Dictionary of Westerns in Literature Paul Varner, 2010-09-20 When in 1902 Owen Wister a member of the Eastern blueblood aristocracy and friend of novelist Henry James became a best selling novelist with the publication of The Virginian few readers would have guessed that a new kind of American literature was being born While Owen Wister was enjoying his success Edwin S Porter in New Jersey was filming the first cinema Western The Great Train Robbery which would usher in a new era both of movies in general and of Western movies in particular Both events would lead to a century of cultural fascination with stories of the old West The Historical Dictionary of Westerns in Literature tells the story of the Western through a chronology a bibliography an introductory essay and hundreds of cross referenced dictionary entries on authors such as Owen Wister Zane Grey Max Brand Clarence Mulford Ernest Haycox Luke Short Dorothy Johnson Louis L Amour and Cormac McCarthy **The Senator and the Sin Eater** William J. Buchanan, 2007 Seneca Falls West Virginia is a picturesque town Tucked between the foothills of the Blue Ridge and Allegheny Mountains it lives in the shadow of the Dunning and Munroe families mining moguls who have competed for coal in the region for generations It is a place Joshua Chac n would rather forget The scorned biracial stepson of the Dunning dynasty Chac n has acquired a national reputation and a Pulitzer Prize for his books revealing political skullduggery Drawn back to the hometown he abandoned by news of the mysterious murder of his half brother Senator Stewart Dunning Josh soon becomes entangled in a murder plot thick with the power politics of the ruling families of West Virginia's mining country Any time you pick up a book with Bill Buchanan's name on the cover there is one thing of which you can be certain Colonel Buchanan always deals with his characters kindly and gently The Senator and the Sin Eater his last book before his death provides a perfect example of this It is much more than a

murder mystery It is an examination of what sometimes goes wrong in a small friendly town Tony Hillerman from the Foreword Sun Mountain Richard S. Wheeler,2002-08-19 Drawn to Virginia City Nevada and its Comstock Lode in the early 1860s journalist Henry Stoddard mingles with mining titans speculators and bankers as well as the men who descend into the dark earth to wrest the gold riches from it Among those he meets are a young Missourian named Sam Clemens a reporter for the Territorial Enterprise who would transform himself into Mark Twain August **Morning River** W. Michael Gear,2006-10-03 Richard Hamilton interrupts his philosophy studies at Harvard to deliver money for his father to St Louis but his snobbish ways get him into trouble He is robbed and sold for indentured labor on a keelboat bound for the Indian country of the Upper Yellowstone River Santa Fe Elizabeth West,2012 This question and answer book contains 400 reminders of what is known and what is sometimes forgotten or misunderstood about a city that was founded more than 400 years ago Not a traditional history book this group of questions is presented in an apparently random order and the answers occasionally meander off topic as if part of a casual conversation **Stone Song** Win Blevins,Winfred Blevins,2006-04-04 Of all the great warriors of Native America Crazy Horse remains the most enigmatic Scorned from his childhood for his light hair he was a man who spurned the love of finery and honors so characteristic of Lakota Sioux warriors Despite these differences Crazy Horse led his people to their greatest victory at the Battle of the Little Big Horn where General Custer fell Crazy Horse s entire life was a triumph of the spirit In youth Crazy Horse was set aside by his powerful vision of Rider the spiritual expression of his future greatness and by the passion and grief of his overwhelming love for a woman It was only in battle that his heart could find rest As his world crumbled Crazy Horse managed to find his way in harmony with the age old wisdom of the Lakota and to beat the US Army on its own terms He lived and died his own man **Saints & Seasons** Nasario García,Ana Pacheco,Richard McCord,2005 **Larger Than Life** Ferenc Morton Szasz,2006 Larger than Life offers eleven essays that touch on New Mexico s history through its people places and events Roads to Cibola New Mexico State Highway Commission,New Mexico. Banker,2018-09-17 Ferenc Morton Szasz was a lifelong student who became a professor of history at the University of New Mexico As a one year appointment at the Albuquerque campus evolved into a forty year career Szasz glimpsed the predictable unpredictability that he would eventually discern as one of history s most enduring and elusive traits The connections and consequences along the way forged a truly exceptional life and career A master of the United States history survey Szasz enthralled and inspired tens of thousands of students with energy enthusiasm provocative insights and good will Ambitious undergraduates regularly vied with graduate students for coveted seats in his upper level courses where he offered insights into World War II American religious history and popular culture Szasz s interests he insisted were the ideas

of the people and how they shift over time In an era when historical scholarship became increasingly specialized he pursued an eclectic array of research interests and challenged his doctoral students to do the same The ten selections of Szasz s writings that are the primary content of this volume balance insights into history s great moments with attention to events and details often overlooked by more conventional historians Szasz s crisp accessible prose reveals both the unique and universal in the human experience and offers heartfelt glimpses into humanity s paradoxical promises and perils Back cover

When We Were Young in the West Richard Melzer, 2003 Presents biographical sketches of New Mexican children from different cultures races and classes who represent the strength and diversity of this state s heritage **America in Historical Fiction** Vandelia L.
