Nine Lives William Dalrymple,2010-06-15 From the author of The Last Mughal A compulsively readable masterpiece The New York Review of Books an exquisite mesmerizing book that illuminates the remarkable ways in which traditional forms of religious life in India have been transformed in the vortex of the region s rapid change a book that distills the author s twenty five years of travel in India taking us deep into ways of life that we might otherwise never have known exist A Buddhist monk takes up arms to resist the Chinese invasion of Tibet and spends the rest of his life atoning for the violence by hand printing the finest prayer flags in India A Jain nun tests her powers of detachment as she watches her closest friend ritually starve herself to death A woman leaves her middle class life in Calcutta and finds unexpected fulfillment living as a Tantric in an isolated skull filled cremation ground A prison warder from Kerala is worshipped as an incarnate deity for three months of every year An idol carver the twenty third in a long line of sculptors must reconcile himself to his son s desire to study computer engineering An illiterate goatherd from Rajasthan keeps alive in his memory an ancient four thousand stanza sacred epic A temple prostitute who initially resisted her own initiation into sex work pushes both her daughters into a trade she nonetheless regards as a sacred calling William Dalrymple chronicles these lives with expansive insight and a spellbinding evocation of circumstance And while the stories reveal the vigorous resilience of individuals in the face of the relentless onslaught of modernity they reveal as well the continuity of ancient traditions that endure to this day A dazzling travelogue of both place and spirit **My Nine Lives** Ruth Praver Jhabvala,2016-04-01 For her first novel in more than nine years Ruth Praver Jhabvala has written a most unusual book in a career of distinctive and unique accomplishments My Nine Lives is Chapters of a Possible Past as the subtitle declares It is as the author has commented a book filled with invented memories Nine vignettes are linked to portray a rich life filled with searching from London to Delhi from Hollywood to New York Each chapter gathers a different cast of characters some new and some vaguely familiar and the linked assembly is as exciting and illuminating as an artist s first show at a Soho gallery or a new play at the Studio Theater After seventeen books now in her 77th year Ruth Praver Jhabvala takes on as her subject herself the life she may have or may have wished to live

Nine Lives to Eternity Scott D. Gottschalk,2010-12-11 Nine Lives to Eternity is a true chronicle of cheating death time and again This inspirational and faith driven human triumph details the aftermath of my many harrowing experiences and mishaps any of which should have resulted in certain death Each time I was somehow incessantly saved by guardian angels The numerous near death experiences accounted for twenty six fractured bones and rendered me unconscious on five separate occasions yet somehow I lived to tell my compelling story of survival and triumph over death By the release date of this book the good Lord has allowed me to somehow somehow survive up until and beyond the celebration of my fifty fifth birthday Trust me when I reiterate that my life hasnt been a painless journey while defeating death on a habitual basis Beginning as a mere infant at the age of nine months old and then continuing through fifty five years Ive cheated death again and again During my lifes journey Ive survived an unfathomable twenty seven encounters with death Ive escaped death through seven different machinery and equipment mishaps Ive avoided horse or mule death challenges no fewer than five times Although one of my lifes greatest pleasures has always been motorcycling Ive paid a price by suffering through five singular accidents that should have terminated my life Few in life could survive even one automobile crash yet Ive lived to describe three separate vehicular collisions In addition Ive escaped death from toxic fumes twice and twice averted death threats while working within dangerous third world countries Ive even fallen from a rooftop nearly crashed in an airplane and lived through a poisoning yet by the grace of God Ive failed to become a fatality statistic Ive often joked that for every day in which I dont read my own name within a newspaper obituary column that becomes a really good day for me To survive so many brushes with death is difficult to absorb My goal driven ambitions have unfortunately brought me to the threshold of death numerous times Ive driven myself to limits that few would attempt Early in life I set a goal for myself to try and fit three lifetimes of experiences into my short time on this planet As a youth I never believed that I would survive beyond an age of forty years Most certainly my high risk behaviors reduced my odds for a lengthy existence As my life unfolded the numerous encounters with death became staggering Between the ages of nine months up until nine years I faced death three times From the ages of ten years through my nineteenth birthday death crossed my pathway four more times During my tumultuous twenties from the ages of twenty years through twenty nine years I survived eight separate death encounters Between the ages of thirty years through thirty nine years my chances of death slowed down to two By the ages of forty years through forty nine years the Grim Reaper visited me on three separate occasions As I reached midlife I discovered that the pace of my death engagements was increasing From the ages of fifty years through fifty five years Id already amassed five singular close encounters with death Perhaps that assertion should come as no surprise Since reaching my fifties Id done

little to slow down or reduce my zest for life and risk taking determination Few adults when faced with their own midlife crisis will attempt such outlandish feats as mountain climbing to the summit of Devils Tower in Wyoming or riding a motorcycle nonstop for ten thousand miles or consulting in the midst of a war within the country of Afghanistan Im thankful for each and every day that Im allowed the privilege of living I try to give thanks and praise to my Lord every day for granting me the tenacity to overcome even the worst of survival odds Through my strong faith and spirituality and by never accepting defeat Ive been able to constantly repel the onset of death

Nine Lives of Kaz Victoria Kiellerman, 2021-10-07 An extraordinary survival story of two families journey to freedom during World War II When you hear about how Stalin tormented hundreds of thousands of people and the devastating stories throughout his overwhelming existence you wonder how any child could endure his torture and survive through the pain and agony of his wrath But both Rysia Szuber and Kaz Kiellerman did Nine Lives of Kaz is based on the amazing journey of Kaz who was only eleven years old when he and his family were forcibly taken from their home on February 10 1940 and loaded onto freight trains along with thousands of other Polish people to travel to Gulag camps in frigid Siberia Victoria also recounts Rysia s journey as she and her family were also among those thousands forced to leave Poland and work in labour camps After the British signed an amnesty agreement with Stalin in August 1941 the displaced Polish people were free to leave the camps However unable to go home due to the ongoing war and impoverished they were subject to years of extreme hardship as the British regime moved the displaced people from one country to the next often setting up barracks and camps in desolate places Many times Kaz s family had barely any food or warmth to keep them alive With cunning and stealth Kaz often had to break the law to help feed his family And many times his courageous adventures brought him close to death Based on true events from December 1939 to 1946 Nine Lives of Kaz is a remarkable tale of a young person s resilience resourcefulness and hope
