Our Sufficiency in Christ John MacArthur, 1998-07-10 Christ's divine power has granted to us everything pertaining to life

and godliness 2 Peter 1 3 Pure Christianity needs no embellishment whatsoever We find complete sufficiency in Christ and His provision for our needs But too many Christians have bought in to the notion that all the spiritual resources we gain at the moment of salvation are not adequate to meet the real needs in today s complex world So they look for something more an emotionally exciting and self edifying experience not found in God s Word This failure to understand the sufficiency of Christ has opened the door to all kinds of worldly influences causing many modern believers to mix biblical truths with seemingly helpful man made methods such as mysticism and psychology As a result they wallow in a watered down pseudo Christianity that has been drained of its vitality effectiveness and security In this book John MacArthur exposes the main ways Christians have displaced their spiritual resources and explains how to avoid making the same error It will make you newly aware of how completely God provides and give you a renewed understanding of what it means to be complete in Christ

Eat the Bible Micah E. Chung, 2024-07-19 People love their metaphors for the Bible The Bible is a sword a mirror a script a score a cathedral a rule book a user s manual a lamp a love letter But how did metaphor which in the eighteenth century was seen as a deceptive rhetorical trick become such a prominent tool for speaking of Scripture And how does one judge between a good metaphor and a bad one This book explores the theological use of metaphor to describe the nature and interpretation of Scripture It interrogates three such models the Bible as musical score Anthony Thiselton the Bible as theatrical script Kevin Vanhoozer and the Bible as light John Feinberg seeking to evaluate their faithfulness to Scripture and church tradition their fittingness to the current culture and their fruitfulness for understanding and practicing the biblical text The author then proposes and explores what he considers a better model one drawn from the Bible itself namely that of Scripture as food
