spread of the gospel Drawing on scholars like Kenneth Gentry and Keith Mathison he shows how the Scriptures depict a victorious ever growing Christian influence culminating in Christ s return and the final renewal of creation This book is ideal for students of Scripture church leaders and anyone seeking an optimistic and well reasoned perspective on God s plan for history and the future

**The Case for Catholicism** Trent Horn,2017-11-29 This is the most up to date comprehensive and thorough defense of the Catholic Church against Protestant objections in print This book is especially relevant as the 500th anniversary of the Protestant Reformation draws near and discussion of the arguments made against the Church during that time in history receive renewed interest The Case for Catholicism answers arguments put forward by early Reformers like Luther and Calvin as well as contemporary defenders of Protestantism like Norm Geisler and R C Sproul It provides a meticulous defense of the biblical and historical nature of Catholic doctrines from Scripture and church history Finally in both answering Protestant objections to Catholicism and in providing evidence for the Faith The Case for Catholicism cites modern Protestant scholars who question Reformation assumptions and show how evidence from Scripture and church history support aspects of Catholic theology This book is divided into four sections with each answering a key question Christians have asked about the nature of their faith Those key questions are What is my authority What is the Church How am I saved Who belongs to the body of Christ The Case for Catholicism will become a reliable resource for any Catholic who desires a well researched readable and persuasive answer to Protestant arguments made against the Catholic faith

**Book 13 Tradition PB** Kurt Jurgensmeier, 2012-08-24 What extra biblical doctrines and traditions did early Christian leaders teach How do we evaluate these teachings Of course Roman Catholicism Romanism has always given a great deal of authority to these writings Accordingly in the course of our study we provide a biblical critique of several of their foundational beliefs including The early Church leaders taught some weird stuff that cannot be backed by Scripture Romanism has a history of teaching and practicing extra biblical or unbiblical traditions like indulgences celibacy of the priesthood and restricting the reading of Scripture all with horrible consequences The authority claimed by the Papacy has no biblical support was denounced by several early Church Fathers and has been rightly questioned because of its historical errors ineffectiveness and immorality The Roman doctrines concerning Mary are unbiblical and result in the idolatrous worship and deification of a good woman *Essential Church History* Adam Murrell, 2010-12-09 *Essential Church History* is an interesting informative and consistently readable narrative of the church It brings to life central people and dramatic events that shaped the Christian religion including the formation of the canon the Arian controversy the Crusades and the Reformation period Adam Murrell skillfully shows how the Bible the believer's ultimate authority must remain at the forefront in order for the church to be guided into truth When that authority is abandoned or forsaken however the consequences are always devastating as witnessed in the errors of Arianism Pelagianism holy wars the moral bankruptcy of the medieval church and liberal Protestantism *Essential Church History* will serve as a fascinating introduction to the panoramic history of Christianity all the while providing biblical truths for students and teachers of church history for pastors and for general readers **Book 14 Mysticism PB** Kurt Jurgensmeier, 2012-08-22 Does God speak to us apart from Scripture The belief that God provides us with extra biblical revelation for extra biblical decision making what we term as mega mysticism is incredibly popular Hence there are a multitude of books explaining how to hear from God Once again we go to

Scripture to answer vital questions regarding how God communicates with us today and come to the following conclusions The idea that God grants extra biblical amoral revelation directly to our minds is not supported in Scripture God does not have a private personal will for our lives that we must discern outside of Scripture The translation of paraklete in the Gospel of John as Counselor is incorrect The wisdom we are to ask for in James 1 is entirely moral in nature as described in James 3 It does not include answers to all the questions that mega mystics claim God wants to answer Mega mysticism is leading many Christians astray in dangerous ways **Jesus "The Way, The Truth and The Life"** Thd Bish,2011 Jesus The Way The Truth and The Life will prove that Jesus is the only Way to God the very embodiment of all Truth and the very essence of Life just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying I am the way the truth and the life and that no one comes to the Father except through Me This book will show using systematic theology proofs and truth arguments that Jesus is exactly who He says He is confirmed by God the Father the Holy Spirit and by Christ Himself Jesus said in Mark 8 27 of scripture Who do you say I Am This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that You are the Christ the Son of the Living God Time is getting short and Jesus is on His way back to earth It s not a time to be confused or wrong on issues having eternal consequences Though the book reads as a college textbook it forces you to think and study the word of God The book is most valuable in a curriculum setting or for those interested in Christian apologetics Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way truth and the life and all others are false This book stands on the foundation that a relationship with God thru Christ is by faith alone Sola Fide by grace alone Sola Gratia by Christ alone Solus Christus by scripture alone Sola Scriptura and with glory to God alone Soli Deo Gloria Dr Ronald N Bish ThD received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering For further information contact [www.ronaldbish.com](http://www.ronaldbish.com) *Book 7 Revelation PB* Kurt Jurgensmeier,2012-08-22 How and why has God spoken to us Our purpose in this book is to provide a biblical study of the various types and purposes of the myriad of different methods of divine revelation In the process we endeavor to answer such critical and controversial questions as How do we know when God is speaking What has been the progression of divine revelation What are the only two methods of revelation that God uses to communicate to all of humanity Why is Scripture so authoritative and sufficient for the Christian life What are the several vital but often neglected ways that God speaks to us apart from Scripture How does God expect us to make decisions and does He have a personal will for our lives that cannot be found in Scripture Does God speak to us by planting thoughts in our mind [Is Jesus Human and Not Divine?](#) Christopher M.
