These Are Written Peter Nafzger,2013-05-31 Today there is an increasing awareness and availability of the sacred writings of the world s religions This raises important questions about the Christian Scriptures What is distinctive about these writings What role do they play in the Christian story What makes these particular texts holy The modern battle for the Bible with its narrow focus on proving or disproving biblical inerrancy has made it difficult to provide sufficient answers This work of constructive theology rethinks the concepts categories and assumptions that have dominated the modern approach to the Bible by returning to the biblical narrative and its focus on the cross It identifies the Scriptures as the written form of the living and active Word of God which was spoken by the prophets and apostles and became human in the person of Jesus Christ This conception of the Bible provides Christians in this postmodern world with a solid ground from which to address pressing questions about canon authority and interpretation of their Scriptures

BURIED SCRIPTURE Edward D. Andrews, 2025-05-06 For over a millennium the Word of God was buried beneath the weight of man made tradition ecclesiastical decrees and papal dominance From 500 to 1500 C E the Roman Catholic Church systematically obscured the Scriptures locking them in Latin condemning their translation and replacing their authority with that of councils creeds and a corrupt hierarchy BURIED SCRIPTURE confronts this historical reality head on Edward D Andrews author of over 220 books and a leading conservative biblical scholar exposes how Rome silenced the Bible and elevated tradition above truth This is not a work of theological diplomacy It is a bold and unapologetic defense of sola Scriptura the truth that the Bible alone is the final authority in all matters of faith and doctrine In this thoroughly documented and theologically grounded volume Andrews traces the rise of papal power the suppression of Scripture and the courageous efforts of Reformers who reclaimed the buried Word of God for the people The book unearths the historical mechanisms Rome used to replace Scripture with tradition and challenges modern readers to once again submit fully to the inspired inerrant Word of God Whether you are a student of church history a pastor or a Christian committed to truth over tradition BURIED SCRIPTURE is a timely and essential call to return to the authority of the Bible and to reject every rival that would dare to take its place
