

MAN FROM THE VALLEY

Memoirs of a 20th-Century Virginian

FRANCIS PICKENS MILLER

Man From The Valley Memoirs Of A Twentieth Century Virginian

Brian J. Daugherty

Man From The Valley Memoirs Of A Twentieth Century Virginian:

Man from the Valley Francis P. Miller, **Man from the Valley** Francis Pickens Miller, 1971 Miller's career has had many facets: statesman, politician, soldier, educator, author, and churchman, and his contacts have been world wide. He is best known for his work with the World's Student Christian Federation and the Century Club, and for his leadership of the anti-Byrd forces in Virginia. Originally published in 1971, A UNC Press Enduring Edition. UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats, bringing readers both historical and cultural value. [The Idea of the American South, 1920-1941](#) Michael O'Brien, 2019-12-01. Originally published in 1979, *The Idea of the South* has its roots in Romanticism and American culture of the nineteenth century. This study by Michael O'Brien analyzes how the idea of a unique Southern consciousness endured into the twentieth century and how it affected the lives of prominent white Southern intellectuals. Individual chapters treat Howard Odum, John Donald Wade, John Crowe Ransom, Allen Tate, Frank Owsley, and Donald Davidson. The chapters trace each man's growing need for the idea of the South, how each defined it, and how far each was able to sustain the idea as an element of social analysis. *The Idea of the American South* moves the debate over Southern identity from speculative essays about the central theme of Southern history and, by implication, past the restricted perception that race relations are a sufficient key to understanding the history of Southern identity. *The Life and Death of the Solid South* Dewey W. Grantham, 2021-10-21. Southern style politics was one of those peculiar institutions that differentiated the South from other American regions. This system, long referred to as the Solid South, embodied a distinctive regional culture and was perpetuated through an undemocratic distribution of power and a structure based on disfranchisement, malapportioned legislatures, and one-party politics. It was the mechanism that determined who would govern in the states and localities, and in national politics it was the means through which the South's politicians defended their region's special interests and political autonomy. The history of this remarkable institution can be traced in the gradual rise, long persistence, and ultimate decline of the Democratic Party dominance in the land below the Potomac and the Ohio. This is the story that Dewey W. Grantham tells in his fresh and authoritative account of the South's modern political experience. The distillation of many years of research and reflection is both a synthesis of the extensive literature on politics in the recent South and a challenging reinterpretation of the region's political history. *Southern Liberal Journalists and the Issue of Race, 1920-1944* John T. Kneebone, 2018-06-15. Before the Civil Rights movement, southern liberal journalists played a crucial role in shaping southern thought on race and racism. John Kneebone presents a richly detailed intellectual history of southern racial liberalism between World War I and World War II by examining the works of five leading southern journalists: Gerald W. Johnson, *Baltimore Evening Sun*; George Fort Milton, *Chattanooga News*; Virginius Dabney, *Richmond Times Dispatch*; Hodding Carter, *Greenville News*; and Ralph McGill, *Atlanta*.

Constitution The South's leading liberal journalists came from varied backgrounds and lived in different regions of the South but all had one characteristic in common as public advocates of southern liberalism each spoke as a southerner with deep roots in the southern past Yet their editorials were not intended solely for local audiences they wrote essays for national and regional journals of opinion as well and each of these men published important books on the South and its history Through their writings they gained reputations throughout the country as articulate spokesmen for southern liberalism Their essays editorials books and letters provide rich and abundant sources for studying the changing patterns of southern liberal thought in the critical years from the 1920s to the 1940s Moreover these journalists were members of southern liberal organizations Will W Alexander's Commission on Interracial Cooperation the Southern Commission on the Study of Lynching the Southern Policy Committee the Southern Conference for Human Welfare and the Southern Regional Council and so they helped devise the reform programs that they in turn publicized While they believed that social and economic change in the modern South required reform of race relations the journalists felt that these reforms could be accommodated within the framework of racial segregation The protests of blacks against segregation during World War II challenged that way of thinking and created a crisis for southern liberals Kneebone analyzes this crisis and the disconnection between the southern liberalism of the 1920s and 1930s and the Civil Rights movement Originally published in 1985 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Frank Porter Graham William A. Link, 2021-10-14 Frank Porter Graham 1886 1972 was one of the most consequential white southerners of the twentieth century Born in Fayetteville and raised in Charlotte Graham became an active and popular student leader at the University of North Carolina After earning a graduate degree from Columbia University and serving as a marine during World War I he taught history at UNC and in 1930 he became the university's fifteenth president Affectionately known as Dr Frank Graham spent two decades overseeing UNC's development into a world class public institution But he regularly faced controversy especially as he was increasingly drawn into national leadership on matters such as intellectual freedom and the rights of workers As a southern liberal Graham became a prominent New Dealer and negotiator and briefly a U S senator Graham's reputation for problem solving through compromise led him into service under several presidents as a United Nations mediator and he was outspoken as a white southerner regarding civil rights Brimming with fresh insights this definitive biography reveals how a personally modest public servant took his place on the national and world stage and along the way helped transform North Carolina

Southern Politics and the Second Reconstruction Numan Bartley, Hugh Davis Graham, 2019-12-01 Originally published in 1975 This is a history of southern political life since the New Deal and World War II encompassing a crucial epoch an attempted Second Reconstruction of the South The authors focus on the electoral response to candidates and issues

The authors contend that despite the nationalizing and homogenizing forces that eroded much of the South's distinctiveness during the postwar years the region's historical legacy perpetuated its distinctive patterns of cultural and political life. Further the authors contend that despite the virtual destruction of the South's four inherited institutions of political sectionalism during the years of the Second Reconstruction disenfranchisement malapportionment a one party system and de jure racial segregation the new southern politics maintained a deep racial division that has militated against class coalitions especially across racial lines and has permitted government by relatively insulated elites.

Keep On Keeping On Brian J. Daugherity, 2016-08-03 Virginia was a battleground state in the struggle to implement *Brown v Board of Education* with one of the South's largest and strongest NAACP units fighting against a program of noncompliance crafted by the state's political leaders. *Keep On Keeping On* offers a detailed examination of how African Americans and the NAACP in Virginia successfully pursued a legal agenda that provided new educational opportunities for the state's black population in the face of fierce opposition from segregationists and the Democratic Party of Harry F Byrd Sr. *Keep On Keeping On* is the first book to offer a comprehensive view of African Americans efforts to obtain racial equality in Virginia in the later twentieth century. Brian J Daugherity considers the relationship between the various levels of the NAACP the ideas and actions of other African American organizations and the stances of Virginia's political leaders white liberals and moderates and segregationists. In doing so the author provides a better understanding of the connections between the actions of white political leaders and those of black civil rights activists working to bring about school desegregation. Blending social legal southern and African American history this book sheds new light on the civil rights movement and white resistance to civil rights in Virginia and the South.

The Political South in the Twentieth Century Monroe Lee Billington, 1975

Theologians of a New World Order Heather A. Warren, 1997 They established a reputation as prophetic by criticizing the dominant liberal theological tradition and the existing social order. They proposed concrete remedies for social and political ills working to implement their solutions through changes in the policies of governments as well as the churches. They gained a hearing in the national press and were regularly published in religious journals that reached the active influential segment of American society.

Max Yergan David Henry Anthony, 2006 In his long and fascinating life black activist and intellectual Max Yergan 1892-1975 traveled on more ground both literally and figuratively than any of his impressive contemporaries which included Adam Clayton Powell Paul Robeson W E B Du Bois and A Phillip Randolph. Yergan rose through the ranks of the colored work department of the YMCA and was among the first black YMCA missionaries in South Africa. His exposure to the brutality of colonial white rule in South Africa caused him to veer away from mainstream liberal civil rights organizations and by the mid 1930s into the orbit of the Communist Party. A mere decade later Cold War hysteria and intimidation pushed Yergan away from progressive politics and increasingly toward conservatism. In his later years he even became an apologist for apartheid. Drawing on personal interviews and extensive archival research David H Anthony has written much more than a biography of

this enigmatic leader In following the winding road of Yergan s life Anthony offers a tour through the complex and interrelated political and institutional movements that have shaped the history of the black world from the United States to South Africa *The Case of Odell Waller and Virginia Justice, 1940-1942* Richard B. Sherman,1992 **Discovering the South** Jennifer Ritterhouse,2017-02-08 During the Great Depression the American South was not merely the nation s number one economic problem as President Franklin Roosevelt declared It was also a battlefield on which forces for and against social change were starting to form For a white southern liberal like Jonathan Daniels editor of the Raleigh News and Observer it was a fascinating moment to explore Attuned to culture as well as politics Daniels knew the true South lay somewhere between Erskine Caldwell s Tobacco Road and Margaret Mitchell s Gone with the Wind On May 5 1937 he set out to find it driving thousands of miles in his trusty Plymouth and ultimately interviewing even Mitchell herself In Discovering the South historian Jennifer Ritterhouse pieces together Daniels s unpublished notes from his tour along with his published writings and a wealth of archival evidence to put this one man s journey through a South in transition into a larger context Daniels s well chosen itinerary brought him face to face with the full range of political and cultural possibilities in the South of the 1930s from New Deal liberalism and social planning in the Tennessee Valley Authority to Communist agitation in the Scottsboro case to planters and industrialists reactionary worldview and repressive violence The result is a lively narrative of black and white southerners fighting for and against democratic social change at the start of the nation s long civil rights era For more information on this book see www.discoveringthesouth.org **Encyclopedia of Human Rights** David P Forsythe,2009-08-27 Winner of the 2010 Dartmouth Medal this major five volume encyclopedia offers comprehensive coverage of all aspects of human rights theory practice law and history The set will provide situation profiles and full coverage of the development of the movement historical cases of abuse the key figures major organizations and a range of other issues in economics government religion and journalism that touch on human rights theory and practice In addition to providing original analytical articles covering standard subjects such as the right to health and health care Amnesty International the Balkan wars and former President of Ireland Mary Robinson it offers innovative coverage of such subjects as the Internet intellectual property rights the American civil rights movement globalization and Brazil in historical context Focusing primarily on developments since 1945 it offers an unrivaled reference source for students and researchers even human rights experts are likely to find much original material and keen insights in many of the entries **KEY SUBJECT AREAS INCLUDE ORGANIZATIONS AND INSTITUTIONS** American Civil Liberties Union World Health Organization UNICEF Carter Center **LEADING FIGURES** Adolf Hitler Steve Biko Elie Wiesel Simone de Beauvoir Joseph Stalin Eleanor Roosevelt Pol Pot Shirin Ebadi Kim Jong Il **HUMAN RIGHTS EVENTS AND CRISES** Darfur Irish Famine Soviet Gulag Central America in the 1980s Colonialism Belgian Congo AIDS **HUMAN RIGHTS NORMS** Ethnic Cleansing Women s Rights Religious Freedom Torture International Law Disability Rights **Billy Graham and the Rise of the Republican South** Steven P.

Miller, 2011-08-23 While spreading the gospel around the world through his signature crusades internationally renowned evangelist Billy Graham maintained a visible and controversial presence in his native South a region that underwent substantial political and economic change in the latter half of the twentieth century In this period Graham was alternately a desegregating crusader in Alabama Sunbelt booster in Atlanta regional apologist in the national press and southern strategist in the Nixon administration Billy Graham and the Rise of the Republican South considers the critical but underappreciated role of the noted evangelist in the creation of the modern American South The region experienced two significant related shifts away from its status as what observers and critics called the Solid South the end of legalized Jim Crow and the end of Democratic Party dominance Author Steven P Miller treats Graham as a serious actor and a powerful symbol in this transition an evangelist first and foremost but also a profoundly political figure In his roles as the nation's most visible evangelist adviser to political leaders and a regional spokesperson Graham influenced many of the developments that drove celebrants and detractors alike to place the South at the vanguard of political religious and cultural trends He forged a path on which white southern moderates could retreat from Jim Crow while his evangelical critique of white supremacy portended the emergence of color blind rhetoric within mainstream conservatism Through his involvement in the Eisenhower and Nixon administrations as well as his deep social ties in the South the evangelist influenced the decades long process of political realignment Graham's public life sheds new light on recent southern history in all of its ambiguities and his social and political ethics complicate conventional understandings of evangelical Christianity in postwar America Miller's book seeks to reintroduce a familiar figure to the narrative of southern history and in the process examine the political and social transitions constitutive of the modern South

Bookseller, 1972 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series *Donovan and the CIA* Thomas F. Troy, 1981 As conceived this history was aimed at satisfying the need of employees of the Central Intelligence Agency especially new or young professional ones for a comprehensive and detailed account of the agency's origin It was completed in 1975 classified SECRET and reproduced in sets of 2 volumes each The security classification has recently been reviewed and the manuscript shorn of no more than six typewritten pages of material is now declassified Thus released for leisurely reading outside the office and printed in one volume this history should better serve its original purpose Preface

Claude A. Swanson of Virginia Henry C. Ferrell Jr., 2021-12-14 Spanning most of the years of the one party South the public career of Virginian Claude A Swanson congressman governor senator and secretary of the navy extended from the second administration of Grover Cleveland into that of Franklin Roosevelt His record writes Henry C Ferrell Jr in this definitive biography is that of a skillful legislative diplomat and an exceedingly wise executive encompassed in the personality of a professional politician As a congressman Swanson abandoned Cleveland's laissez faire doctrines to become the leading Virginia spokesman for William Jennings Bryan and the Democratic platform of 1896 His achievements

as a reform governor are equaled by few Virginia chief executives In the Senate Swanson worked to advance the programs of Woodrow Wilson In the 1920s he contributed to formulation of Democratic alternatives to Republican policies In Roosevelt s New Deal cabinet he helped the Navy obtain favorable treatment during a decade of isolation The warp and woof of local politics are well explicated by Ferrell to furnish insight into personalities and events that first produced then sustained Swanson s electoral success He examines Virginia educational moral and social reforms disfranchisement movements racial and class politics and the impact of the woman s vote And he records the growth of the Hampton Roads military industrial complex which Swanson brought about In Virginia Swanson became a dominant political figure and Ferrell s study challenges previous interpretations of Virginia politics between 1892 and 1932 that pictured a powerful reactionary Democratic Organization directed by Thomas Staples Martin and his successor Harry Flood Byrd Sr defeating would be progressive reformers A forgotten Virginia emerges here one that reveals the pervasive role of agrarians in shaping the Old Dominion s politics and priorities

Twentieth-Century Anglo-American Relations J. Hollowell, 2001-06-18 New research by several leading political historians creates a detailed and diverse study of Anglo American relations in the twentieth century Declassified documents provide unique insight into the personal relationships between Eisenhower and Eden and Lyndon Johnson and Harold Wilson This volume offers a breadth of scholarship drawn from three continents and examines the diplomatic negotiations powerful personalities and political considerations at the heart of British American affairs

The Moderates' Dilemma Matthew D. Lassiter, Andrew B. Lewis, 1998 In 1958 facing court ordered integration Virginia s governor closed public schools in three cities His action provoked not only the NAACP but also large numbers of white middle class Virginians who organized to protest school closings This compilation of essays explores this contentious period in the state s history Contributors argue that the moderate revolt against conservative resistance to integration reshaped the balance of power in the state but also delayed substantial school desegregation Annotation copyrighted by Book News Inc Portland OR

Man From The Valley Memoirs Of A Twentieth Century Virginian Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Man From The Valley Memoirs Of A Twentieth Century Virginian free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Man From The Valley Memoirs Of A Twentieth Century Virginian free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file

type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Man From The Valley Memoirs Of A Twentieth Century Virginian free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Man From The Valley Memoirs Of A Twentieth Century Virginian. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Man From The Valley Memoirs Of A Twentieth Century Virginian any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Man From The Valley Memoirs Of A Twentieth Century Virginian Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Man From The Valley Memoirs Of A Twentieth Century Virginian is one of the best book in our library for free trial. We provide copy of Man From The Valley Memoirs Of A Twentieth Century Virginian in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Man From The Valley Memoirs Of A Twentieth Century Virginian. Where to download Man From The Valley Memoirs Of A Twentieth Century Virginian online for free? Are you looking for Man From The Valley Memoirs Of A Twentieth Century Virginian PDF? This is definitely going to save you time and cash in something you should think about.
