

Scripture and Knowledge An Essay on Religious Epistemology

Biderman

Leonard J. Swidler

Joyce in the Belly of the Big Truck; Workbook Joyce A. Cascio, 2005-05 **Scripture and Knowledge Shlomo** Bîderman, 1995 Scripture and Knowledge clarifies the epistemological uses of scripture and examines some of the ways in which these uses have been understood in religious traditions. The author contends that philosophers have neglected scripture as a means of understanding religion He shows the inadequacy of prevalent emphases on either the content or the social function of scripture as the sole measure of its role As the author demonstrates scripture has a unique epistemological aspect that of a framework that gives believers a total picture of the world and its significance A discussion of the knowledge claims made by scripture and of the authority by which these claims are justified is accompanied by extended examples from **Jewish and Hindu sources** Biblical Knowing Dru Johnson, 2014-08-28 The importance of human knowledge and the consequences of error are constantly stressed within Scripture which emphasizes the knowledge of good and evil knowing that YHWH IS your God knowing that Jesus is the Christ and the goal of developing Israel into a wise and discerning people We too long for confidence in our understanding the assurance that our most basic knowledge is not ultimately incorrect Biblical Knowing assesses what Israel knew but more importantly how she was meant to know introducing a comprehensive scriptural epistemology firmly rooted in the Scripture's own presentation of important epistemological events in the story of Israel Because modern philosophy has also made authoritative claims about knowledge Biblical Knowing engages contemporary academic views of knowledge e g Reformed Epistemology scientific epistemology Virtue Epistemology etc and recent philosophical method e g Analytic Theology assessing them for points of congruence ordeparture from Scripture s own epistemology Additionally Biblical Knowing explores what proper knowing looks like in the task of theology itself in the teaching and preaching of the church and in the context of counseling The Bible and Epistemology Mary Healy, Robin A. Parry, 2007 Many theologians and Christian philosophers have given considerable attention to the theory of knowledge in recent years However the rich resources of the biblical literature on questions of knowledge especially the knowledge of God have hardly begun to be mined because biblical scholars have rarely posed such questions to the texts In this volume Protestant and Catholic biblical scholars reflect on what different parts of the Bible may have to contribute to our understanding of knowledge in general and the knowledge of God in particular Chapters on Deuteronomy the Psalms the Prophets Wisdom literature Luke Acts Johannine literature and Paul's letters reveal something of the Bible's diverse and nuanced approach to the issues The book ends with some reflections on the material from a theologian and from a Christian philosopher Scripture's Knowing Dru Johnson, 2015-10-22 Scripture's Knowing is a guide to the emerging field of philosophical study of Scripture specifically about knowing Assuming that the Scriptures speak verbosely and persistently about knowing what do the biblical authors have to say How do they conceptualize ideas like truth and knowledge Most importantly how do we come to confidently know anything at all Scripture's Knowing follows the discourse on knowledge

through key biblical texts and shows the similarity of biblical knowing with the scientific enterprise The findings are linked to the role of ritual in knowing and implications for theologians and churches today Bible Myths and their Parallels in other Religions T. W. Doane, 2022-11-13 In Bible Myths and their Parallels in Other Religions T W Doane embarks on a meticulous examination of biblical narratives alongside parallel myths found in various world religions Doane employs a comparative methodology that intertwines literary analysis with anthropological insights unveiling the remarkable similarities and shared themes among sacred texts Through a critical lens he dissects well known biblical stories positioning them within a broader mythological framework to reveal archetypal motifs prevalent across cultures This work stands out in the context of 19th century scholarship marked by an increasing interest in the intersection of religion and myth and reflects the era's burgeoning critical attitudes toward traditional religious beliefs TWD oane was a pioneering figure in the study of religious mythology whose own background in theology and skepticism of established dogmas shaped his perspective His academic journey through various religious texts led him to question the uniqueness of biblical stories seeking to highlight their narrative similarities with other religious traditions This exploration not only showcases his scholarship but also represents the broader intellectual climate of the time which encouraged a reexamination of religious texts in light of contemporary thought I highly recommend Bible Myths and their Parallels in Other Religions to scholars and lay readers alike offering valuable insights into the complexities of religious narratives Doane's thorough approach invites readers to transcend conventional interpretations and appreciate the deep interconnectedness of human storytelling making this book a significant contribution to the fields of religious studies and mythology Studies in the History of Religions, 1954

Studies in the History of Religions Lyon,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Studies in the History of Religions (supplements to Numen), Bible Myths and Their Parallels in Other Religions Thomas William Doane, 2007-11-01 American author THOMAS WILLIAM DOANE 1852 1885 is considered one of the most significant contributors to the Free Thought movement which held the view that belief should be based on the epistemology of scientific and logical laws rather than on faith In support of this philosophy Doane undertook extensive research delving into the parallels between Christianity and preexisting religions from around the world ultimately meaning to show the difference between eternal truths both spiritual and scientific and fable Here in a work first published in 1882 he takes a methodical stroll through each of the most popular Biblical myths from both the Old and New Testaments including the Flood the Exodus

Samson the Star of Bethlehem baptism and the temptation of Christ By providing copious evidence of the preexistence of the morals and indeed associated details of each as well as thorough bibliographic information the fruit of Doane's labor is a fascinating survey of world religions and a compelling critique of the originality of Christian dogma *Prolegomena of the* History of Religions Albert Réville, 1884 Studies in the History of Religions ,2000 'The Real Scriptures' of God James Platter, 2012-08 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn t in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language Religion for Reluctant Believers Leonard J. Swidler, 2017-05-19 This is a volume written for persons who live in the mental world of modernity that is in a world that cherishes 1 freedom as the core of being human 2 critical thinking reason as the arbiter of what to affirm or not 3 history process and dynamism at the heart of human life and society and 4 dialogue with those who think differently yet who sense that there is somehow more to life to reality than meets the eye that there is a depth or spiritual dimension not captured in our everyday experiences which is customarily called religion Religion for Reluctant Believers explores the meaning of life its joys problems and terrors its pluses and minuses In short it asks the question do you want to buy into Religion with a capital r into a particular religion or into no religion at all The Evolution of Religion William Albert Hinckle, 1910 The Evolution of Religion by William A Hinckle first published in 1910 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it The Lost Light Alvin Boyd Kuhn, 2021-05-14 Kuhn contended that the Bible derived its origins from other Pagan religions and that much of Christian history was pre extant as Egyptian mythology He also proposed that the Bible was symbolic and did not depict real events

and argued that the leaders of the church started to misinterpret the bible at the end of the third century These controversial ideas outside of mainstream history and theology are rejected by most pre eminent scholars but many including Tom Harpur and John G Jackson were influenced by the works of Kuhn Harpur even dedicated his best selling 2004 book The Pagan Christ to Kuhn calling him a man of immense learning and even greater courage and one of the single greatest geniuses of the twentieth century who towers above all others of recent memory in intellect and his understanding of the world s A Comparative History of Religions James Clement Moffat, 2015-11-02 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Authenticity and Inspiration of the Holy Scriptures Robert Haldane, 2007-12-01 The Evolution of the Idea of God Grant Allen, 2016-05-07 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant What Do We Know about God? Michael J. Lowis, 2017-09-26 God has been around for a long time in fact from the very beginning but what do we actually know about him Perhaps this is a silly question because many people will regard the God of Judaism Christianity and Islam as unknowable Nevertheless this book explores the Hebrew Scriptures Old Testament to unearth just what is revealed about the nature and persona of the Deity Early chapters discuss the first signs of religious beliefs and the origins of the major religions Ten chapters are devoted to what the Scriptures reveal about God's origin attributes and activities These include

miracles making laws punishing rewarding answering prayers and predicting a future Messiah A final chapter summarizes and draws conclusions The sheer number of details gleaned from the biblical texts helps the reader to see God as an entity with a personality who has attributes likes and dislikes He rejoices but also laments he has a presence he is available he hears our prayers Those who were a little unsure about the authenticity of God should have their confidence in him strengthened by the amount of information presented They can then explore this further for themselves Michael I Lowis takes the reader on an inspiring journey to reveal God's nature through relevant examples and insightful observations about the Hebrew scriptures Readers will find their curiosity sparked and a deeper engagement with their understanding of God developed A brief discussion of the origins of religion and the major world religions in addition to the comprehensive exploration of the scriptures a make this book readers will return to time and again Teresa A Fisher Assistant Professor Bronx Community College Mike Lowis has produced a tour de force in his book He reveals an encyclopedic knowledge of the Hebrew scriptures anthropology theology This is a book that will challenge many held assumptions and questions about our knowledge of God I would simply add the Bible was written by men and the author steadfastly refers to God as male when Gen 1 27 indicates God embraces both genders as religions have often shown Nevertheless I warmly commend this book K Graham Hawley Methodist Minister and Former Adult Educator Whether they claim to believe in God or not many people have little idea of what God is like and few know what the Bible says about God particularly in the Old Testament Michael Lowis explores what scripture says in a way that will help conservative and liberal Christians and those who are still seeking for a faith John Lansley Methodist Minister and Former University Teacher of Social Studies Dr Michael J Lowis is both a psychologist and theologian This book is his fifth and he has to date also authored over fifty academic papers and book chapters He is a founder member of The Journal of Applied Arts and Health and currently serves on its academic board Now retired from university lecturing he enjoys the challenge of applying psychological and scientific methodology to theological questions

Scripture And Knowledge An Ebay On Religious Epistemology Studies In The History Of Religions Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Scripture And Knowledge An Ebay On Religious Epistemology Studies In The History Of Religions PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free

Scripture And Knowledge An Ebay On Religious Epistemology Studies In The History Of Religions PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Scripture And Knowledge An Ebay On Religious Epistemology Studies In The History Of Religions free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
