

The background of the image is a detailed fantasy illustration. On the left, a large red dragon with yellow-orange scales and wings is shown in mid-flight, its wings spread wide. Below it, a knight in blue armor and a blue cape stands on a snowy, rocky outcrop, looking up at the dragon. In the center, a group of characters is gathered: a knight on a dark horse, a woman in a red and black robe, and a man on a brown horse. To the right, a massive stone castle with multiple towers and battlements sits atop a steep, rocky cliff. The sky is filled with soft, yellowish clouds, suggesting a sunset or sunrise. The overall scene is one of epic fantasy adventure.

J. Marshall,2015-12-14 The Mandate of Heaven was originally given to King Wen in the 11th century BC King Wen is credited

with founding the Zhou dynasty after he received the Mandate from Heaven to attack and overthrow the Shang dynasty King Wen is also credited with creating the ancient oracle known as the Yijing or Book of Changes This book validates King Wen s association with the Changes It uncovers in the Changes a record of a total solar eclipse that was witnessed at King Wen s capital of Feng by his son King Wu shortly after King Wen had died before he had a chance to launch the full invasion The sense of this eclipse as an actual event has been overlooked for three millennia It provides an account of the events surrounding the conquest of the Shang and founding of the Zhou dynasty that has never been told It shows how the earliest layer of the Book of Changes the Zhouyi has preserved a hidden history of the Conquest **Cumulated Index to the Books**
