## **Maksim Gorky A Reference Guide:**

Maksim Gorky Edith W. Clowes,1987      Reference Guide to Russian Literature Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public      **Maxim Gorky** Cynthia Marsh,2006 Maxim Gorky was dubbed the father of socialist realism in the Soviet period but he had forged his career as an internationally known novelist and dramatist some three or more decades earlier Posing questions that Soviet critics found difficult to confront the author examines the effects of exile and religion on the content and form of the plays as well as the role played by women and the personal and political implications of motherhood All sixteen of Gorky s published plays are covered and the book explores whether this body of work has themes and styles to unify it While conflict is central to the core political themes and also infiltrates many aspects of the dramatic style cartoonish and grotesque other less expected themes and styles emerge Viewing the post revolutionary plays as a development of earlier work leads to a question rarely posed are the plays written by Gorky in the process of defining the new Party inspired socialist realism in fact less about socialist realist issues of conformity and more about Gorky s own painful life experience And what is equally under the microscope is a search for the monumental style frequently associated with socialist realist theatre the proposed origins of the spatial grandeur in Gorky s plays come as a surprise      **Maxim Gorky** Tovah Yedlin,1999-10-30 Maxim Gorky born Aleksei Maksimovich Peshkov in 1868 to the low stratum of Russian society rose to prominence early in life as a writer and publicist Gorky who did not have a formal education became famous in his country and abroad Writing could not satisfy the rebellious Gorky who soon became involved in revolutionary movements After a short period with the populist narodnik movement Gorky became disillusioned with the peasant class and instead he chose the nascent class of workers as the vehicle for change It is as if Gorky and capitalism arrived in Russia together In his view the intelligentsia and the workers would bring about the change in the political social and cultural life of the country Gorky came close to Lenin and the Bolsheviks taking an active part in the Revolution of 1905 and going into an exile that lasted until 1913 Gorky returning home on the eve of World War I and the following revolutions of February and October 1917 became involved in the momentous developments He vehemently opposed Lenin s socialist revolution maintaining that Russia was not ready for it A second exile followed in 1921 After returning in 1928 to Stalin s Soviet Union Gorky was made into an icon with the eye of the inquisition watching over him And here began what is often called The Tragedy of Maxim Gorky He died in 1936 but the circumstances of his death as well as the question whither Gorky is still debated Based on hitherto unavailable primary sources Yedlin has cut through the Gorky legend to show the real person the Gorky of contradictions and oscillations Fascinating reading for scholars and students of Russian history and literature as well as the general public      Encyclopedia of the Essay Tracy Chevalier,2012-10-12 This groundbreaking new source of international scope defines the essay as

nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies *File On Gorky* Maxim Gorky,2014-05-29 Writers Files is an important series documenting the work of major dramatists of the last hundred years Each volume contains a comprehensive checklist of all the writer s plays with a detailed performance history excerpted reviews and a selection of th Imprisoned for his revolutionary activities and championed by Checkov Maxim Gorky the bitter had his first play produced by the Moscow Art Theatre in 1902 Chekhov wrote Gorky is the first in Russia and the world at large to have expressed contempt and loathing for the petty bourgeoisie and he has done it at the precise moment when Russia is ready for protest Among Gorky s most important plays are Philistines The Lower Depths and Barbarians Methuen are to be congratulated on launching this series extremely useful to theatre professionals as well as to students and teachers of drama David Bradby Speech and Drama *Reference Guide to World Literature* Tom Pendergast,2003 Covers writers from the ancient Greeks to 20th century authors Includes biographical bibliographical entries on nearly 500 writers and approximately 550 entries focusing on significant works of world literature Each author entry provides a detailed overview of the writer s life and works Work entries cover a particular piece of world literature in detail **The Early Fiction of Maksim Gorky** Andrew Barratt,1993

*The Facts on File Companion to the World Novel* Michael Sollars,Arbolina Llamas Jennings,2008 **A Study Guide for Maxim Gorky's "The Lower Depths"** Gale, Cengage Learning,2016 A Study Guide for Maxim Gorky s The Lower Depths excerpted from Gale s acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs [The Russian Revolution and Civil War 1917-1921](#) Jonathan Smele,2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state **Encyclopedia of the World Novel, 1900 to the Present** Michael David Sollars,Arbolina Llamas Jennings,2015-04-22 Praise for the print edition a useful and engaging reference to the vast world of

the novel in world literature      The 20th Century Go-N Frank N. Magill, 2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography

*Historical Dictionary of Russian Theatre* Laurence Senelick, 2015-08-13 A latecomer continually hampered by government control and interference the Russian theatre seems an unlikely source of innovation and creativity Yet by the middle of the nineteenth century it had given rise to a number of outstanding playwrights and actors and by the start of the twentieth century it was in the vanguard of progressive thinking in the realms of directing and design Its influence throughout the world was pervasive Nikolai Gogol Anton Chekhov and Maksim Gor'kii remain staples of repertoires in every language the ideas of Konstantin Stanislavskii Vsevolod Meierkhold and Mikhail Chekhov continue to inspire actors and directors while designers still draw on the graphics of the World of Art group and the Constructivists What distinguishes Russian theater from almost any other is the way in which these achievements evolved and survived in ongoing conflict or cooperation with the State This second edition of Historical Dictionary of Russian Theatre covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on individual actors directors designers entrepreneurs plays playhouses and institutions Censorship Children's Theater migr Theater and Shakespeare in Russia This book is an excellent access point for students researchers and anyone wanting to know more about Russian Theatre      **American Reference Books Annual** Bohdan S. hundred more bibliographical entries coverage of reorganization issues four indexes and a glossary **Abolishing Death** Irene Masing-Delic, 1992-11-01 The idea of abolishing death was one of the most influential myth making concepts expressed in Russian literature from 1900 to 1930 especially in the works of writers who attributed a life modeling function to art To them art was to create a life so aesthetically organized and perfect that immortality would be an inevitable consequence This idea was mirrored in the thought of some who believed that the political revolution of 1917 would bring about a revolution in basic existential facts specifically the belief that communism and the accompanying advance of science would ultimately be able to bestow physical immortality and to resurrect the dead According to one variant for example the dead were to be resurrected by extrapolation from the traces of their labor left in the material world The author finds the seeds of this extraordinary concept in the erosion of traditional religion in late nineteenth century Russia Influenced by the new power of scientific inquiry humankind appropriated various divine attributes one after the other including omnipotence and omniscience but eventually even aiming toward the realization of individual physical immortality and thus aspiring to equality with God Writers as different as the decadent Fyodor Sologub the political Maxim Gorky and the gothic Nikolai Ogniyov created works for making mortals into gods transforming the raw materials of current reality into legend The book first outlines the ideological context of the immortalization project notably the impact of the philosophers Fyodorov and Solovyov The remainder of the book consists of close readings of texts by Sologub Gorky Blok Ogniyov and Zabolotsky Taken together the works yield the salvation program that tells people how to abolish death and live forever in an eternal self created cosmos gods of a legend that was made possible by creative artists imaginative scientists and inspired laborers **The Book Buyer**, 1905 **Russia** Mauricio Borrero, 2009 A reference guide to the world s largest country Covering influential individuals significant places and important policies it provides readers with a greater understanding of Russian history A narrative history chronology and A Z entries are included **Joseph Stalin** David R. Marples, Alla Hurska, 2022-08-23 The figure of Stalin continues to intrigue fascinate and repel historians into the 21st century while in the Russian Federation he has returned to the status of a figure to be respected principally as the leader who led his country through industrialization and militarization enabling it to defeat Nazi Germany in the Second World War thereby saving Europe and much of the world from the brown plague of Fascism He presided over some of the most cataclysmic events of the 20th century some of which he was the architect collectivization of agriculture famine the Purges and the Second World War Joseph Stalin A Reference Guide to His Life and Works captures his life and legacy It features a chronology an introduction offers a brief account of his life a dictionary section lists entries on Stalin s associates from the period of the Russian Empire in the late 19th century to the leader s death in 1953 and beyond highlighting their careers and the main events

**Maksim Gorky A Reference Guide Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Maksim Gorky A Reference Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Maksim Gorky A Reference Guide has opened up a world of possibilities. Downloading Maksim Gorky A Reference Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Maksim Gorky A Reference Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Maksim Gorky A Reference Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Maksim Gorky A Reference Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Maksim Gorky A Reference Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Maksim Gorky A Reference Guide has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
