Terri Brinegar, 2022-04-19 Recipient of a 2023 Certificate of Merit for Best Historical Research in Recorded Blues R B Gospel Hip Hop or Soul Music from the Association for Recorded Sound Collections In the late 1920s Reverend A W Nix 1880 1949 an African American Baptist minister born in Texas made fifty four commercial recordings of his sermons on phonographs in Chicago On these recordings Nix presented vocal traditions and styles long associated with the southern rural Black church as he preached about self help racial uplift thrift and Christian values As southerners like Nix fled into cities in the North to escape the rampant racism in the South they contested whether or not African American vocal styles of singing and preaching that had emerged during the slavery era were appropriate for uplifting the race Specific vocal characteristics like those on Nix s recordings were linked to the image of the Old Negro by many African American leaders who favored adopting Europeanized vocal characteristics and musical repertoires into African American churches in order to uplift the modern New Negro citizen Through interviews with family members musical analyses of the sounds on Nix s recordings and examination of historical documents and relevant scholarship Terri Brinegar argues that the development of the phonograph in the 1920s afforded preachers like Nix the opportunity to present traditional Black vocal styles of the southern Black church as modern Black voices These vocal styles also influenced musical styles The moaning voice used by Nix and other ministers was a direct connection to the blues moan employed by many blues singers including Blind Willie Blind Lemon and Ma Rainey Both Reverend A W Nix and his brother W M Nix were an influence on the Father of Gospel Music Thomas A Dorsey The success of Nix s recorded sermons demonstrates the enduring values African Americans placed on traditional vocal practices

In-Visible Simplicity James Scott Rollo, 2012-06 There is knowledge understanding and spiritual illumination in this book never seen or written ever in the recorded commentary of biblical history This is a phenomenon of the moment arising out of Words in Daniel's book that have been closed up and sealed till the time of the end The challenge confronting every Christian regardless of his spiritual age or position is in recognizing that there is much more to know about God than we know but to know more we must be willing to continually repent and change our minds when the Lord allows us to see a clearer vision of the Truth Those who set aside every influence outside of the simple literal Words of inspired scripture receive knowledge and understanding unavailable from any other source Theologians of every degree have never seen the thoughts and observations illuminated in the precept upon precept chapters of this book If we allow the theologian tradition or the worldly church to control our mind we will miss the blessing of simply believing the purity of the Word God gave us a good mind and He expects us to use it to His glory by understanding the Words He wants us to hear The In Visible Truth is an immeasurable blessing hidden in simplicity Identifying doctrinal errors in the church along with seeing biblical specifics of RAPTURE carries the believer far beyond the significance of knowing when Jesus will come again The Lord is right on time every time and it is now time that we

understand many things that he did not allow us to understand in the past. Be blessed James Scott Rollo *To The Last Man, The Mysterious Rider & Desert Gold (A Wild West Trilogy)* Zane Grey, 2017-07-06. *To the Last Man* A Story of the Pleasant Valley War is a western novel. It is a story of a family feud healed by young love. The story is based on a factual event involving the notorious Hashknife gang of Northern Arizona. The story follows an ancient feud between two frontier families that is inflamed when one of the families takes up cattle rustling. Seventeen years ago miners working a claim of Belllounds in the mountains above Middle Park had found a child asleep in the columbines along the trail. Near that point Indians probably Arapahoes coming across the mountains to attack the Utes had captured or killed the occupants of a prairie schooner. There was no other clue. The miners took the child to their camp, fed and cared for it, and after the manner of their kind named it Columbine. Then they brought it to Belllounds. Zane Grey, *The Mysterious Rider*. A face haunted Cameron a woman's face. It was there in the white heart of the dying campfire, it hung in the shadows that hovered over the flickering light, it drifted in the darkness beyond. Zane Grey, *Desert Gold*. Zane Grey (1872-1939) was an American author best known for his popular adventure novels and stories that were a basis for the Western genre in literature and the arts.
