Long Range Planning For Your Business An Operating Manual:

Long-Range Planning for Your Business Merritt L. Kastens, 1976

Handbook of Decision Making Goktug

Morcol, 2006-11-01 Handbook of Decision Making includes the wisdom of the long theological and philosophical traditions of human society as well as a systematic exploration of the implications of contemporary evolutionary theories. Common patterns in decision making styles are identified as well as the common variations that different contexts may generate. The text covers the multiplicity of mainstream decision making styles such as cost benefit analysis and linear programming. It also explains alternative and emerging methods such as geographic information systems, Q methodology and narrative policy analysis. Practical applications are discussed using decision making practices in budgeting, public administration and governance, drug trafficking and information systems.

The Operator's Manual for the New Administration Mark A.

Abramson, 2008-06-27 The Operator's Manual for the New Administration explains how government works and how to make it work to advance policy goals and objectives. Bringing decades of experience in government administration, the authors have identified eight key tools: leadership, performance, people, money, contracting, technology, innovation, and collaboration that executives must utilize in order to be successful.

Black Enterprise Guide to Starting Your Own Business Wendy

Beech, 1999-04-22 BLACK ENTERPRISE magazine is the premier business news source for African Americans. With thirty years of experience, Black Enterprise continues to chronicle the achievements of African American professionals while providing monthly reports on entrepreneurship, investing, personal finance, business news and trends, and career management. Now Black Enterprise brings to you the Guide to Starting Your Own Business, the one stop definitive resource for everything today's entrepreneur needs to know to launch and run a solid business. Former Black Enterprise editor Wendy Beech knows that being a successful business owner takes more than capital and a solid business plan. She offers essential, timely advice on all aspects of entrepreneurship, including defining and protecting a business idea, researching the industry and the competition, confronting legal issues, choosing a good location, financing and advertising. You'll even learn how to make the most of the Internet by establishing a Web presence. Plus, you'll hear from black entrepreneurs who persevered in the face of seemingly unbeatable odds and have now joined the ranks of incredibly successful black business owners. This exceptional reference tool also includes: The ten qualities you must possess to be a successful entrepreneur. A list of helpful resources at the end of every chapter. If you've ever dreamed about going into business for yourself, if you feel you've hit the glass ceiling in corporate America, if you have the drive and the desire to take control of your destiny, the Black Enterprise Guide to Starting Your Own Business will motivate and inspire you every step of the way. Special Bonus: To help you stay abreast of the latest entrepreneurial trends, Black Enterprise is pleased to offer a free issue of Black Enterprise magazine, a free edition of The Exchange Newsletter for Entrepreneurs, a discount coupon for savings off the registration fee at the annual Black Enterprise Entrepreneurs Conference.
