Miguel Mila:

A Life in Design Miguel Milá, 2022-11-16 Miguel Mil is considered one of Spain's first and most influential industrial designers. Starting out as an interior designer amid the country's early modernist movement, Mil began making the objects he needed but couldn't yet find on the market. He took raw and renewable materials and crafted prototypes by hand, occasionally evolving designs to perfect his now iconic lighting and furniture. *Miguel Mil: A Life in Design* is a detailed look back through his most emblematic works produced between 1956 and 2021, with archival photos and drawings as well as original photos shot at Mil's Barcelona home by Nacho Alegre. Introducing the book is seminal English designer Jasper Morrison, while the products are catalogued and described by design academic Francisco Gaspar Quevedo, who also contributed a biographical text on Miguel's life, career, and the principles that sprang from both.

Spaghetti Westerns--the Good, the Bad and the Violent Thomas Weisser, 2014-03-11 Spaghetti Westerns, mostly produced in Italy or by Italians but made throughout Europe, were bleaker, rougher, grittier imitations of Hollywood Westerns focusing on heroes only slightly less evil than the villains. After a main filmography covering 558 Spaghetti Westerns, another section provides filmographies of personnel: actors and actresses, directors, musical composers, scriptwriters, cinematographers. Appendices provide lists of the popular Django films and the Sartana films, a listing of U.S.-made Spaghetti Western lookalikes, top ten and twenty lists, and a list of the genre's worst.

All actually became larger-than-life characters during their lifetimes as contemporary newspapers and books embellished their deeds for their own purposes. But it was in Hollywood

that the line between reality and myth was completely blurred Each chapter length entry here first focuses on the known facts of the people s lives and how each became truly legendary during their lifetimes The reality is then compared to how they have been portrayed in the movies Louisiana Planter and Sugar Manufacturer ,1913 *Barcelona* Robert Hughes,2011-12-07 A monumentally informed and irresistibly opinionated guide to the most un Spanish city in Spain from the bestselling author of *The Fatal Shore* In these pages Robert Hughes scrolls through Barcelona s often violent history tells the stories of its kings poets magnates and revolutionaries and ushers readers through municipal landmarks that range from Antoni Gaudi s sublimely surreal cathedral to a postmodern restaurant with a glass walled urinal The result is a work filled with the attributes of Barcelona itself proportion humor and seny the Catalan word for triumphant common sense
