My Friend Yeshea:

Samuel Roth, Infamous Modernist Jay A. Gertzman, 2013-04-01 Samuel Roth is known to most literary scholars as a bold literary pirate for issuing unauthorized editions of modernist sensations including *Ulysses* and *Lady Chatterley's Lover*. In the absence of an international copyright agreement and because works deemed obscene could not be copyrighted what he did was not illegal. But it did violate the protocols of mutual fair dealing between publishers and authors. Those publications provoked an unprecedented international protest of writers, publishers and intellectuals who eventually vilified Roth on two continents. Roth was a man with an uncanny ability to recognize good contemporary writing and make it accessible to popular audiences. Ultimately his dedication to the publication of these works broke down many of the censorship laws of the time though he suffered greatly for his efforts. His story portrays a struggle with literary censorship in the mid twentieth century while providing insights into how modernism was marketed in America.

Yeshua Lewis Keizer, 2012-11 My fictional biography of Jesus is designed to introduce readers to the forgotten world of Jewish Messianic Kabbalistic prophetic wisdom and Merkabah mysticism that was known to the Jewish disciples of Yeshua but completely lost to emerging gentile Christianity. It provides a simple non academic way for readers to understand what only profound academic study can reveal and illuminates the authentic historical teachings and probable spiritual practices of the Master Yeshua.

The Testimony of Yeshua Lonnie Martin, 2010 When I read the book *Was the New Testament Really Written in Greek* I learned that the New Testament was really translated from the Aramaic Peshitta into Greek. But the only modern English version available was the 1933 Lamsa very copyright restricted. So I decided to update the 1851 Murdock 1848 Etheridge versions into modern English. It took 5 000 hours to revise the texts noting some very interesting differences between the Aramaic and the Greek versions. While I thought that I would find many new insights that were lost in the translation from Aramaic to Greek I actually found more errors occurring going from Greek into English in most translations. My online version has about 2 500 live links to a Greek lexicon for instant verifications. There is no wretched copyright restricting your legal usage just a required Creative Commons License. There is a sudden interest in the Aramaic text now with several new copyrighted versions available.

2012...The Year Jesus (Yeshua) Finally Came Back to Earth Dante P. Chelossi Jr, 2012-09-13 This controversial subject matter about the return of Jesus Yeshua to earth in modern times to come face to face with humanity once again after almost twenty centuries has been something thought about and anticipated by millions of people since the time of his physical departure. There is also the human curiosity about what would happen if and when he did actually return to earth. There have been many times when this event was predicted over the centuries about when he would arrive and every time it did not happen. Patience and faith still continued afterwards after much disappointment of the believers. This hope of his return is embedded within the souls of millions of people on our planet. Even though this story in this book is fiction it will still make the reader wonder about how he or she would react if someone were to show up one day in the near future on a world stage.

and declare that he is indeed the very same man that modern day people call Jesus Yeshua who was crucified on a wooden cross almost two thousand years ago by the Romans Certainly unarguable proof from this man claiming to be Jesus Yeshua would need to be so utterly convincing that even nonbelievers who are not necessarily religious would be convinced without argument The author will be able to show an event that he has created in this book and prove to anyone that if this event were to actually happen before their eyes it would be hard for them to deny that this person is in fact who he claims to be This event is so extraordinary and unbelievable that denial that this person is Jesus Yeshua would be impossible **The House That Yeshua Built.** Evangelist Mary Lucas,2014-02-03 I started writing years ago just writing notes and my feelings on a diary but the Lord told me to write my testimony because no test no testimony That was my first book When God says move move Now I m writing my second book which the Lord God instructed me to do as well it is about some of the thinks God and I have gone thru together and some things He wants me to reveal to other believers I would appreciate if you would take the time to read what He has to say to the church Yeshua a Personal Memoir of the Missing Years of Jesus Stan I.
