Wearing Red, Tracking Reds: What a Ride! Leonard N. Giles,2010-04-08 Entering the Royal Canadian Mounted Police in 1960 with visions of rural police duties highway patrol or perhaps plain clothes detective work I ended up in an unanticipated place completely foreign to my expectations In 1964 I was inducted into the obscure and secretive world of subversion and counter espionage investigations One of the first books I was instructed to read was The Theory and Practice of Communism hardly the stuff I was interested in I didn t know much about the Security and Intelligence Branch and I had a lot to learn about Communists the Reds Lenin s Lads or whatever they called them Previously my closest encounter with anything related to communism was the Cold War bomb shelter at my first Detachment a Soviet diplomat driving a Cadillac that I stopped for speeding and massive United States troop movements I observed in Los Angeles at the height of the 1962 Cuban Missile Crisis That showdown between U S President John F Kennedy and Soviet Premier Nikita Khrushchev was probably the closest the World has ever come to all out nuclear war That event and the ever present threats posed by the Cold War convinced me I needed to get serious about the work I was about to embark upon This book covers the challenge of maintaining pace with the gathering storm of Chinese political and economic espionage while at the same time coping with the organizational and individual stress of the McDonald Commission inquiries It also speaks of the complexities of staffing management responses during these trying times of careers floundering and some flowering as the new Service inundated with over sight new policies procedures restrictions and guidelines tried to get its feet firmly on the ground The stigma of old wine in a new bottle held sway in a climate of trying to move forward Then the catastrophe of the 1985 Air India bombing Canada s 911 complicated matters even further while C S I S was still in its infancy The drama seems to be without end as the Phase II report of the Major Commission of Inquiry into the Investigation of the Bombing of Air India Flight 182 has at the time of this publication yet to be released This is a telling memoir of a career in policing intelligence and counter espionage in Canada and overseas in Services in the midst of traumatic organizational change and stress mixed with inexplicable management tactics and the pride of diplomatic service **One Man And God** God,2012-08-21 This amazing story comes straight from Heaven Written by none other than the Great Almighty God himself I hope everyone will enjoy this true amazing story This would make a Blockbuster Movie The amazing story of David and God **Adventure Guide to Northern Florida and the Panhandle** Jim Tunstall, Public Roads ,2009 Preferential Facilities for Carpools and Buses United States. Survival of the Fastest Randy Lanier,2022-08-02 Winner of the Best Book Award by the Motor Press Guild The high octane Seabiscuit meets Scarface story of how Randy Lanier became a 1980s international sports star soaring through the ranks of car racing while holding a dark secret he was also one of the biggest pot smugglers in American history As a kid Randy Lanier dreamed of achieving four wheel glory at the Indianapolis 500 but knew he d never be able to afford the most expensive sport on earth That all changed when he bought a speedboat and began smuggling pot from the Bahamas Fueled by what would become a historically massive smuggling operation he started racing cars and became an overnight sensation For Randy and his teammates money was no object and bigger hauls meant faster cars At every event they attended they were behind the wheel of the best machinery flaunting their secret in front of huge crowds and live television cameras But no matter how fast they drove they couldn t outrun the law As Randy came ever closer to reaching his dream of high speed glory one of the biggest drug scandals ever to hit the professional sports world was about to unfold Set in the 1980s Florida of Miami Vice this is the unbelievable unforgettable unparalleled story of an ordinary guy whose attempts to become famous doing the thing he wanted most become a world class race car driver devolved into a you can t make this up tale of one of the

biggest crime rings and drug scandals of the 1980s Now with the help of New York Times bestselling author A J Baime Randy tells the whole truth for the first time ever a gripping narrative unlike any other a sports story for the ages and shocking a true crime epic *Two Wheels and a Map* Bob Neubauer,2008-03 Long before smart phones and GPS devices simplified bike touring cyclists were crossing the roads of this country equipped with little more than two wheels and a map This is the tale of one such rider who tackled the East Coast in the early 90s Leaving behind an unfulfilling job he loaded up his bike and set off meandering along rural back roads meeting strangers listening to their stories and enjoying their unexpected hospitality Not everything went as planned though Unforeseen circumstances forced him in directions he hadn t anticipated searing summer heat drained his energy and he spent many a nervous night bedding down where he didn t belong His trip touched the tip of failure yet succeeded in ways he hadn t imagined Through it all the people who crossed his path sometimes offering only a kind word gave him the inspiration he needed to persevere *Two Wheels and a Map* details Bob Neubauer s two part solo bike journey from Bangor Maine to Fort Lauderdale Florida His often amusing observations on the people and predicaments he encountered along the way give the book a lighthearted tone as it chronicles his life on the open road Bob Neubauer is also the author of *Alone in Austria A Solo Bike Trip Across Austria* It chronicles his two wheeled journey from Salzburg to Vienna Austria visiting quaint villages castle ruins and ancient monasteries Library Journal ,1997-10 Ride the Wind Laughing Kit Cain,2006-05 *Ride The Wind Laughing* is about building a 51 foot sailboat almost single handedly in the back yard with virtually no money at least it started out that way It s about the mystical nature of the Laws of Manifestation about how dreams and distant possibilities come into existence on Planet Earth Over a period of four and a half years a series of events unfolded that were far more interesting than the long hours of hard physical labor or the recounting of boring and repetitive tasks essential to any physical construction project Working with the wonderful people of rural Nova Scotia its fishing villages and small local businesses proved as interesting as the magical unfolding of events making it impossible to deny that life itself is controlled by some great invisible hand which has a vested interest in seeing Its creations completed and It s dreams fulfilled At the age of 44 I had come to a second major crossroad in my life The first occurred when I left behind the world of corporate business at age 35 The next 9 years were years of spiritual and religious training and the study in detail of as many aspects of esoteric thinking as I intuitively felt led to greater and greater things I finally came to the point where my questions all ceased I had sound mental concepts and could talk the talk but I had not yet walked the walk to the journey s end Of what value was all this information knowledge and perspective I had so diligently obtained if it could not be practically applied *Ride the Wind Laughing* is also a story about riding the winds of life with equanimity and contentedness despite the hardships of daily life It s about perspective about looking down on life much as would the student pilot on his very first flight Once the view from above is attained there s no going back to being land locked again Like the wind this is a story you can feel May it expand your perspective as it did mine Tramps Like Us Joe

Westmoreland,2025-06-03 A spare unflinching generous and lusty masterpiece of adventure writing Andrea Lawlor author of Paul Takes the Form of a Mortal Girl A necessary reminder of the beauty of being young and queer and free This book is a gift Imogen Binnie author of Nevada An achievement in the major category Hilton Als author of My Pinup A treasured cult classic following a young gay man crisscrossing 1970s and 80s America in search of salvation Now reissued with an introduction from Eileen Myles and an afterword from the author Abused by his father and stifled by closeted life as a teenager in Kansas City Joe the wide eyed narrator of Tramps Like Us graduates from high school in 1974 and hits the road hitchhiking But it isn't until he reunites with Ali his hometown's other queer outcast that Joe finds a partner in crime When the two of them finally wash up in New Orleans they discover a hedonistic paradise of sex drugs and music a world that only expands when they move to San Francisco in 1979 Told with openhearted frankness Joe Westmoreland's Tramps Like Us is an exuberantly soulful adventure of self discovery and belonging set across a consequential American decade In New Orleans and San Francisco and on the roads in between Joe and Ali find communities of misfits to call their own The days and nights blur a blend of LSD and heroin new wave and disco orgies and friends and the thrilling spontaneity of youth all of which is threatened the moment Joe Ali and seemingly everyone around them are diagnosed with HIV But miraculously the stories survive As Eileen Myles writes I love this book most of all because it is so mortal Back in print after two decades and with an introduction by Myles and an afterword by the author Tramps Like Us is an ode to a nearly lost generation an autofictional chronicle of America between gay liberation and the AIDS crisis and an evergreen testament to the force of friendship
