Look Up Today:

When I Look Up Ron Gallo, 2021-11-21 Most Christian books have a problem For they speak from an adult perspective and not a child s They leave out the most important aspect of the foundation when walking with God and that is the child They say do ABCDE to get a better walk with God That s fine but we forget about the growth of the child and there characteristics is the Christian life template for an adult to look at and learn from This is the reason why children come before adults it s so we can see who God sees God doesn t see us as we see each other as adults in arrogance God doesn t care about your social status or you can have more degrees than a thermometer you are his child God sees adults as tall children So now let s look deeper into a child s life and how it relates to Gods foundation the family Understanding the child then you will understand yourself and what God wants from us as adults Looking at the genesis of a child we can see many attributes and characteristics of a child that God wants to see in us We can shadow and be a reflection of childlike not childish as Jesus said in the book of Mathew Jesus clearly states unless you re like a child you shall not enter Right off the bat Jesus is drawing the line in the sand Children have many characteristics that we miss as adults and forget that we went through these same characteristics ourselves From looking up having child like faith being able to be led humility believability no pride or self righteousness etc This fascinating book being different will enhance any reader parent to take a stronger look at their own Christian life and check off the boxes to see if there in alignment with Gods standards There a chapter on being blind when your awake yet we trust him in sleep and other great gems of wisdom **Look Up** Kenneth Thompson, 2023-06-26 These are short stories Ranging from a Hit Man becoming infatuated with the person he is meant to kill to a person getting into a philosophical debate with their executioner to answering the fundamental nature of consciousness these stories will entertain readers with its clever insights and biting commentary Interlaced throughout are connected stories of two families whose lives are weaved together more than they could ever know Some stories are much longer than others but what they lack in brevity they make up for in levity This rhymes which means it is true Look Up London Katie Wignall, 2022-05-26 A refreshing guide to discovering the hidden details of London with 10 fully guided walking routes from London s leading tour guide Look Up London Have you ever noticed London s tiniest public sculpture Or wondered why there are strange cone shaped structures on the fanciest historic homes Did you know that the Tower of London used to be a zoo or about the now defunct London railway that transported over 200 000 people to their final resting place These are just some of the fascinating details that Blue Badge Tourist guide Katie Wignall reveals in this absorbing guide to the secrets of London hidden in plain sight Take a journey through London s rich past with these 10 fully guided walking routes and discover a whole world of incredible history hiding above your eye line just waiting to be spotted From the saucy scandals of Covent Garden to stories of power and intrigue from the City atmospheric pubs to hidden Roman remains London is a city bursting with captivating stories which are etched into its very architecture So Look Up and
