the Athen um broke the mold Unlike in other preeminent clubs its members were chosen on the basis of their achievements rather than on their background or political affiliation Public rather than private life dominated the agenda The club with its tradition of hospitality to conflicting views has attracted leading scientists writers artists and intellectuals throughout its history including Charles Darwin and Matthew Arnold Edward Burne Jones and Yehudi Menuhin Winston Churchill and Gore Vidal This book is not presented in the traditional insular style of club histories but devotes attention to the influence of Athenians on the scientific creative and official life of the nation From the unwitting recruitment of a Cold War spy to the welcome admittance of women this lively and original account explores the corridors and characters of the club its wider political intellectual and cultural influence and its recent reinvention

In His Steps Peter J. Cooper, 2019-03-04 This book describes the experiences of the author's great uncle Wilberforce Cooper who was an Anglican priest ministering to the people of Vancouver's downtown east side during 1921-1952 Reverend Cooper began his ecclesiastical calling in the slums of London and then as a British Army chaplain in the hospitals and trenches of WW1 before moving to Canada first to the B C Cariboo and then to be the rector of St James Church in Vancouver During the early mid 1900s the East End of Vancouver was home to most of the city's poor homeless addicted and unemployed and was a magnet for illegal intoxicants disreputable venues and prostitution In addition the East End was where Chinese and Japanese immigrants had settled and their presence attracted the continuing attention of white racists And all this vice and prejudice was enabled by a corrupt Civic Administration that depended upon graft This was the parish that Father Cooper presided over and where he became well known and loved as someone who cared and fought for the physical as well as the spiritual wellbeing of each individual resident The author has made use of unpublished memoirs as well as stories in newspapers and other writings to document his great uncle's life and times While a number of references to Rev Cooper's religious thought and outreach can be found in the literature this is the first book to address his work and actions solidly within the context of the social and political milieu of the Lower Mainland during his tenure
