Ride With Kit Carson Across The Great Am:

Overland with Kit Carson George Douglas Brewerton, Kit Carson, 1993-01-01 Gold had just been discovered in California at the close of the Mexican War when Kit Carson started east from Los Angeles with Dispatches Going with him was Lieutenant George Douglas Brewerton who describes their journey over the Old Spanish Trail It was a torturous route across deserts and mountains requiring the kind of expert survival skills that made Kit Carson famous The scout who was carrying the news that would begin the rush for gold went as far as Taos where he was reunited with his wife From there Brewerton joined a wagon train that labored over the Santa Fe Trail to Independence Missouri *Overland with Kit Carson* is a colorful and authentic account of encounters with Indians and white adventurers and of the hazards and hardships that accompanied anyone who undertook such a long journey in a sparsely populated country

Kit Carson Days, 1809-1868 Edwin Legrand Sabin, 1935-01-01 Volume 1 of *Kit Carson Days* shows Carson running away from his Missouri home at age fifteen in 1826 He joins a caravan headed toward Santa Fe and in the coming years shuttles between poverty and prosperity as a wrangler teamster and trapper He lives all over the unplotted West helping to open trails harvesting fur befriending mountain men and fighting and trading with Indians Carson's reputation grows after John C Fremont engages him as guide in 1842 He proves indispensable to the Pathfinder in three expeditions and plays a part in the Bear Flag Rebellion The first volume is an encyclopedia of activity in the West during the first part of the nineteenth century bringing into play such figures as Ewing Young William Ashley Jim Bridger Jedediah Smith Thomas Fitzpatrick Hugh Glass John Colter William Sublette Marcus and Narcissa Whitman William Bent Stephen Kearny President James K Polk John Sutter and Nathaniel Wyeth This revised edition includes vivid chapters on the mountain man his character habits clothing and equipment Volume 2 begins with Carson carrying the news of the conquest of California across the country to Washington D C stopping en route to see his wife in Taos New Mexico The older Carson consolidates his fame as a courier scout soldier and Indian agent Americans avid for newfound gold turn to him as an authority on trail lore and the government recognizes his usefulness in dealing with the Indian problem Carson is seen against the larger background of incessant warfare in the Southwest after midcentury He fights the Kiowas at Adobe Walls chases the Apaches and forces the Navajos into the Bosque Redondo He fights in the Civil War and retires at fifty eight but dies two years later in 1868

Death Valley and the Amargosa Richard E. Lingenfelter, 1988-01-11 This is the history of Death Valley where that bitter stream the Amargosa dies It embraces the whole basin of the Amargosa from the Panamints to the Spring Mountains from the Palmettos to the Avawatz And it spans a century from the earliest recollections and the oldest records to that day in 1933 when much of the valley was finally set aside as a National Monument This is the story of an illusory land of the people it attracted and of the dreams and delusions they pursued the story of the metals in its mountains and the salts in its sinks of its desiccating heat and its revitalizing springs and of all the riches of its scenery and lore the story of Indians and horse thieves lost argonauts and lost mine hunters prospectors and promoters miners and millionaires stockholders and stock sharps homesteaders and hermits writers and tourists But mostly this is the story of the illusions the illusions of a shortcut to the gold diggings that lured the forty niners of inescapable deadliness that hung in the name they left behind of lost bonanzas that grew out of the few nuggets they found of immeasurable riches spread by hopeful prospectors and calculating con men and of impenetrable mysteries concocted by the likes of Scotty These and many lesser illusions are the heart of its history

conversations in the new nation about race violence nation and masculinity as well as the role of the emergent mass print culture in the distribution of propaganda disinformation and misrepresentation At the same time many authors used Indian Haters to represent the moral failure of the new nation profoundly critiquing its ambitions and assumptions Using theories and methods drawn from studies of settler colonialism nationalism media sociology trauma and literary history Edward Watts excavates dozens of long lost Indian Hater accounts as well as better known ones from Benjamin Franklin Charles Brockden Brown James Hall Robert Montgomery Bird and Herman Melville to tell the story of a story and how that story exposes the complex machinations of the role of print culture s interactions with the violence of settler colonialism
